Re: Bylaw 9062
Bylaw 9063

Dear Mayor and Council,

I strongly believe that there is a great need to further develop the Imperial Landing area of Steveston. As it currently stands, this area is an empty disconnect between Steveston Village and Britannia Heritage Shipyards. As a Richmond resident and as an event planner, I have seen the potential of this area as it has come alive for the Steveston Dragon Boat Festival and multiple other events that have been planned by the City.

A rezoning of this area is much needed to revitalize the area for both visitors and residents to enjoy, while adding additional amenities to the neighbourhood. This beautiful walkway along the Fraser River has the potential to be a great, vibrant area with the proper vision and development.

I believe that Onni is currently and will continue to be a strong partner in the Steveston community and I look forward to the revitalization of Imperial Landing.

Regards,

David Chinn
