Report to Committee

To: Finance Committee **Date:** May 13, 2014
From: Andrew Nazareth **File:**
General Manager, Finance and Corporate
Services
Re: 2013 Annual Report and 2013 Annual Report - Highlights

Staff Recommendation

That the reports titled, "City of Richmond 2013 Annual Report" and the "2013 Annual Report – Highlights" be approved.

Andrew Nazareth
General Manager, Finance and Corporate Services Department
(4095)

Att.

REPORT CONCURRENCE	
CONCURRENCE OF GENERAL MANAGER 	
REVIEWED BY STAFF REPORT / AGENDA REVIEW SUBCOMMITTEE	INITIALS: 
APPROVED BY CAO/Deputy 	

Staff Report

Origin

Pursuant to Section 98 of the Community Charter, before June 30th, in each year, a Council must

- a) Prepare an annual report
- b) Make the report available for public inspection
- c) Make the report available for public inspection at a Council or other public meeting

Analysis

The City of Richmond's annual report formally presents the audited financial statements and other relevant financial, economic and demographic indicators to the public. In addition, the report highlights many of the City's significant achievements from 2013, in both delivery of basic civic services and in support of Council's Term Goals and objectives.

Staff have followed the award-winning format from past years in which two versions of the report are prepared. The first version is the comprehensive 2013 Annual Report, which meets all legislative requirements. This version will be publicly available through the City's website and printed only on an exception basis. The comprehensive version includes the City's audited consolidated financial statements; the City's corporate objectives and success indicators, as identified through Council's Term Goals and objectives; and a listing of permissive exemptions as required under the Community Charter for British Columbia's local governments. In addition to the statutorily required information, the comprehensive version provides information on City milestones from 2013, including awards and achievements, as well as relevant statistical data.

The second version is the popular financial report, or titled 2013 Annual Report – Highlights. It has been prepared to inform the general public about the City of Richmond, its services, highlights from 2013 and the City's financial condition. Copies of this simplified version will be mailed out and made available for the general public in hard copy at Richmond City Hall, Front of House and on the City's website.

This year, the Annual Report team will also be working with Information Technology to produce a more user-friendly and enhanced online version of the Annual Report. This further supports Council's Term Goal of better informing the public about the City's priorities, activities and achievements.

Financial Impact

None.

Conclusion

The City of Richmond 2013 Annual Report and the 2013 Annual Report – Highlights satisfy Community Charter requirements for financial reporting and provide important tools in ensuring public transparency and accountability for the management of City finances. The reports also provide useful information on the City’s achievements during the 2013 fiscal year.

Brown Gate Road

Government Finance Officers Association

Canadian Award for Financial Reporting

Presented to

**City of Richmond
British Columbia**

For its Annual
Financial Report
for the Year Ended

December 31, 2012

Executive Director/CEO

The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Canadian Award for Financial Reporting to the City of Richmond for its annual financial report for the fiscal year ended December 31, 2012. The Canadian Award for Financial Reporting program was established to encourage municipal governments throughout Canada to publish high quality financial reports and to provide peer recognition and technical guidance for officials preparing these reports.

In order to be awarded a Canadian Award for Financial Reporting, a government unit must publish an easily readable and efficiently organized annual financial report, whose contents conform to the program standards. Such reports should go beyond the minimum requirements of generally accepted accounting principles and demonstrate an effort to clearly communicate the municipal government's financial picture, enhance an understanding of financial reporting by municipal governments, and address user needs.

A Canadian Award for Financial Reporting is valid for a period of one year only. We believe our current report continues to conform to the Canadian Award for Financial Reporting program requirements, and we are submitting it to the GFOA.

Message from the Mayor

The City of Richmond enjoyed another year of positive growth in 2013. With our population now over 200,000 and billions of dollars of investment in new development and public infrastructure planned for our community in the coming decade, Council has placed a strong focus on planning and building for our future.

In November, Council approved a comprehensive \$124.1 million major capital program which will include much needed replacements for our major aquatic centre; a new, expanded older adult centre; completion of our new City Centre Community Centre and replacement of the City's No. 1 Fire Hall. These new facilities will replace aging and outdated buildings that no longer meet the growing and evolving needs of our community. All these new projects will be completed by 2017 and the

construction costs will not impact property taxes.

Council was also pleased to conclude an innovative agreement with the province that will see a new joint fire hall/ambulance facility built in North Richmond, the first combined facility of this type in a major urban centre in BC.

The City also launched the master planning process for the Garden City Lands, a 136.5-acre parcel of open space on the edge of the City Centre, which will be entirely for community use. It is an extraordinary opportunity for any community to develop a plan for such a large area in a central location with all of it destined to remain in the public realm. Thousands of our residents have already participated in the planning process and we look forward to the Garden City Lands becoming a treasured public resource in the years to come.

As our City grows, our community social needs are also becoming greater. In 2013, Council approved a 10-year Social Development Strategy, one of the first such comprehensive community plans in the province. This plan identifies civic social development priorities and actions for the next decade. We've already made great strides towards implementing this plan. In December, Council committed more than \$30 million to support two major affordable housing projects, which will result in more than 400 units of new affordable housing for seniors and low income/at risk residents.

As Council enters the final year of our current term in 2014, we will continue to work closely with staff, community groups and other partners to achieve our Council Term Goals, ensuring that Richmond residents and business will remain being well-served by the City today and in the future. I invite you to contact the Mayor's Office at any time to discuss or comment on any of the information contained in this Annual Report.

Message from the Chief Administrative Officer

I am delighted to present the City of Richmond's 2013 Annual Report, chronicling another year of innovation, progress and achievement and our continued strong financial position.

Our taxpayers enjoy the second lowest taxes among the largest cities in our region. Thanks to the City's Long Term Financial Management Strategy, which caps annual tax increases, the growth in our property taxes has also been the second lowest in the region over the past five years.

Our financial health has ensured that we have been able to maintain and build upon Richmond's reputation for outstanding quality of life and exceptional municipal services and amenities, while focusing on delivery of Council's Term Goals. Our prudent financial planning, which has reduced debt and built our reserves, allowed Council to achieve one of its major goals by approving a major \$124.1 million capital building program for critically-needed new facilities, without having property taxes impacted by the construction costs.

Sustainability, another key Council Term Goal, has become a major focus for our organization. A highlight of our sustainability initiatives is our innovative district energy program. 2013 marked the first year of operation for the City's first district energy utility. By year's end, the Alexandra District Energy Utility (ADEU) was supplying heating and cooling to more than 600 new homes. When fully operational, the ADEU is projected to reduce greenhouse gas emissions by 6,000 tonnes annually. The City received both provincial and national awards in 2013 for the ADEU for its innovative solutions and commitment to sustainability. Richmond is aggressively pursuing other district energy projects and has formed a new municipal corporation to act as the operating entity for an anticipated expanding array of utility projects.

The City's other municipal corporation, the Richmond Olympic Oval Corporation, also continues to be hugely successful. The Oval Corporation again reported a profit for its latest fiscal year. This return on investment virtually offsets the City's operating contribution to the corporation, ensuring the long-term viability and success of this tremendous community asset. In addition, the Richmond Olympic Oval has continued to exceed all of its operational targets attracting more than 700,000 visits annually for its diverse array of programs, amenities and events.

Our organization remains committed to continuous improvement. While we are proud of the achievements highlighted in the Annual Report for 2013, they will now become a benchmark as we continue to work toward our vision for Richmond to be the most appealing, livable and well-managed community in Canada.

George Duncan
Chief Administrative Officer

Alexandra District Energy Utility

2013 Awards

The awards and recognition received by the City form an important part of our annual benchmarking of our achievements. In 2013, the City again received a number of awards for innovation and excellence.

- Richmond's success in creating a positive economic development climate was recognized for the second consecutive year by fDi (Foreign Direct Investment) magazine. Among over 400 North American cities rated, Richmond was ranked as a Top 10 Small City of the Future (third), as well as a Top 10 Small City in the Business Friendliness and Foreign Direct Investment Strategy categories.
- The City's development of the Alexandra District Energy Utility won two awards for innovation in both engineering and public works. Canadian Consulting Engineer magazine and the Association of Consulting Engineering Companies–Canada bestowed the ADEU with the Award of Excellence. This award

is the most prestigious recognition in Canadian engineering and is given to projects that exhibit a high quality of engineering, imagination and innovation. The ADEU was also named Project of the Year by the Public Works Association of BC. This award is given to a municipality that constructs a major and complex public works or utilities project that meets specific criteria including innovative design with project benefits for the community and the environment.

- Richmond again won awards from the Government Financial Officers Association of North America for our 2012 Annual Report, marking a decade of excellence in financial reporting. Richmond received the Canadian Award for Financial Reporting for the eleventh consecutive year. The City also received the Association's Award for Outstanding Achievement in Popular Annual Financial Reporting for the fourth year in a row.

Council Term Goals and Objectives: 2011 to 2014

The Community Charter requires that all BC municipalities include a statement in the Annual Report of their objectives for the current and future years, along with measures to track success towards these objectives.

The City of Richmond's objectives and success indicators are expressed through the Council Term Goals for 2011–2014. At the beginning of each new term of Council, a term goal setting process is undertaken to help Council fulfil its governance role and achieve a successful term of office. This process is an integral part of City operations, helping to ensure the effective use of public resources by providing clear direction and guidance for City work programs. These goals are set based on an extensive review of issues, opportunities and trends affecting City business, and provide a sound framework for evaluating and monitoring the organization's progress towards achieving its vision "to be the most appealing, livable and well-managed community in Canada."

1. Community Safety

To ensure Richmond remains a safe and desirable community to live, work and play in, through the delivery of effective public safety services that are targeted to the City's specific needs and priorities.

2013 Achievement

The City and BC Emergency Health Services reached agreement to build a joint fire hall/ ambulance station in North Richmond. To open in 2016, it will be the first combined facility of this type in a major BC urban centre.

2. Community Social Services

To develop and implement an updated social services strategy that clearly articulates and communicates the City's roles, priorities and limitations with respect to social services issues and needs.

2013 Achievement

Council approved a 10-year Social Development Strategy. One of the first of its kind in BC, this comprehensive strategy identifies civic social development priorities and actions for the next decade.

2013 Achievement

The City guaranteed more than \$30 million in land and funding to support two major new affordable housing projects. Together, these projects will see the creation of more than 400 new units for seniors and low income/at-risk residents.

3. Economic Development

To enhance the City's economic well-being and financial sustainability through the development and implementation of strategies and initiatives that lead to long-term business retention, expansion and attraction by clearly defining the businesses and industries we want to attract and retain; placing a stronger focus on tourism and Asia Pacific Gateway business development opportunities; and incorporating a broad business community engagement model.

2013 Achievement

The City's Sport Hosting Program helped secure more than 30 sports events for Richmond in 2013. These events generated more than 23,000 hotel room nights for Richmond plus millions of dollars in economic spinoffs.

4. Facility Development

To ensure that quality public facilities and amenities in Richmond keep pace with the rate of growth, the City is implementing an updated comprehensive Facility Development Plan. This plan includes an analysis of existing facilities, the identification of required new facilities and the recommended timing, financial strategies and public process for implementing the plan.

2013 Achievement

Council approved a new \$124.1 million major facilities building program. The program will include construction of new aquatic and older adult centres and a new No. 1 Fire Hall to replace the aging and outdated facilities; and completion of the new City Centre Community Centre.

2013 Achievement

The new Tram Barn was opened at Steveston Park. The facility houses the historic Interurban Tram and has become a popular attraction for residents and visitors.

5. Financial Management

To develop and implement effective and innovative financial policies and strategies that help the City to successfully manage the challenges of tough economic times, while taking advantage of financial opportunities, and balance current and long-term financial needs.

2013 Achievement

The City retired \$18.6 million of debt, initially incurred in the early 1990s to fund construction of the No. 2 Road Bridge and sewer works.

6. Intergovernmental Relations

To strengthen relationships with other levels of government and government agencies to ensure City needs and priorities are well represented, understood and proactively advanced.

2013 Achievement

A dredging program was completed in the Steveston Channel, improving movement of fishing industry and other marine traffic through Richmond's key small crafts harbour. This was accomplished through an innovative \$10 million partnership between the City, Port Metro Vancouver and senior governments.

7. Managing Growth and Development

To ensure effective growth management for the City, including the adequate provision of facility, service and amenity requirements associated with growth.

2013 Achievement

An extensive master planning process for the Garden City Lands was launched. This plan will determine the future community use for this valuable 136.5-acre parcel on the edge of Richmond's City Centre.

8. Sustainability

To demonstrate leadership in sustainability through continued implementation of the City's Sustainability Framework.

2013 Achievement

The City's new Alexandra District Energy Utility (ADEU) successfully completed its first full year of operation. Working with the private sector, over 600 units are now connected to the system, leading to the reduction of greenhouse gas emissions by more than 330 tonnes to date.

2013 Achievement

Richmond introduced new Green Cart and Large Item Pickup Programs for single-family homes and 11,000 townhomes. This improved convenience for residents resulted in an increase in organics recycling by more than 4,000 tonnes in 2013.

9. Arts and Culture

To continue to support the development of a thriving, resilient and diverse cultural sector and related initiatives in creating a vibrant healthy and sustainable City.

2013 Achievement

The tenth annual Richmond Maritime Festival attracted 40,000 visitors to the Britannia Heritage Shipyards National Historic Site. During the Festival, a new Guinness World Record was set when 180 participants sang in sequence the nursery rhyme *Row, Row, Row Your Boat*.

10. Community Wellness

To continue to collaborate with community organizations and agencies to optimize resources in the implementation of the City's adopted Wellness Strategy.

2013 Achievement

The Richmond Olympic Oval marked its fifth anniversary in 2013. A major asset in promoting community wellness through active lifestyles, the Oval hosted more than 700,000 visits in 2013 and recorded 23,000 sport and fitness program registrations.

11. Municipal Infrastructure Improvement

To continue to invest in the City's infrastructure networks and systems in a manner that meets community needs and responds to the issues of aging components of the system, growth related capacity issues and the requirements due to changing climate and environmental impacts.

2013 Achievement

Phase 1 of a new Dike Master Plan, which includes Steveston and the West Dike, was endorsed in 2013. Implementation of this innovative long-term plan will ensure Richmond remains safe from flooding and addresses the long-term impacts of rising sea levels.

12. Waterfront Enhancement

To place greater emphasis on protecting and enhancing the City's waterfront while successfully integrating a balance between urban development, public access and events, and a healthy river environment.

2013 Achievement

The newly-restored Seine Net Loft at Britannia Heritage Shipyards National Historic Site was officially opened in 2013. The new facility provides a historic and versatile new amenity space for programs and events in a beautiful waterfront setting.

13. A Well-Informed Public

To ensure a well-informed public regarding Council priorities, activities and achievements.

2013 Achievement

City Council extended funding of the popular Let's Talk Richmond online discussion tool. This forum has allowed thousands of residents to conveniently participate in various public consultations on subjects ranging from the Official Community Plan to plans for the Garden City Lands.

Additional information on the success indicators in support of these objectives can be found at:

<http://www.richmond.ca/cityhall/council/about/goals.htm>

Report from the General Manager, Finance and Corporate Services

I am pleased to submit the City of Richmond's consolidated financial statements for the year ended December 31, 2013 pursuant to Section 167 of the Community Charter. The financial statements reflect a consolidation of the financial position and operating results for the City of Richmond, Lulu Island Energy Company, Richmond Olympic Oval Corporation and the Richmond Public Library. The Lulu Island Energy Company was incorporated on August 19, 2013 and is a municipal corporation wholly-owned by the City of Richmond. The primary business of the new corporation is to manage and operate district energy utilities.

The external auditors, KPMG LLP, conducted an independent examination and have expressed their opinion that the consolidated financial statements present fairly, in all material respects, the consolidated financial position of the City of Richmond as at December 31, 2013 in accordance with Canadian public sector accounting standards.

The City continued to strengthen its financial condition and position in 2013; the City's net worth reached \$2.4B (2012: \$2.3B) and cash and investments increased to \$754.4M (2012: \$640.6M). Net financial assets increased to \$549.0M (2012: \$469.2M), while net debt outstanding was reduced to \$1.1M (2012: \$3.5M). Statutory reserves increased to \$353.8M (2012: \$295.0M). The City's 2013 operating revenues were \$454.0M (2012: \$400.3M) and operating expenses were \$327.8M (2012: \$317.4M).

In addition to prudently managing the City's finances, we are continuing to create a positive business climate in Richmond. The City's new business development program, including a dedicated business portal—www.businessinrichmond.ca—and a business outreach initiative, was launched to provide business with easy access to information, resources and City services. To provide flexibility to local business, Richmond participated in an innovative pilot program to streamline business licence requirements for mobile businesses which operate in multiple municipalities within the region. Increased economic activity in 2013 saw construction value of building permits exceeding \$679M, the second highest on record while business licences increased to 13,371, all indicators of a thriving local economy.

Richmond's success in creating a positive economic environment was again recognized by fDi (Foreign Direct Investment) Magazine in 2013. Among over 400 North American cities rated, Richmond was ranked as a Top 10 Small City of the Future (3rd), as well as a Top 10 Small City in the Business Friendliness and Foreign Direct Investment Strategy categories.

Richmond's economy continues to thrive and the City's solid financial condition ensures that City Council is well positioned to address both current and emerging community needs.

INDEPENDENT AUDITORS' REPORT

To the Mayor and Council

We have audited the accompanying consolidated financial statements of the City of Richmond, which comprise the consolidated statement of financial position as at December 31, 2013 and the consolidated statements of operations, changes in net financial assets and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements present fairly, in all material respects, the consolidated financial position of the City of Richmond as at December 31, 2013, and its consolidated results of operations, its changes in net consolidated financial assets and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

CITY OF RICHMONDConsolidated Statement of Cash Flows
(Expressed in thousands of dollars)

Year ended December 31, 2013, with comparative information for 2012

	2013	2012
Cash provided by (used in):		
Operations:		
Annual surplus	\$ 126,244	\$ 82,874
Items not involving cash:		
Amortization	50,334	49,566
Gain on disposal of tangible capital assets - land	(4,024)	(5,405)
Loss (gain) on disposal of tangible capital assets	434	(423)
Contributions of tangible capital assets	(50,887)	(12,784)
Change in non-cash operating working capital:		
Increase in accrued interest receivable	(102)	(412)
Decrease (increase) in accounts receivable	3,057	(587)
Increase in taxes receivable	(349)	(2,179)
(Increase) decrease in development fees receivable	(8,482)	3,903
Decrease in debt reserve fund	186	-
Decrease (increase) in prepaid expenses	360	(107)
Increase in inventory of materials and supplies	(87)	(342)
Increase (decrease) in accounts payable and accrued liabilities	7,821	(2,373)
Increase in deposits and holdbacks	11,172	3,916
(Decrease) increase in deferred revenue	(1,437)	2,506
Increase in development cost charges	24,665	10,168
Net change in cash from operating activities	158,905	128,321
Capital activities:		
Cash used to acquire tangible capital assets	(47,447)	(66,323)
Proceeds on disposal of tangible capital assets	4,911	6,434
Net change in cash from capital activities	(42,536)	(59,889)
Financing activities:		
Principal payments on debt	(2,432)	(2,320)
Principal payments on obligations under capital leases	(48)	(447)
Net change in cash from financing activities	(2,480)	(2,767)
Investing activities:		
Change in investments	(125,153)	(27,799)
Net change in cash and cash equivalents	(11,264)	37,866
Cash and cash equivalents, beginning of year	49,632	11,766
Cash and cash equivalents, end of year	\$ 38,368	\$ 49,632
Supplementary Information:		
Non-cash transactions:		
Tangible capital assets financed by capital leases	\$ -	\$ 54

See accompanying notes to consolidated financial statements.

CITY OF RICHMOND

Notes to Consolidated Financial Statements (continued)
(Tabular amounts expressed in thousands of dollars)

Year ended December 31, 2013

1. Operations:

The City of Richmond (the "City") is incorporated under the Local Government Act of British Columbia. The City's principal activities include the provision of local government services to residents of the incorporated area. These include administrative, protective, transportation, environmental, recreational, water, and sewer.

2. Significant accounting policies:

The consolidated financial statements of the City are the representation of management prepared in accordance with Canadian Public Sector Accounting Board as prescribed by the Public Sector Accounting Board ("PSAB") of the Canadian Institute of Chartered Accountants.

(a) Basis of consolidation:

The consolidated financial statements reflect a combination of the City's General Revenue, General Capital and Loan, Waterworks and Sewerworks, and Reserve Funds consolidated with the Richmond Public Library (the "Library"), the Richmond Olympic Oval and the Lulu Island Energy Company Ltd. (LIEC). The Library is consolidated as the Library Board is appointed by the City. The Richmond Olympic Oval and LIEC are consolidated as they are wholly owned municipal corporations of the City and operate as other government organizations. Interfund transactions, fund balances and activities have been eliminated on consolidation.

(i) General Revenue Fund:

This fund is used to account for the current operations of the City as provided for in the Annual Budget, including collection of taxes, administering operations, policing, and servicing general debt.

(ii) General Capital and Loan Fund:

This fund is used to record the City's tangible capital assets and work-in-progress, including engineering structures such as roads and bridges, and the related long-term debt.

(iii) Waterworks and Sewerworks Funds:

These funds have been established to cover the costs of operating these utilities, with related capital and loan funds to record the related capital assets and long-term debt.

(iv) Reserve Funds:

Certain funds are established by bylaws for specific purposes. They are funded primarily by budgeted contributions from the General Revenue Fund plus interest earned on fund balances.

CITY OF RICHMOND

Notes to Consolidated Financial Statements (continued)
(Tabular amounts expressed in thousands of dollars)

Year ended December 31, 2013

2. Significant accounting policies (continued):

(b) Basis of accounting:

The City follows the accrual method of accounting for revenues and expenses. Revenues are recognized in the year in which they are earned and measurable. Expenses are recognized as they are incurred and measurable as a result of receipt of goods and services and/or the creation of a legal obligation to pay.

(c) Government transfers:

Restricted transfers from governments are deferred and recognized as revenue as the related expenditures are incurred or the stipulations in the related agreement are met. Unrestricted transfers are recognized as revenue when received or if the amount to be received can be reasonably estimated and collection is reasonably assured.

(d) Cash and cash equivalents:

Cash and cash equivalents consist of cash, highly liquid money market investments and short-term investments with maturities of less than 90 days from date of acquisition.

(e) Investments:

Investments are recorded at cost, adjusted for amortization of premiums or discounts. Provisions for losses are recorded when they are considered to be other than temporary. At various times during the term of each individual investment, market value may be less than cost. Such declines in value are considered temporary for investments with known maturity dates as they generally reverse as the investments mature and therefore an adjustment to market value for these market declines is not recorded.

(f) Accounts receivable:

Accounts receivable are net of an allowance for doubtful accounts and therefore represent amounts expected to be collected.

(g) Development cost charges:

Development cost charges are restricted by legislation to expenditures on capital infrastructure. These amounts are deferred upon receipt and recognized as revenue when the expenditures are incurred in accordance with the restrictions.

(h) Post-employment benefits:

The City and its employees make contributions to the Municipal Pension Plan. As this plan is a multi-employee plan, contributions are expensed as incurred.

Post-employment benefits also accrue to the City's employees. The liabilities related to these benefits are actuarially determined based on service and best estimates of retirement ages and expected future salary and wage increases. The liabilities under these benefits plans are accrued based on projected benefits prorated as employees render services necessary to earn the future benefits.

CITY OF RICHMOND

Notes to Consolidated Financial Statements (continued)
(Tabular amounts expressed in thousands of dollars)

Year ended December 31, 2013

2. Significant accounting policies (continued):

(i) Non-financial assets:

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.

(i) Tangible capital assets:

Tangible capital assets are recorded at cost, which include amounts that are directly attributable to acquisition, construction, development, or betterment of the assets. The cost, less the residual value of the tangible capital assets, excluding land, is amortized on a straight-line basis over their estimated useful lives as follows:

Asset	Useful life - years
Buildings and building improvements	10 - 75
Infrastructure	5 - 100
Vehicles, machinery and equipment	3 - 40
Library's collections, furniture and equipment	4 - 20

Amortization is charged over the asset's useful life commencing when the asset is acquired. Assets under construction are not amortized until the asset is available for productive use.

(ii) Contributions of tangible capital assets:

Tangible capital assets received as contributions are recorded at their fair value at the date of receipt and also are recorded as revenue.

(iii) Natural resources:

Natural resources that have been purchased are not recognized as assets in the consolidated financial statements.

(iv) Works of art and cultural and historic assets:

Works of art and cultural and historic assets are not recorded as assets in these consolidated financial statements.

(v) Interest capitalization:

The City does not capitalize interest costs associated with the construction of a tangible capital asset.

(vi) Labour capitalization:

Internal labour directly attributable to the construction, development or implementation of a tangible capital asset is capitalized.

CITY OF RICHMOND

Notes to Consolidated Financial Statements (continued)
(Tabular amounts expressed in thousands of dollars)

Year ended December 31, 2013

2. Significant accounting policies (continued):

(i) Non-financial assets (continued):

(vii) Leased tangible capital assets:

Leases, which transfer substantially all of the benefits and risks incidental to ownership of property, are accounted for as leased tangible capital assets. All other leases are accounted for as operating leases and the related payments are charged to expenses as incurred.

(viii) Impairment of tangible capital assets:

Tangible capital assets are written down when conditions indicate that they no longer contribute to the Company's ability to provide goods and services, or when the value of future economic benefits associated with the tangible capital assets are less than their net book value. The net write-downs are accounted for as expenses in the consolidated statement of operations.

(ix) Inventory of materials and supplies:

Inventory is recorded at cost, net of an allowance for obsolete stock. Cost is determined on a weighted average basis.

(j) Deferred revenue:

The City defers a portion of the revenue collected from permits, licenses and other fees and recognizes this revenue in the year in which related inspections are performed or other related expenditures are incurred.

(k) Deposits:

Receipts restricted by the legislation of senior governments or by agreement with external parties are deferred and reported as deposits and are refundable under certain circumstances. When qualifying expenditures are incurred, deposits are recognized as revenue at amounts equal to the qualifying expenditures.

(l) Debt:

Debt is recorded net of related sinking fund balances.

(m) Budget information:

Budget information, presented on a basis consistent with that used for actual results, was included in the City of Richmond's Five Year Financial Plan and was originally adopted through Bylaw No. 8990 on February 25, 2013.

CITY OF RICHMOND

Notes to Consolidated Financial Statements (continued)
(Tabular amounts expressed in thousands of dollars)

Year ended December 31, 2013

2. Significant accounting policies (continued):

(n) Use of accounting estimates:

The preparation of the consolidated financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amount of revenue and expenses during the reporting period. Significant areas requiring the use of management estimates relate to the value of contributed tangible capital assets, value of developer contributions, useful lives for amortization, determination of provisions for accrued liabilities, performing actuarial valuation of employee future benefits, allowance for doubtful accounts, and provision for contingencies. Actual results could differ from those estimates. Adjustments, if any, will be reflected in the consolidated financial statements in the period that the change in estimate is made, as well as in the period of settlement if the amount is different.

(o) Segment disclosures:

A segment is defined as a distinguishable activity of group of activities of a government for which it is appropriate to separately report financial information to achieve the objectives of the standard. The City of Richmond has provided definitions of segments used by the City as well as presented financial information in segment format (note 21).

3. Investments:

	2013		2012	
	Cost	Market value	Cost	Market value
Short-term notes and deposits	\$ 205,162	\$ 205,186	\$ 61,835	\$ 62,206
Government and government guaranteed bonds	442,963	444,447	466,984	468,382
Municipal Finance Authority Pooled Investment	22,033	22,033	21,691	21,692

(Tabular amounts expressed in thousands of dollars)

Year ended December 31, 2013

4. Accounts receivable:

	2013	2012
Water and sewer utilities	\$ 8,949	\$ 8,130
Casino revenues	4,292	3,580
Capital grant	1,350	3,054
Other trade receivables	5,034	7,918
	<u>\$ 19,625</u>	<u>\$ 22,682</u>

5. Debt reserve fund deposits and contingent demand notes:

The City issues its debt instruments through the Municipal Finance Authority (the "MFA"). As a condition of these borrowings, a portion of the debenture proceeds is withheld by the MFA in a Debt Reserve Fund. The City also executes demand notes in connection with each debenture whereby the City may be required to loan certain amounts to the MFA. These demand notes are contingent in nature and are not reflected in the City's accounts. The details of the cash deposits and contingent demand notes at December 31, 2013 are as follows:

	Cash deposits	Contingent demand notes
General Revenue Fund	\$ 200	\$ 868

6. Accounts payable and accrued liabilities:

	2013	2012
Trade and other liabilities	\$ 53,104	\$ 46,911
Post-employment benefits (note 15)	30,042	28,414

	\$ 40,669	\$ 24,128	\$ 12,956	\$ 51,841

8. Deferred revenue:

Deferred revenue represents revenues that are collected but not earned as of December 31, 2013. These revenues will be recognized in future periods as they are earned. Deferred revenue also represents funds received from external parties for specified purposes. These revenues are recognized in the period in which the related expenses are incurred.

	Balance December 31, 2012	External restricted inflows	Revenue earned	Balance December 31, 2013
Taxes and utilities	\$ 18,026	\$ -	\$ 1,183	\$ 16,843

CITY OF RICHMOND

Notes to Consolidated Financial Statements (continued)
(Tabular amounts expressed in thousands of dollars)

Year ended December 31, 2013

10. Obligations under capital leases:

The City has entered into capital lease agreements to finance certain equipment at an estimated cost of borrowing of 2% per year.

Future minimum lease payments, relating to obligations under capital leases expiring on various dates, are as follows:

Year ending December 31:	
2014	\$ 31
2015	22
2016	6
Total future minimum lease payments	59
Less amount representing interest	(1)
Present value of capital lease payments	\$ 58

11. Debt:

The rates of interest on the principal amount of the MFA debentures vary between 3.15% and 8.50% per annum. The average rate of interest for the year ended December 31, 2013 approximates 4.82%.

The City obtains debt instruments through the MFA pursuant to security issuing bylaws under authority of the Community Charter to finance certain capital expenditures.

Gross amount for the debt, less principal payments and actuarial adjustments to date, are as follows:

	Gross amount Borrowed	Repayments and actuarial adjustments	Net debt 2013	Net debt 2012
General Fund	\$ 37,600	\$ 36,544	\$ 1,056	\$ 3,412
Sewerworks Fund	1,000	1,000	-	76
	\$ 38,600	\$ 37,544	\$ 1,056	\$ 3,488

Repayments on net outstanding debenture debt over the next year are as follows:

	General	Sewerworks	Total
2014	\$ 1,056	\$ -	\$ 1,056

CITY OF RICHMOND

Notes to Consolidated Financial Statements (continued)
(Tabular amounts expressed in thousands of dollars)

Year ended December 31, 2013

12. Tangible capital assets (continued):

	Net book value December 31, 2013	Net book value December 31, 2012
Land	\$ 671,922	\$ 633,580
Buildings and building improvements	237,545	244,818
Infrastructure	887,272	881,594
Vehicles, machinery and equipment	35,470	33,045
Library's collection, furniture and equipment	4,835	4,092
Assets under construction	40,254	33,490
Balance, end of year	\$ 1,877,298	\$ 1,830,619

(a) Assets under construction:

Assets under construction, having a value of approximately \$40,254,000 (2012 - \$33,490,000), have not been amortized. Amortization of these assets will commence when the asset is put into service.

(b) Contributed tangible capital assets:

Contributed tangible capital assets have been recognized at fair market value at the date of contribution. The value of contributed assets received during the year is approximately \$50,887,000 (2012 - \$12,784,000), comprised of infrastructure in the amount of approximately \$10,934,000 (2012 - \$9,838,000), land in the amount of approximately \$38,982,000 (2012 - \$2,946,000), and Library books in the amount of approximately \$971,000 (2012 - nil).

(c) Tangible capital assets disclosed at nominal values:

Where an estimate of fair value could not be made, the tangible capital assets were recognized at a nominal value.

(d) Works of Art and Historical Treasures:

The City manages and controls various works of art and non-operational historical cultural assets, including building, artifacts, paintings, and sculptures located at City sites and public display areas. The assets are not recorded as tangible capital assets and are not amortized.

(e) Writedown of tangible capital assets:

There were no writedowns of tangible capital assets during the year (2012 - nil).

CITY OF RICHMOND

Notes to Consolidated Financial Statements (continued)

Waterfront improvement	112	(8)	104
Watermain replacement	41,680	801	42,481
Oval	4,100	632	4,732
	\$ 295,001	\$ 58,804	\$ 353,805

CITY OF RICHMOND

Notes to Consolidated Financial Statements (continued)
(Tabular amounts expressed in thousands of dollars)

Year ended December 31, 2013

15. Post-employment benefits:

The City provides certain post-employment benefits, non-vested sick leave, compensated absences, and termination benefits to its employees.

	2013	2012
Balance, beginning of year	\$ 28,414	\$ 26,890
Current service cost	2,212	2,095
Interest cost	1,038	1,021
Amortization of actuarial loss	389	460
Benefits paid	(2,011)	(2,052)
Balance, end of year	\$ 30,042	\$ 28,414

An actuarial valuation for these benefits was performed to determine the City's accrued benefit obligation as at December 31, 2013. The difference between the actuarially determined accrued benefit obligation of approximately \$31,135,000 and the liability of approximately \$30,042,000 as at December 31, 2013 is an unamortized net actuarial loss of \$1,093,000. This actuarial loss is being amortized over a period equal to the employees' average remaining service lifetime of 10 years.

	2013	2012
Actuarial benefit obligation:		
Liability, end of year	\$ 30,042	\$ 28,414
Unamortized actuarial loss	1,093	412
Balance, end of year	\$ 31,135	\$ 28,826

Actuarial assumptions used to determine the City's accrued benefit obligation are as follows:

	2013	2012
Discount rate	3.50%	3.50%
Expected future inflation rate	2.00%	2.50%
Expected wage and salary range increases	2.50%	3.50%

CITY OF RICHMOND

Notes to Consolidated Financial Statements (continued)
(Tabular amounts expressed in thousands of dollars)

Year ended December 31, 2013

16. Pension plan:

The City and its employees contribute to the Municipal Pension Plan (the "Plan"), a jointly trustee pension plan. The board of trustees, representing plan members and employers, is responsible for overseeing the management of the Plan, including the investment of the assets and administration of benefits. The Plan is a multi-employer contributory pension plan. Basic pension benefits provided are based on a formula. The Plan has about 179,000 active members and approximately 71,000 retired members. Active members include approximately 1,500 contributors from the City.

The most recent actuarial valuation as at December 31, 2012 indicated a \$1,370 million funding deficit for basic pension benefits. The next valuation will be as at December 31, 2015 with results available in 2016. Employers participating in the Plan record their pension expense as the amount of employer contributions made during the year (defined contribution pension plan accounting). This is because Plan records accrued liabilities and accrued assets for the Plan in aggregate with the result that there is no consistent and reliable basis for allocating the obligation, assets and cost to individual employers participating in the Plan.

The City paid \$10,311,445 (2012 - \$9,970,567) for employer contributions to the Plan in fiscal 2013. Employees paid \$8,677,397 (2012 - \$8,324,541) for employee contributions to the Plan in fiscal 2013.

17. Commitments and contingencies:

(a) Joint and several liabilities:

The City has a contingent liability with respect to debentures of the Greater Vancouver Water District, Greater Vancouver Sewerage and Drainage District and Greater Vancouver Regional District, to the extent provided for in their respective Enabling Acts, Acts of Incorporation and Amending Acts. Management does not consider payment under this contingency to be likely and therefore, no amounts have been accrued.

(b) Lease payments:

In addition to the obligations under capital leases, at December 31, 2013, the City was committed to operating lease payments for premises and equipment in the following approximate amounts:

2014	\$ 4,525
2015	4,472
2016	4,141
2017	4,032

CITY OF RICHMOND

Notes to Consolidated Financial Statements (continued)
(Tabular amounts expressed in thousands of dollars)

Year ended December 31, 2013

17. Commitments and contingencies (continued):

(c) Litigation:

As at December 31, 2013, there were a number of claims or risk exposures in various stages of resolution. The City has made no specific provision for those where the outcome is presently not determinable.

(d) Municipal Insurance Association of British Columbia:

The City is a participant in the Municipal Insurance Association of British Columbia (the "Association"). Should the Association pay out claims in excess of premiums received, it is possible that the City, along with other participants, would be required to contribute towards the deficit. Management does not consider external payment under this contingency to be likely and therefore, no amounts have been accrued.

(e) Contractual obligation:

The City has entered into various contracts for services and construction with periods ranging beyond one year. These commitments are in accordance with budgets passed by Council.

(f) E-Comm Emergency Communications for Southwest British Columbia ("E-Comm"):

The City is a shareholder of the Emergency Communications for Southwest British Columbia Incorporated (E-Comm) whose services provided include: regional 9-1-1 call centre for the Greater Vancouver Regional District; Wide Area Radio network; dispatch operations; and records management. The City has 2 Class A shares and 1 Class B share (of a total of 28 Class A and 23 Class B shares issued and outstanding as at December 31, 2013). As a Class A shareholder, the City shares in both funding the future operations and capital obligations of E-Comm (in accordance with a cost sharing formula), including any lease obligations committed to by E-Comm up to the shareholder's withdrawal date.

(g) Community Associations:

The City has a close relationship with the various community associations which operate the community centers throughout the City. While they are separate legal entities, the City does generally provide the buildings and grounds for the use of the community associations as well as pay the operating costs of the facilities. Typically the community associations are responsible for providing programming and services to the community. The community associations retain all revenue which they receive. The City provides the core staff for the facilities as well as certain additional services such as information technology services.

CITY OF RICHMOND

Notes to Consolidated Financial Statements (continued)

(Tabular amounts expressed in thousands of dollars)

Year ended December 31, 2013

17. Commitments and contingencies (continued):

(h) Contingent liabilities:

The City has a contract with the federal government whereby the federal government provides Royal Canadian Mounted Police (RCMP) policing services. RCMP members and the federal government are currently in legal proceedings regarding pay raises for 2009 and 2010 that were retracted for RCMP members. As the final outcome of the legal action and the potential financial impact to the City is not determinable, the City has not recorded any provision for this matter in the consolidated financial statements as at December 31, 2013.

(i) Municipal Financing Authority:

City Council adopted Loan Authorization Bylaw No. 9075 on November 25, 2013 for the City to borrow up to \$50,815,000 for a maximum term of 30 years. Subsequent to year-end, the City obtained statutory approval from the Ministry of Community, Sport and Cultural Development of British Columbia and obtained consent from Metro Vancouver to proceed with the long-term borrowing from the Municipal Financing Authority for a term of 10 years. The Municipal Finance Authority issued the long-term debt to the City at a rate of 3.30%.

18. Trust funds:

Certain assets have been conveyed or assigned to the City to be administered as directed by agreement or statute. The City holds the assets for the benefit of and stands in fiduciary relationship to the beneficiary. The following trust fund is excluded from the City's consolidated financial statements.

	2013	2012
Richmond Community Associations	\$ 1,107	\$ 1,091

19. Collections for other governments:

The City is obligated to collect certain taxation revenue on behalf of other government bodies. These funds are excluded from the City's consolidated financial statements since they are not revenue of the City. Such taxes collected and remitted to the government bodies during the year are as follows:

	2013	2012
Province of British Columbia - Schools	\$ 133,660	\$ 128,610
Greater Vancouver Regional District and others	39,918	39,498
	\$ 173,578	\$ 168,108

Sponsorship	188	200
Donation	1,022	53
Other	2,896	4,245
	\$ 23,096	\$ 23,186

21. Segmented reporting:

The City of Richmond provides a wide variety of services to its residents. For segment disclosure, these services are grouped and reported under service areas/departments that are responsible for providing such services. They are as follows:

Law and Community Safety brings together the City's public safety providers such as Police (RCMP), Fire-Rescue, Emergency Programs, and Community Bylaws, along with sections responsible for legal and regulatory matters. It is responsible for ensuring safe communities by providing protection services with a focus on law enforcement, crime prevention, emergency response, protection of life and properties, and legal services.

Utilities provide such services as planning, designing, constructing, operating, and maintaining the City's infrastructure of water and sewer networks and sanitation and recycling.

Engineering, Public Works and Project Development comprises of General Public Works, Roads and Construction, Storm Drainage, Fleet Operations, Engineering, Project Development, and Facility Management. The services provided are construction and maintenance of the City's infrastructure and all City owned buildings, maintenance of the City's road networks, managing and operating a mixed fleet of vehicles, heavy equipment and an assortment of specialized work units for the City operations, development of current and long-range engineering planning and construction of major projects.

Community Services comprises of Parks, Recreation, Arts, Culture and Heritage Services and Community Social Development. These departments ensure recreation opportunities in Richmond by maintaining a variety of facilities such as arenas, community centres, pools, etc. It designs, constructs and maintains parks and sports fields to ensure there is adequate open green space and sports fields available for Richmond residents. It also addresses the arts, culture, and community issues that the City encounters.

(Tabular amounts expressed in thousands of dollars)

Year ended December 31, 2013

21. Segmented reporting (continued):

General Government comprises of Mayor and Council, Corporate Administration, and Finance and Corporate Services. It is responsible for adopting bylaws, effectively administering City operations, levying taxes, providing sound management of human resources, information technology, economic development, and City finance, and ensuring high quality services to Richmond residents.

Planning and Development is responsible for land use plans, developing bylaws and policies for sustainable development in the City, including the City's transportation systems.

Richmond Olympic Oval is formed as a wholly-owned subsidiary of the City. The City uses the Richmond Olympic Oval facility as a venue for a wide range of sports, business and community activities.

Richmond Public Library provides public access to information by maintaining 5 branches throughout the City.

Lulu Island Energy Company Ltd. (LIEC) was incorporated on August 19, 2013 under the Business Corporations Act of British Columbia as a municipal corporation wholly owned by the City of Richmond for the management of district energy utilities. There are no activities in 2013.

City of Richmond, B.C. 2013 Annual Report Highlights

For the year ended December 31, 2013

Government Finance Officers Association

**Award for
Outstanding
Achievement in
Popular Annual
Financial Reporting**

Presented to

**City of Richmond
British Columbia**

For its Annual
Financial Report
for the Fiscal Year Ended

December 31, 2012

A handwritten signature in black ink, appearing to read 'Jeffrey R. Egan'.

Executive Director/CEO

The Government Finance Officers Association of the United States and Canada (GFOA) has given an Award for Outstanding Achievement in Popular Annual Financial Reporting to the City of Richmond for its Popular Annual Financial Report for the fiscal year ended December 31, 2012. The Award for Outstanding Achievement in Popular Financial Reporting is a prestigious national award recognizing conformance with the highest standards for preparation of state and local government popular reports.

In order to achieve an Award for Outstanding Achievement in Popular Annual Financial Reporting, a government unit must publish a Popular Annual Financial Report, whose contents conform to program standards of creativity, presentation, understandability and reader appeal.

An Award for Outstanding Achievement in Popular Annual Financial Reporting is valid for a period of one year only. We believe our current report continues to conform to the Popular Annual Financial Reporting requirement, and we are submitting it to the GFOA.

Message from the Mayor

The City of Richmond enjoyed another year of positive growth in 2013. With our population now over 200,000 and billions of dollars of investment in new development and public infrastructure planned for our community in the coming decade, Council has placed a strong focus on planning and building for our future.

In November, Council approved a comprehensive \$124.1 million major capital program which will include much needed replacements for our major aquatic centre; a new, expanded older adult centre; completion of our new City Centre Community Centre and replacement of the City's No. 1 Fire Hall. These new facilities will replace aging and outdated buildings that no longer meet the growing and evolving needs of our community. All these new projects will be completed by 2017 and the construction costs will not impact property taxes.

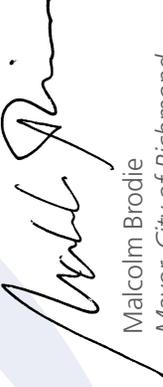

Council was also pleased to conclude an innovative agreement with the province that will see a new joint fire hall/ambulance facility built in North Richmond, the first combined facility of this type in a major urban centre in BC.

The City also launched the master planning process for the Garden City Lands, a 136.5-acre parcel of open space on the edge of the City Centre, which will be entirely for community use. It is an extraordinary opportunity for any community to develop a plan for such a large area in a central

location with all of it destined to remain in the public realm. Thousands of our residents have already participated in the planning process and we look forward to the Garden City Lands becoming a treasured public resource in the years to come.

As our City grows, our community social needs are also becoming greater. In 2013, Council approved a 10-year Social Development Strategy, one of the first such comprehensive community plans in the province. This plan identifies civic social development priorities and actions for the next decade. We've already made great strides towards implementing this plan. In December, Council committed more than \$30 million to support two major affordable housing projects, which will result in more than 400 units of new affordable housing for seniors and low income/at-risk residents.

As Council enters the final year of our current term in 2014, we will continue to work closely with staff, community groups and other partners to achieve our Council Term Goals, ensuring that Richmond residents and business will remain being well-served by the City today and in the future. I invite you to contact the Mayor's Office at any time to discuss or comment on any of the information contained in this Annual Report.

Malcolm Brodie
Mayor, City of Richmond

CNCL - 183

Message from the Chief Administrative Officer

I am delighted to present the City of Richmond's 2013 Annual Report, chronicling another year of innovation, progress and achievement and our continued strong financial position.

Our taxpayers enjoy the second lowest taxes among the largest cities in our region. Thanks to the City's Long Term Financial Management Strategy, which caps annual tax increases, the growth in our property taxes has also been the second lowest in the region over the past five years.

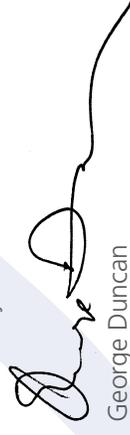

Our financial health has ensured that we have been able to maintain and build upon Richmond's reputation for outstanding quality of life and exceptional municipal services and amenities, while focusing on delivery of Council's Term Goals. Our prudent financial planning, which has reduced debt and built our reserves, allowed Council to achieve one of its major goals by approving a major \$124.1 million capital building program for critically-needed new facilities, without having property taxes impacted by the construction costs.

Sustainability, another key Council Term Goal, has become a major focus for our organization. A highlight of our sustainability initiatives is our innovative district energy program. 2013 marked the first year of operation for the City's first district energy utility. By year's end, the Alexandra District Energy Utility (ADEU) was supplying heating and cooling to more than 600 new homes. When fully operational, the ADEU is projected to reduce greenhouse gas

emissions by 6,000 tonnes annually. The City received both provincial and national awards in 2013 for the ADEU for its innovative solutions and commitment to sustainability. Richmond is aggressively pursuing other district energy projects and has formed a new municipal corporation to act as the operating entity for an anticipated expanding array of utility projects.

The City's other municipal corporation, the Richmond Olympic Oval Corporation, also continues to be hugely successful. The Oval Corporation again reported a profit for its latest fiscal year. This return on investment virtually offsets the City's operating contribution to the corporation, ensuring the long-term viability and success of this tremendous community asset. In addition, the Richmond Olympic Oval has continued to exceed all of its operational targets attracting more than 700,000 visits annually for its diverse array of programs, amenities and events.

Our organization remains committed to continuous improvement. While we are proud of the achievements highlighted in the Annual Report for 2013, they will now become a benchmark as we continue to work toward our vision for Richmond to be the most appealing, livable and well-managed community in Canada.

George Duncan
Chief Administrative Officer

2013 highlights

CNCL 185

In 2013, the City achieved a number of milestones in fulfilling Council's Terms Goals for 2011–2014. Some of the more significant achievements of the year are highlighted on these pages:

Facility Development

Council approved a new \$124.1 million major facilities building program. The program will include construction of new aquatic and older adult centres and new No. 1 Fire Hall to replace the aging and outdated facilities; and completion of the new City Centre Community Centre.

Community Social Services

Council approved a 10-year Social Development Strategy. One of the first of its kind in BC, this comprehensive strategy identifies civic social development priorities and actions for the next decade.

Managing Growth and Development

An extensive master planning process for the Garden City Lands was launched. This plan will determine the future community use for this valuable 136.5-acre parcel on the edge of Richmond's City Centre.

Community Social Services

The City guaranteed more than \$30 million in land and funding to support two major new affordable housing projects. Together, these projects will see creation of more than 400 new units for seniors and low income/at-risk residents.

Sustainability

Richmond introduced new Green Cart and Large Item Pickup Programs for single-family homes and 11,000 townhomes. This improved convenience for residents resulted in an increase in organics recycling by more than 4,000 tonnes in 2013.

Community Safety

The City and BC Emergency Health Services reached an agreement to build a joint fire hall/ambulance station in North Richmond. To open in 2016, it will be the first combined facility of this type in a major BC urban centre.

Economic Development

The City's Sport Hosting Program helped secure more than 30 sports events for Richmond in 2013. These events generated more than 23,000 hotel room nights for Richmond plus millions of dollars in economic spinoffs.

Sustainability

The City's new Alexandra District Energy Utility (ADEU) successfully completed its first full year of operation. Working with the private sector, over 600 units are now connected to the system leading to the reduction of greenhouse gas emissions by more than 330 tonnes to date.

Community Wellness

The Richmond Olympic Oval marked its fifth anniversary in 2013. A major asset in promoting community wellness through active lifestyles, the Oval hosted more than 700,000 visits in 2013 and recorded 23,000 sport and fitness program registrations.

Municipal Infrastructure Improvement

Phase 1 of a new Dike Master Plan, which includes Steveston and the West Dike, was endorsed in 2013. Implementation of this innovative long-term plan will ensure Richmond remains safe from flooding and addresses the long-term impacts of rising sea levels.

Facility Development

The new Tram Barn was opened at Steveston Park. The facility houses the historic Interurban Tram and has become a popular attraction for residents and visitors.

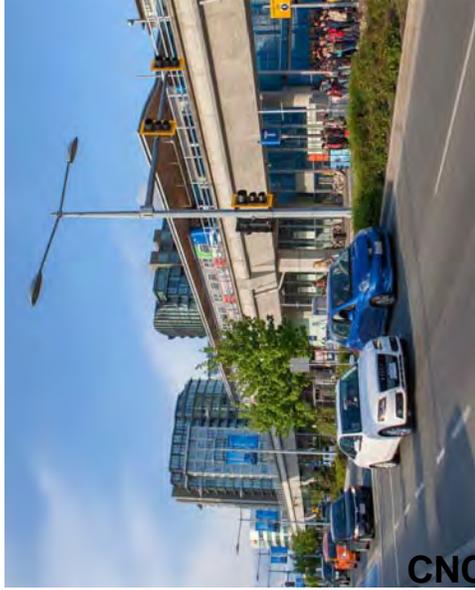

Waterfront Enhancement

The newly-restored Seine Net Loft at Britannia Heritage Shipyards National Historic Site was officially opened in 2013. The new facility provides a historic and versatile new amenity space for programs and events in a beautiful waterfront setting.

Arts and Culture

The tenth annual Richmond Maritime Festival attracted 40,000 visitors to the Britannia Heritage Shipyards National Historic Site. During the Festival, a new Guinness World Record was set when 180 participants sang in sequence the nursery rhyme *Row, Row, Row Your Boat*.

2013 awards

The awards and recognition received by the City form an important part of the annual benchmarking of our achievements. In 2013, the City again received a number of awards for innovation and excellence.

- Richmond's success in creating a positive economic development climate was recognized for the second consecutive year by fDi (Foreign Direct Investment) magazine. Among over 400 North American cities rated, Richmond was ranked as a Top 10 Small City of the Future (third), as well as a Top 10 Small City in the Business Friendliness and Foreign Direct Investment Strategy categories.

- The City's development of the Alexandra District Energy Utility won two awards for innovation in both engineering and public works. Canadian Consulting Engineer magazine and the Association of Consulting Engineering Companies—Canada bestowed the ADEU with the Award of Excellence. This award is the most prestigious recognition in Canadian engineering and is given to projects that exhibit a high quality of engineering, imagination and innovation. The ADEU was also named Project of the Year by the Public Works Association of BC. This award is given to a municipality that constructs a major and complex public works or utilities project that meets specific criteria including innovative design with project benefits for the community and the environment.

- Richmond again won awards from the Government Financial Officers Association of North America for our 2012 Annual Report, marking a decade of excellence in financial reporting. Richmond received the Canadian Award for Financial Reporting for the eleventh consecutive year. The City also received the Association's Award for Outstanding Achievement in Popular Annual Financial Reporting for the fourth year in a row.
- City Council awarded Freedom of the City to long time former mayor and councillor Greg Halsey-Brandt. He is only the fifth individual to receive this prestigious honour.

Report from the General Manager, Finance and Corporate Services

CNCL - 188

business development program, including a dedicated business portal—www.businessinrichmond.ca—and a business outreach initiative, was launched to provide business with easy access to information, resources and City services. To provide flexibility to local business, Richmond participated in an innovative pilot program to streamline business license requirements for mobile businesses which operate in multiple municipalities within the region. Increased economic activity in 2013 saw construction value of building permits exceeding \$679M, the second highest on record while business licenses increased to 13,371, all indicators of a thriving local economy.

Richmond's success in creating a positive economic environment was again recognized by fDi (Foreign Direct Investment) Magazine in 2013. Among over 400 North American cities rated, Richmond was ranked as a Top 10 Small City of the Future (third), as well as a Top 10 Small City in the Business Friendliness and Foreign Direct Investment Strategy categories.

Richmond's economy continues to thrive and the City's solid financial condition ensures that City Council is well positioned to address both current and emerging community needs.

Andrew Nazareth, BEc, CGA
General Manager, Finance and Corporate Services

the consolidated financial position of the City of Richmond as at December 31, 2013 in accordance with Canadian public sector accounting standards.

The City continued to strengthen its financial condition and position in 2013; the City's net worth reached \$2.4B (2012: \$2.3B) and cash and investments increased to \$754.4M (2012: \$640.6M). Net financial assets increased to \$549.0M (2012: \$469.2M), while net debt outstanding was reduced to \$1.1M (2012: \$3.5M). Statutory reserves increased to \$353.8M (2012: \$295.0M). The City's 2013 operating revenues were \$454.0M (2012: \$400.3M) and operating expenses were \$327.8M (2012: \$317.4M).

In addition to prudently managing the City's finances, we are continuing to create a positive business climate in Richmond. The City's new

I am pleased to submit the City of Richmond's consolidated financial statements for the year ended December 31, 2013 pursuant to Section 167 of the Community Charter. The financial statements reflect a consolidation of the financial position and operating results for the City of Richmond, Lulu Island Energy Company, Richmond Olympic Oval Corporation and the Richmond Public Library. The Lulu Island Energy Company was incorporated on August 19, 2013 and is a municipal corporation wholly-owned by the City of Richmond. The primary business of the new corporation is to manage and operate district energy utilities.

The external auditors, KPMG LLP, conducted an independent examination and have expressed their opinion that the consolidated financial statements present fairly, in all material respects,
