Comments:	RE: Zoning Amendment Bylaw 8304 (RZ 06-345524) Location - 7611 Bridge Street It had been a long and frustrating process to return to the approved road pattern of our OCP - Bylaw 7100 Schedule 2.10 D, the north/south road and the continuation of the ring road as close as possible to the original plan. This application is in line with the OCP; both on the roads issue and the new lot sizes. We are pleased to see this and are in agreement with the application. We thank the council and the planning department in ensuring all future applications adhere to the OCP. Ken & Sandy Jarmana of 7671 Bridge Street
