Comments:	I would like to support the building of the coach house as a very positive way to allow extended families to live together. I am in full support to rezone the entire Burkeville area to ZS20 so the individual does not have to subject them self to individual bias as this Zoning has high community support over all. I fully support the Official Community Plan (OCP)-2041 and believe the results of the coach house Survey Findings of Burkeville At 95% in favor of Building Permit only and 89% approval of permitting Coach House should be all that is needed to allow the building of such units.
