To Whom It May Concern,

I would like to express my support for the No. 3 Road and Aldebridge project that is going to Public hearing.

As a resident in Richmond, I am excited to see that area of Richmond develop. The future retail opportunities will really liven up that portion of Richmond.

Furthermore, its proximity to the Lansdowne Canada Line station is convenient and will encourage future residents to transit. This may help potentially lessen traffic along No. 3 Road.

I hope the Council approves this project and I'm excited to see this completed.

Regards,
