Comments	<p>My husband and I have enjoyed living here for the past 29 years, particularly since the sale of the BC Packers land and resulting development along the waterfront gave everyone access along the waterfront to the Village. We fully support the proposed re-zoning of the subject lands from Steveston Maritime Mixed Use by widening the range of permitted commercial uses, so that first and foremost the local residents have more amenities and services available to them (whether it be restaurant, grocery, bank, medical facilities, fitness, library, expanded boat floats, etc.) and secondly, our local tourism in Steveston may also be better served. The current and ongoing state of this piece of waterfront is an embarrassment. Prime waterfront land should be enjoyed by as many people as possible, not with buildings that sit empty, inviting vandalism. The original zoning of these lands by City Council for Maritime Mixed Use was, in our opinion, a poor decision - it was pretty obvious 15 years ago that the fishing industry was</p>

in decline and that Maritime Mixed Use was far too restrictive zoning. It's time to expand the permitted zoning and move this development forward.
