## Staff Report

### Origin

Fairchild Developments Ltd. has applied to the City of Richmond for an extension to an existing Temporary Use Permit (TUP) to allow a temporary surface parking lot at 8320 Cambie Road and 8431 Brownwood Road (Attachment 1). The parking lot functions as overflow parking on a temporary basis for the commercial centre located to the west of the subject site. On June 16, 2014, Council issued the original TUP (TU 14-653009) for a three-year term; expiring June 16, 2017.

There is no proposed change to the number of parking stalls permitted by the TUP.

### Findings of Fact

A Development Application Data Sheet providing details about the proposal is attached (Attachment 2).

### Surrounding Development

The subject site is located in a transitioning area within the Aberdeen Village sub-area of the City Centre. Land uses immediately surrounding the site is as follows:

- To the North: A new neighbourhood park, on a lot zoned “School & Institutional Use (SI)” and designated “Park” in the City Centre Area Plan and 2041 Official Community Plan. Construction of the park is under way by the City.
- To the East: Single family dwellings on lots zoned “Single Detached (RS1/E)” and designated “General Urban T4 (25m)” in the City Centre Area Plan and “Mixed Employment” in the Official Community Plan.
- To the South: Across Brownwood Road, single family dwellings on lots zoned “Single Detached (RS1/E)” and designated “General Urban T4 (25m)” in the City Centre Area Plan and “Mixed Employment” in the Official Community Plan.
- To the West: Across Hazelbridge Way, a commercial shopping centre known as Aberdeen Centre, on a lot zoned “Residential Mixed Use Commercial (ZMU9) – Aberdeen Village (City Centre),” designated “Urban Centre T5 (35 m)” in the City Centre Area Plan, and “Commercial” in the Official Community Plan.

### Related Policies & Studies

#### Official Community Plan/City Centre Area Plan – Aberdeen Village

The subject site is located in the Aberdeen Village area of the City Centre Area Plan and is designated “Mixed Employment”. The site is also designated as “General Urban T4 (25 m)” on the Aberdeen Village Specific Land Use Map; which provides for light industry, office, retail and services, restaurants, and educational uses.

The Official Community Plan (OCP) allows Temporary Use Permits (TUPs) in areas designated “Industrial”, “Mixed Employment”, “Commercial”, “Neighbourhood Shopping Centre”, “Mixed Use”, “Limited Mixed Use”, and “Agricultural” (outside of the Agricultural Land Reserve); where deemed appropriate by Council and subject to conditions suitable to the proposed use and surrounding area.

It is recognized by both the applicant and City staff that this area will ultimately be redeveloped according to the City Centre Area Plan in the future. Permitting a parking lot would allow for a productive use of the site until redevelopment occurs.

The proposed temporary use for a surface parking lot is consistent with the land use designations and applicable policies in the OCP.

### **Aircraft Noise Sensitive Development Policy**

The subject site is located within “Area 1A – Restricted Area” of the Aircraft Noise Sensitive Development Policy; where new Aircraft Noise Sensitive Land Uses are prohibited. The proposed temporary overflow parking is consistent with the Aircraft Noise Sensitive Development Policy, as no new Aircraft Noise Sensitive Land Uses are proposed at the site.

### **Floodplain Management Implementation Strategy**

In accordance with the City’s Flood Management Strategy, a flood indemnity covenant was registered on Title of the properties as a condition of the original TUP.

### **Local Government Act**

The *Local Government Act* identifies that TUPs are valid for a period of up to three years from the date of issuance. An application for an extension to the permit may be made and issued for up to three additional years. Following this one time extension, a new TUP application would be required.

### **Public Consultation**

Should the Planning Committee and Council endorse this application, the application will be forwarded to a Public Hearing; where any area resident or interested party will have an opportunity to comment. Public notification for the Public Hearing will be provided as per the *Local Government Act*.

### **Analysis**

The owner is proposing a TUP extension in order to maintain the existing surface parking lot containing 36 parking spaces (Attachment 3). Of these parking spaces, 17 are considered small parking spaces, 18 are considered regular parking spaces, and one is considered a handicapped parking space. Vehicle access is from Hazelbridge Way, approximately 60 m (197 ft.) to the south of the intersection at Hazelbridge Way and Cambie Road, via a driveway letdown that permits only a right-turn in and a right-turn out of the site. A median exists along Hazelbridge Way to prevent any left-turns in and out of the site. No changes to the existing parking arrangement, circulation, or site access are proposed.

The owner has indicated there is ongoing demand for trades and employee parking to facilitate tenant improvements at Aberdeen Square and Aberdeen Centre. The owner anticipates that tenant improvement activity will continue for the next few years. Maintaining additional parking spaces for a temporary time period would assist in alleviating this parking demand on the commercial centre properties.

### **Landscaping**

There is a landscaped strip between the parking area and the sidewalk on both the Cambie Road and Hazelbridge Way frontages, which includes 72 Laurel shrubs and four trees, as required by the previous TUP. The subject site is separated from adjacent single family dwellings to the east by an off-site Cedar hedge and on-site Laurel shrubs. Two additional trees were planted at the south end of the subject site as a condition of the original TUP.

The existing landscaping is to remain in place for the duration of the TUP. Further frontage and landscape improvements will be identified when the site is developed to its ultimate use in accordance with the City Centre Area Plan.

### **Staff Comments**

No servicing upgrades are required at this time, as the proposed use would be temporary. Servicing upgrades would be identified when the site is developed to its ultimate use in accordance with the City Centre Area Plan.

Staff have no objections to the proposal to maintain a surface parking lot on the subject site and recommend that an extension to the TUP be granted on the understanding that this Permit will expire in three years. No further extensions of this TUP are permitted.

### **Financial Impact**

None.

### **Conclusion**

It is recommended that a Temporary Use Permit be reissued to Fairchild Developments Ltd. as a renewal of TU 14-653009 to allow a temporary surface parking lot at 8320 Cambie Road and 8431 Brownwood Road for a period of three years.
