

Jan 29, 2008

To: Hon. Harold Steves, Chair Richmond City Council:

Dear Mr. Steves,

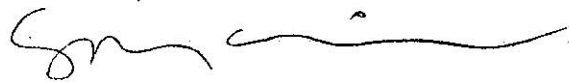

I am aware that Dr. Kent Mullinex will be presenting Kwantlen University College's vision for an Agricultural Research and Education center in Richmond, on Feb 5, 2008 at 4:00 PM.

On behalf of Kwantlen Students I request the opportunity for a group of students to speak at the meeting. We feel it is important that student voices be heard on this important issue.

We would like to request a brief 5-10 minute period in which to make a short presentation.

Thank you for your consideration.

Sincerely,

Shaine McMillan, Kwantlen Student, Dept. of Horticulture
