Re:	10-538908

Hello Gail,

Sorry I have to write you a letter again, the reason is I'm having nightmares every night just thinking about the childcare being possibly built beside my house. Having to think about the balcony on the side of the building especially bothers me because it invades my family and my own privacy as it allows a clear view of my family's daily activities and every actions. The possible establishment of the child care is already a major interference to my family's life and our neighborhood, but having the balcony on the side peering into my house makes me even more agitated, uneasy and upset. Therefore, I would like you to know that the child care issue is already greatly impacting my life right now, thus I do not want to imagine how inconvenient and horrible it will be if it is established.

Thank you for your attention!  
Alice Chan
