## **Staff Report**

### **Origin**

On November 24, 2016, City Council adopted a number of bylaws that:

- Terminated 93 separate Land Use Contracts (LUCs) that affect single-family properties, which will be effective one-year from the date of adoption.
- Established new zoning designations in their place.

The 93 LUCs that are subject to the early termination bylaws will remain on land title records until November 24, 2016. The new zoning designations became operative immediately following adoption. For the one-year period, while both the Zoning Bylaw and the LUC are operative, the provisions of an LUC prevail. Where a property owner wishes to use the provisions in the underlying zoning prior to the expiry of the one-year period, formal discharge of the LUC, by a bylaw adopted by Council, is required.

Huen Au Yeung and Kim Kwok Ching Au Yeung have applied to the City of Richmond for permission to voluntarily discharge "Land Use Contract 063" from the title of 9711 Gilbert Crescent, to permit construction of an addition to an existing single-family dwelling with a maximum site coverage of 45%, consistent with the underlying "Single Detached (RS1/B)" zoning (Attachment 1).

### **Findings of Fact**

A Development Application Data Sheet is attached, which provides details about the proposal, along with a comparison of the LUC provisions and the underlying RS1/B zoning provisions (Attachment 2).

### **Surrounding Development**

Existing development immediately surrounding the subject site is as follows:

To the north and south, are existing dwellings on lots under "Land Use Contract 063", both of which front Gilbert Crescent.

To the East, immediately across the large road cross-section consisting of two (2) frontage roads, treed City boulevards, and the major arterial Gilbert Road, is a single-family dwelling at 7211 Gilhurst Crescent on a lot zoned "Single Detached (RS1/E)".

To the West, is an existing dwelling on a lot under "Land Use Contract 063", which fronts Shawnigan Place.

### **Public Consultation**

As this application does not involve rezoning of the subject property, a sign is not required to be posted on-site.

Should this application advance to a Public Hearing, the standard notification will be sent to all residents and property owners of land within 50 m of the subject site, with details about public participation in the process.

### **Analysis**

This application to discharge the Land Use Contract from the subject property will enable the property owners to apply for and obtain a Building Permit to build an addition to their existing single-family dwelling with a site coverage of 36%, consistent with the underlying RS1/B zone (which allows a maximum of 45% site coverage with buildings), without having to wait until the Land Use Contract termination date of November 24, 2016.

The owners are proposing: a two-storey 29 m<sup>2</sup> (306 ft<sup>2</sup>) addition onto the back of their existing dwelling (west elevation); a 12 m<sup>2</sup> (128 ft<sup>2</sup>) balcony off the master bedroom (also the west elevation); and a 2<sup>nd</sup> storey addition over their existing garage and entry at the front, facing Gilbert Crescent (east elevation). The proposed addition to the existing dwelling is shown in Attachment 3

### **Existing Legal Encumbrances**

There are existing statutory right-of-ways registered on title for the sanitary sewer along the west property line, as well as for foreign utilities (i.e. hydro, gas, telephone). Construction within the right-of-ways is not permitted.

### **Financial Impact**

None.

### **Conclusion**

The applicants are requesting permission to voluntarily discharge "Land Use Contract 063" from the title of 9711 Gilbert Crescent, to permit construction of an addition to an existing single-family dwelling with a maximum site coverage of 45%, consistent with the underlying "Single Detached (RS1/B)" zoning.

It is recommended that Richmond Land Use Contract Discharge Bylaw No. 9534 be introduced and given first reading.
