Comments:	I do not disagree with the construction of a new Townhouse Zoning District, but I am concerned about my privacy. There will be an increase in amount of tenants, and I am afraid that my privacy will be invaded. So, I ask for Yamamoto Architecture Inc. to plant a hedge alone my fence, which lays parallel to the construction zone. I wish for the hedge to cover up the view to my house. If the constructor refuses to conciliate to my suggestion, I will have to reconsider my assent to the construction of this new Townhouse Zoning District. Please contact me by e-mail at joyceliu9146@hotmail.com. Thank you and I hope you will consider my suggestion.
