Re: Duck Island Rezoning Application

To: Mayor and Council:

My name is Raymond Cheung. My company, Firework Productions Ltd., owns and operates the Richmond Night Market. In the past 24 years, with the help and support of the Mayor & council and the City staff, our event has become the largest Night Market in North America and an iconic event in the City of Richmond.

For the Duck Island rezoning, we were very pleased that during the first reading of the application for the rezoning bylaw on May 13, the developer told the Council that they are committed to the continuation of our Night Market on the current site. We trust that the City is as pleased as we are to know that Night Market will be part of this future development.

We support this future development plan, and we look forward to creating a more exciting experience for our visitors in the years to come.

Raymond Cheung
CEO, Firework Productions Ltd.
