Survey Response

Your Name:	MA, Wen Jun
Your Address:	22551 Rathburn Dr.
Subject Property Address OR Bylaw Number:	22560, 22600, 22620 Gilley Rd. Bylaw Number 8750
Comments:	<p>against the traffic to Rathburn Dr. and Turner St. because: 1. The property is Gilley Rd. property, traffic sure should to Gilley, government should control the basic principle firmly. 2. it will create many trouble in the future regarding to find the subject address for firefighter, police, ambulance, visitor and all others, you can imagine what happen in the emergency. 3. this is high density property with more vehicle, it should have dirrect, unblocked design to main traffic, especially at emergency, this is city'duty to make this control. 4. the intersection of McLean to NW HWY is so busy in the peak that time we need line up long to wait everyday, because so big resident community only have one exit to outside, it is already a bottle neck, their traffic estimate report didn't reflect fact.</p>
