Staff Report

Origin

At the City Council meeting of April 25, 2016, Council endorsed the creation of a Canada 150 Community Celebration Grant Program. This report provides information and recommendations for grant dispersal pertaining to the second intake of this program.

This report supports Council's 2014-2018 Term Goal #2 A Vibrant, Active and Connected City:

Continue the development and implementation of an excellent and accessible system of programs, services, and public spaces that reflect Richmond's demographics, rich heritage, diverse needs, and unique opportunities, and that facilitate active, caring, and connected communities.

2.3. Outstanding places, programs and services that support active living, wellness and a sense of belonging.

2.4. Vibrant arts, culture and heritage opportunities.

Findings of Fact

At the City Council meeting on April 25, 2016, Council approved a Canada 150 Community Celebration Grant Program and allocated \$150,000 from the Council Community Initiatives Fund to fund this program.

Program guidelines and application forms were developed in conjunction with the Canada 150 Steering Committee (Attachment 1).

Notice Given and Applications Received

Notices were placed on the City website, in community facilities throughout Richmond and in newspaper ads and press releases in May of 2016, advising the community that applications were being accepted for the Richmond Canada 150 Community Celebration Grant Program. The deadline for the second application intake was November 18, 2016.

In May and June, emails were sent to seventy two (72) Richmond based groups and associations promoting the Canada 150 Community Grant Program and reminding them of upcoming deadlines. On the City website, a downloadable guideline and frequently asked question sheet were available with links to the online application form.

Throughout May to November of 2016, the Coordinator for Richmond Canada 150 met with individuals from neighbourhood groups and different associations to offer recommendations where appropriate and inform them of any updates.

At the City Council meeting on October 11, 2016 Council awarded a total of \$79,500 to eighteen (18) applications for the first intake of grant applications. One applicant subsequently withdrew leaving a total of \$71,500 being awarded to local community groups.

For the second intake, forty-one (41) applications from a wide variety of organizations and groups were received, for a total combined request of \$353,461.

Application Review Process

An adjudication panel made up of three City staff reviewed the applications. They evaluated the applications on five key areas: goals, engagement, capacity, budget and sustainability. As per best practices in similar granting programs, for each application, these five key areas were assigned a numerical ranking to create a total numeric score out of 50. Post adjudication, the combined scores of all three members of the adjudication panel was distilled to an average score to determine a funding recommendation. The Steering Committee fine-tuned the recommendations for Council consideration.

Analysis

At the Council meeting of July 27, 2015 Council endorsed the vision and guiding principles for Richmond's Canada 150 activities and events.

Vision

Richmond's Canada 150 ignites the passions of the citizens of Richmond in a multi-faceted, year-long celebration, honours Richmond's distinct and vibrant cultural diversity, and leaves lasting legacies that foster civic pride and carry the spirit of 150 into the future.

Guiding Principles

- *Tie the past with the future*
- *Showcase Richmond*
- *Create legacies*
- *Be collaborative*
- *Environmentally sustainable*
- *Events and activities are coordinated*

The Richmond Community Celebration Fund was established to help small, Richmond based non-profit organizations and neighbourhood groups plan and execute activities and events to create lasting memories of Canada's 150th anniversary.

Of the forty-one (41) applications received, thirty (30) are recommended for funding and nine (9) were rejected. In addition, two (2) applications were deemed strong City projects and will be funded from alternate funding sources.

APPLICATIONS AND ALLOCATIONS	
Total Applications	41
Recommended for funding	30
Not Recommended for funding	9
Recommended from alternate funding sources	2
Total amount requested	\$353,461
Total amount approved by Council for the Canada 150 Grant Program	\$150,000
Total amount remaining after intake 1	\$78,500
Amount recommended for disbursement – intake 2	\$75,300

Attachment 2 contains the information on the events submitted, organizations making the request, requested amount, the recommended amount and Steering Committee summary comments. Attachment 3 contains summaries of all of the applications received.

Financial Impact

The total amount allocated to the Canada 150 Community Celebration Funding Program is \$150,000 to be allocated over two intakes. A total of \$75,300 is recommended for disbursement at this time.

Conclusion

The Richmond Canada 150 Community Celebration Grant Program is a vital contribution that will help small, Richmond based, non-profit organizations, community associations and Richmond neighbourhood groups plan and execute activities and events to create lasting memories of Canada's 150th anniversary of confederation. This report recommends the second batch of recommended allocations.

SUMMARY OF RICHMOND CANADA 150 CELEBRATION GRANTS (INTAKE #2)

Updated: December 6, 2016

RECOMMENDED FOR FUNDING				
Event Name	Organization	Requested Amount	Steering Committee Recommended Amounts	Summary Comments
Best of the West	Alfred B. Dixon Elementary PAC	\$ 10,000.00	\$ 2,500.00	Area that is affected by the school closures in Richmond. Broad audience. Fee structure high. Requested to provide labelled pictures for Richmond archives.
Canada 150 Fun & Games	Brighthouse Neighbourhood Group	\$ 9,045.00	\$ 2,500.00	Missing/lacking 150 theme. Like the idea of the Canadian Mural and Canadian games. Budget needs updating - artist fees high. Semi-permanent legacy. Funding received should primarily go to the wall mural.
The Voice of the River	Cinevolution Media Arts Society	\$ 10,000.00	\$ 4,800.00	Strong idea/concept - appreciation and understanding of the Fraser River as BC's lifeblood. Group is part of RWF . Video would be a good legacy piece
East Richmond: Then and Now Canada 150	East Richmond Community Association	\$ 9,500.00	\$ 2,500.00	Past, present and future of Canada and East Richmond. Feature displays to be at Cambie Community Centre. Good short term legacy, but no long term
What's in a Name? : Name Origins Project	Friends of the Richmond Archives	\$ 4,410.00	\$ 4,000.00	High sustainability score due to online only. Would the City fund this project? Meets 150 theme, but audience may be limited
Fishing on the Fraser Speakers Series & Mural	Gulf of Georgia Cannery	\$ 10,000.00	\$ 3,000.00	Strong idea/concept. Good collaboration
Hamilton Night Out	Hamilton Community Association	\$ 8,500.00	\$ 2,500.00	Added more of a 150 theme, Hamilton's early beginnings.
Hugh Boyd Mural Festival - Canada 150 Celebration	Hugh Boyd PAC	\$ 10,000.00	\$ 2,500.00	Community public art project. Semi-permanent legacy. Requested to provide labelled pictures for Richmond archives.
Gilmore Then and Now	James Gilmore Elementary PAC	\$ 10,000.00	\$ 2,500.00	No other sources of funding, however \$2655 of budget for food/food equipment. Bench price is too low. Requested to provide labelled pictures for Richmond archives.
Whiteside Spring Fair Celebrates Canada's 150th Birthday	James Whiteside PAC	\$ 10,000.00	\$ 2,500.00	How are they going to involve all the different groups? Budget needs work. Requested to provide labelled pictures for Richmond archives.
BC Elementary Championship Track & Field meet	Kajaks Track and Field Club	\$ 10,000.00	\$ 1,000.00	Incorporates historical area of Minoru. Strong idea, unique school initiative, however need to work out sustainability portion. Funding for items like t-shirts seems irrelevant to the Canada 150 theme and would only provide a legacy piece to a small group of people. Suggest contacting former Kajak's to be part of the event. Funding received should be allocated to awards.
Richmond Model Home Project	Michelle Li & Kate 'Ray' Chin	\$ 5,500.00	\$ 500.00	Michelle withdrew from first intake and resubmitted for second intake. Could rental of space be donated? Overall, cool concept, but budget needs work.
Mitchell "Canada 150th" Art Celebration	Mitchell Elementary PAC	\$ 8,200.00	\$ 2,500.00	Creates a lasting legacy, and multi events for the price of many other applicants that are putting on just one. Requested to provide labelled pictures for Richmond archives.
Canadian Experience	Plaza Projects	\$ 6,500.00	\$ 1,000.00	Legacy video a great component, plenty of collaboration, great speakers and well thought out. Community dialogues on the Canadian Experience. Requested to provide a copy of the produced video for archives.
Eternal Return - Artists Talks, Workshops and Performances	Richmond Art Gallery Association	\$ 9,975.00	\$ 1,500.00	Good breakdown of budget. Supports Canada 150 theme of migration and immigrants.
ArtRich 2017	Richmond Arts Coalition	\$ 10,000.00	\$ 6,000.00	Open to everyone/lower mainland. Art in all forms - legacy art show potential. Charge \$20 for each applicant's submission. Need to determine what the "artist fee" is.
Chinese Art & Cultural Festival to Celebrate the History of Chinese Canadians in Richmond	Richmond Chinese Community Society	\$ 9,950.00	\$ 1,000.00	Event showcasing the Chinese Canadian. Better budget breakdown needed. Sustainability not addressed correctly
Harvest Full Moon Project: The 150 Year Journey	Richmond City Centre Community Association	\$ 10,000.00	\$ 2,500.00	Great idea. Should be incorporated at the Harvest Festival.
Richmond Eats, Farm to Fork Cookbook	Richmond Food Security	\$ 9,980.00	\$ 2,000.00	Good focus on Richmond over the years. Some Canada 150 theme. Budget includes camera, laptop and \$850 in food.
Richmond Celebration of the 150th Anniversary of Lacrosse	Richmond Lacrosse Association	\$ 10,000.00	\$ 1,000.00	Share the same 150 year anniversary. Includes workshops for kids. Promotional materials like the dvd unnecessary, could post video online. The event should be documented. Could receive additional funding of \$1500 if project is documented with history etc.
The Sense of Wonder Walk	Richmond Nature Park Society	\$ 8,000.00	\$ 2,500.00	Enhance 150 theme with storyteller.

Event Name	Organization	Requested Amount	Steering Committee Recommended Amounts	Summary Comments
Steveston Neighbourhood/Community Block Parties	River Community Church/ (of West Coast Baptist Association)	\$ 4,000.00	\$ 500.00	Supports two neighbourhood/community groups. Lacks 150 theme. Could rentals be free?
Brighthouse Community Labyrinth	Samuel Brighthouse Elementary PAC	\$ 7,925.00	\$ 2,500.00	Great community project, and good budget break down. Legacy piece and eco friendly. Requested to provide labelled pictures for Richmond archives.
South Arm's Canada 150 Celebration	South Arm Community Association	\$ 10,000.00	\$ 2,500.00	Already an existing event, building a 150 theme, instead of creating a new event. Good art component.
The Richmond Peace Labyrinth - Phase 2 Meditation and Community Gardens	The Richmond Peace Labyrinth and Richmond Garden Club	\$ 10,000.00	\$ 4,000.00	Do not have a 150 theme present however could be a good legacy project. Could receive other funding from Federal grant.
Oral Histories from the Land and the Sea to the Land and the Sea	The Sharing Farm Society	\$ 10,000.00	\$ 5,000.00	Good educational component, and thought about involvement with other Canada 150 themed events. Will be documented in partnership with the Media Lab.
Canada 150 - Multicultural Celebration	Thomas Kidd Elementary PAC	\$ 5,000.00	\$ 2,500.00	Good thought put into making it a sustainable event. Good 150 theme. Requested to provide labelled pictures for Richmond archives.
Homma Heritage Days	Tomekichi Homma PAC	\$ 10,000.00	\$ 2,500.00	Majority of the budget spent on celebration at the end, which seems unnecessary. Lacking a legacy piece. Requested to provide labelled pictures for Richmond archives.
Summer West Fest - Celebrate the Past with the Future	West Richmond Community Association	\$ 6,350.00	\$ 2,500.00	Already a well established event with good funding
The Roses Giant Play Day	William Bridge Elementary PAC	\$ 10,000.00	\$ 2,500.00	New event with no theme added. Budget needs work, currently spent on unnecessary items. Requested to provide labelled pictures for Richmond archives.
TOTAL: RECOMMENDED PROJECT FUNDING		\$ 262,835.00	\$ 75,300.00	

PROJECTS NOT RECOMMENDED FOR FUNDING

Event Name	Organization	Requested Amount	Steering Committee Recommended Amounts	Summary Comments
Richmond Children's Authorfest	Children's Writers and Illustrators of BCSc	\$ 10,000.00	\$ -	Lacking theme. Includes children and schools and diverse writers. Unclear as to what is being proposed in the budget
Steveston Heritage Celebration	Community Mental Wellness Association of Canada	\$ 4,726.00	\$ -	Little to low funding. Too far to realistically walk between sites. No mention as to how many people could participate and who this is geared towards?
Where the Heart Belongs: Voices of Women Immigrants in Canada	May Wang & Flora Lin	\$ 9,900.00	\$ -	Could this be digitalized to save cost/sustainable. Budget needs to be reviewed. Concept is great. Should be associated with another group.
Pacific Wave Synchro Flash Mob	Pacific Wave Synchronized Swim Club	\$ 4,000.00	\$ -	Great idea, but unsure of the Canada 150 theme being showcased. Swim caps not eco friendly.
30 Years of Art – Richmond Art Gallery Association Evening of Celebration	Richmond Art Gallery Association	\$ 10,000.00	\$ -	Application description is brief and does not have a theme. Budget is supporting applicant more than others.
Richmond Doors Open 2017	Richmond Museum Society	\$ 7,000.00	\$ -	Already an annual event does not require additional funding.
Bodhi Meditation Day	The Canada Bodhi Dharma Society	\$ 10,000.00	\$ -	Already an annual event that is well established.
Celebrating Canada at Nations Cup	The Nations Cup Soccer Society	\$ 10,000.00	\$ -	Already a well established sporting event. Canada 150 theme projected an unnecessary add-on. Could provide the Canada Pavilion, if needed.
The Richmond Singers Annual Spring Concert - Celebrating Canada in Song!	The Richmond Singers	\$ 10,000.00	\$ -	Tabled - have also applied for City grant. Application forms stated cannot get funding for same project from other City grant sources.

RICHMOND CANADA 150

COMMUNITY CELEBRATION GRANT SUBMISSIONS SUMMARY SHEETS

Project – Best of the West

NAME OF ORGANIZATION: Alfred B. Dixon Elementary School Parent Advisory Council

DESCRIPTION: Held at Dixon Elementary in the heart of Richmond's west side, this afternoon festival will bring together children, families and neighbours from a variety of socioeconomic and cultural backgrounds to celebrate Canada 150 by showcasing our community's unique history and vibrant diversity. Iconic local artist, Charlotte Diamond, will headline an afternoon of dance and music performances featuring many of the cultural groups that call Richmond home. A wide-range of activities aimed at families and kids of all ages will tell the story of our community from farms, to fishing village, to thriving urban core. This will include a cedar weaving led by First Nations artists, art activities that provide a hands-on way to engage with the history of Richmond, and farming-themed activities where kids can literally get their hands dirty learning about the importance of local farms and local food in the past and the present.

To ensure this event attracts a broad and diverse audience, we will invite parent groups from neighbouring schools and preschools to collaborate and to contribute performance or activity ideas that reflect their school's unique community. For an area of Richmond deeply affected by the School District's recent school closure process, this event will be both healing and celebratory; it will build new connections, strengthen existing relationships and engage the broader community.

The event will have a long legacy through the important community building, the lasting memories and a special community time-capsule project. Guests of the event will be invited to submit photos, notes or small items. A number of time capsules will be filled then entrusted to neighbouring schools for safe keeping until the next milestone in our nation's history, perhaps Canada 200, and the next community celebration.

DATE(S)/TIME(S): May 5 or May 12, 2017

LOCATION: Dixon Elementary School

BUDGET: \$16,650 **TOTAL AMOUNT REQUESTED: \$10,000**

STEERING COMMITTEE RECOMMENDED AMOUNT: \$2,500

Other sources of Funding: Yes

Project – Canada 150 Fun & Games

NAME OF ORGANIZATION: Brighthouse Neighbourhood Group

DESCRIPTION: As members of the Brighthouse Neighbourhood Group, we value Brighthouse Elementary School as the heart of our community. Our project is to engage the community in having fun by turning blacktop surfaces into games and the bare walls of Brighthouse Elementary School gym into a Canadian Mural. These games such as hopscotch and lawn darts have been Canadian fixtures for generations but now they will also become art - decorated with Canadian themes including people, landscapes, animals and culture. Erwin Apilado, a member of our neighbourhood and an experienced, talented artist, will paint 5 games on the blacktop and large murals on the Brighthouse gym walls. We have asked permission to do this at Brighthouse Elementary School. After the games and mural are completed, we will hold a games day for the community to play these new games as well as having additional games from different cultures including Bocce (lawn bowling), badminton, croquet, etc. We will provide refreshments for participants. We will have a PA system so we can play Canadian music throughout the event. The murals will be a legacy of the Canada 150 Celebration for many years to come - creating lasting memories of this anniversary of confederation. Having fun together, as envisioned in this proposal, is a way to build vibrant, healthy, connected communities which we strive for in our Brighthouse Neighbourhood Group.

DATE(S)/TIME(S): The painting will be done as soon as weather permits. The games will be on September 9, 2017

LOCATION: The event will be at Brighthouse School.

BUDGET: \$9,045 TOTAL AMOUNT REQUESTED: \$9,045

STEERING COMMITTEE RECOMMENDED AMOUNT: \$2,500

Other sources of Funding: No

Project – The Voice of the River

NAME OF ORGANIZATION: Cinevolution Media Arts Society

DESCRIPTION: “The Voice of the River” is an art and media project that employs an array of artistic forms (digital video, sculpture, dance, and natural elements) to promote an expanded appreciation and understanding of the Fraser River as the B.C’s “lifeblood” -which created the islands we call Richmond. It is the creation of Richmond artists Glen Andersen and Marina Szijarto who we sponsored in 2016 as Artists-in-Residence for a pilot version. The community-engaged creative component is the contribution of 15 seconds micro-films from the public, submitted via email from smartphone or other devices, and edited into a longer film montage/collage. This is projected onto sculptural fabric and driftwood screens at publicly-attended “happenings” in outdoor locations. The film, of which multiple versions can be projected simultaneously, has no linear fixed narrative, but the attendees (many of whom will have submitted mini-films) will be invited to participate in this thematically-integrated ‘journey’ of expression exploring ideas about the river itself, and as experienced within its adjacent riparian landscapes, sloughs, dykes and parks. Accompanying public submissions will be the artist’s own short films, including historical photos. The ‘on-growing’ collection is screened in combination with live music, soundscape compositions, light-sculpture; mobile lantern displays, lighting effects and community youth dance groups (such as the Lorita Leung Dance Academy). We would like to create new opportunities for these groups to perform river-related pieces outside of typical auditorium performances. An online version of the films will be made available as an ongoing archive of the project. The river was key to Richmond’s early development in every way. Historically, it was a highway into the heartland of what became the province of BC and white settlement here was virtually coincident with the transition from colony to nation. Today it continues to shape the city but is often invisible to city-dwellers. This project looks back to these histories, including the indigenous experience and understanding of the river, and forward to the big questions of how the Fraser and its already-compromised natural ecosystems will fare under the threats of land development and riverside industrialization. Rather than a conventional festival, this project is a travelling theatrical /social sculpture where members of the local community contribute components to a whole and whose presence animates the screening events.

DATE(S)/TIME(S): Specific dates are to be determined, but we expect to produce 3-4 events throughout late spring, summer and early autumn.

LOCATION: Outdoor locations, including parks and riverside venues and at least one downtown event.

BUDGET: \$10,000 TOTAL AMOUNT REQUESTED: \$10,000

STEERING COMMITTEE RECOMMENDED AMOUNT: \$4,800

Other sources of Funding: Other funding is possible for this project, but not yet sought.

Project – East Richmond: Then and Now Canada 150

NAME OF ORGANIZATION: East Richmond Community Association

DESCRIPTION: East Richmond: Then and Now Canada 150 Celebration will invite the community to celebrate and discover the past, present and future of Canada and East Richmond in August 2017. An affordable and inclusive outdoor event, it will be attended by a broad cross-section of Richmond residents though the majority will be from East Richmond.

East Richmond: Then and Now will encourage knowledge sharing of Richmond's changing structures, businesses and landscapes by using stories, interactive displays and laughter. The event will be cross-cultural and provide opportunities for Canadians new and old to come together and experience Canadian heritage and traditions, which in turn encourages social cohesion, inter-community harmony and mutual understanding. The event will also promote collaborations with businesses and non-profit societies in East Richmond and will strengthen the partnership between ERCA and HJ Cambie Secondary. The school's Recreation Leadership group regularly volunteer their time to organize and run the games and activities. These youth will build on their developmental assets through teamwork, constructive use of time, planning and decision making.

The event will include:

- The singing of O Canada in both official languages
- Aboriginal elder welcome
- First Nations entertainment
- Historical and modern farming equipment hands-on displays
- Decorative Canadian crafts: maple leaf wreaths, garlands, brooches
- Old fashioned games: hopscotch, ring toss, egg and spoon, stick catch
- Screening of the iconic Lucy Maud Montgomery classic Anne of Green Gables
- Iconic Canadian food give-aways
- Thank you Canada chalk art sidewalks: guests will be able to write and draw thanks to Canada
- Giant "Where are you from" map
- East Richmond: Then and Now art display - partnering with the Richmond Museum, a nostalgic look at the changes in East Richmond. Feature displays of this exhibit will then be put up in Cambie Community Centre.

DATE(S)/TIME(S): August 2017

LOCATION: King George Park

BUDGET: \$9,967 **TOTAL AMOUNT REQUESTED: \$9,500**

STEERING COMMITTEE RECOMMENDED AMOUNT: \$2,500

Other sources of Funding: Yes

Project – What’s in a Name? Name Origins Project

NAME OF ORGANIZATION: Friends of the Archives

DESCRIPTION: For over twenty years staff and volunteers of the City of Richmond Archives and Friends of the Richmond Archives, have spent countless hours researching fallen Richmond servicemen. A great part of this work resulted in the 1998 publication “We Will Remember Them: The Lives behind the Richmond Cenotaph” by Mary Keen published by the Friends of the Richmond Archives. Since 1998, work has continued to research name origins and on April 25, 2016 Richmond City Council approved the Memorial Road Names Project, a project proposed by the Friends of the Richmond Archives, to mark those streets named after a fallen serviceman with a poppy.

Now, we would like to go one step further. Over the years, the City of Richmond Archives has developed a Name Origins database which lists the name origins of streets, areas and landmarks in Richmond. To date, there are almost 500 entries in this database. We are proposing to work with our Archives software developer, Andornot, to upload our entire Name Origins database to the City of Richmond Archives website. This way, community members can access this information 24-7 and learn the history behind the names of streets, areas and landmarks in their community. This project applies directly to Council Term Goal (2014-2018) “A Well-Informed Citizenry”.

This project will also help towards fulfilling two Council Referrals from April 25, 2016: "That [City of Richmond Archives] staff, with assistance from the Friends of the Richmond Archives, compile a list of all the names of the streets in Richmond that were named after pioneers and then find a way to honor these individuals; and "That staff explore ideas on how to appropriately document and publicize the background information relating to the names on the memorial street signs."

This project meets all of the goals of the Canada 150 Community Celebration program, most notably: Celebrate Richmond's distinct and vibrant cultural diversity; Celebrate the past; Expand understanding of the people, places and achievement of Canada and Canadians; and build vibrant, healthy and connected communities.

DATE(S)/TIME(S): All of 2017

LOCATION: City of Richmond Archives

BUDGET: \$4,410 **TOTAL AMOUNT REQUESTED: \$4,410**

STEERING COMMITTEE RECOMMENDED AMOUNT: \$4,000

Project – Fishing on the Fraser Speaker Series & Mural

NAME OF ORGANIZATION: Gulf of Georgia Cannery

DESCRIPTION: Fishing on the Fraser River has been a vital activity for local people for thousands of years and remains so today. It has defined the development of Richmond from Aboriginal fishing camps to Cannery Row in Steveston, to the largest freshwater fishing harbour in Canada today. The fishing industry is inextricably linked to Richmond’s ecological, cultural, and economic value and continues to significantly impact the city and its people.

The Gulf of Georgia Cannery will host a speaker series to explore fishing on the Fraser River from multiple perspectives including presentations about archaeology, multiculturalism, natural history, and harbor activities. Topics will showcase Richmond’s unique position within the Lower Mainland. The series will inspire participants to celebrate and discuss the links between Richmond’s rich ecology and the multicultural fabric of the community. Each of the seven events will be designed to bridge past and present, creating a greater understanding of Richmond’s human history and its influence on our community today, and to celebrate what makes Richmond unique.

The programs will be collaborative; local community leaders and groups will be asked to contribute their perspectives through lectures and panel discussions. The conversation will be driven by questions and interactions with the audience while including Richmond’s current community issues.

At the conclusion of each event, participants will be asked to write a sentence about how they feel the Fraser River and fishing is important in their life. An artist will create graphic representations of each statement that will become part of a larger mural. This mural will be displayed at the Gulf of Georgia Cannery for public to see throughout the year and into 2018. We will work with other local organizations to have this mural hosted at different sites throughout Richmond to help raise awareness of the importance of the Fraser and fishing to the community.

DATE(S)/TIME(S): We will host 7 events in 2017 (1 per month from May-November)

LOCATION: The Gulf of Georgia Cannery National Historic Site

BUDGET: \$17,680 **TOTAL AMOUNT REQUESTED: \$10,000**

Project – Hamilton Night Out

NAME OF ORGANIZATION: Hamilton Community Association

DESCRIPTION: Hamilton Night Out is an annual special event hosted by Hamilton Community Association and its community partners. It has been the premier event for families and their children in the Hamilton Community for the past 20+ years and now takes place at McLean Park. The event invites Richmond organizations to set-up fun, interactive, and educational booths as an opportunity to connect with Hamilton residents and build a greater sense of community. The event has a variety of entertainment such as carnival games, prizes, bouncy castles for children and a watermelon eating contest. The event culminates in an outdoor movie that begins at dusk. The following are some of the events past community partners: LaFarge, Hamilton Elementary's Parent Advisory Committee, Richmond Public Library, Sonfire Taekwondo, Nanaksar Gurdwara Gursikh Temple, Bethany Baptist Church, Starbucks, Richmond Fire-Rescue (Fire Hall No. 5), BC Responsible Gambling, Richmond Nature Park, Richmond Physical Literacy, and more.

Hamilton Night Out already celebrates Richmond's distinct and vibrant cultural diversity each year by partnering with local organizations and bringing together families from different ethnic backgrounds to celebrate their growing community. A proposal to create a short film to celebrate Hamilton's history and community evolution is currently in the works. City Councillor Bill McNulty has confirmed that he will be an advisor for the proposed film. The film would highlight Hamilton's early beginnings and how it started with the South Dyke Fishing Community and the fishing industry that evolved on the Fraser River in the late 1800's. The film would also feature community members with roots to Hamilton's early development. We will also invite these community members to be available at a dedicated booth where the short film will be available to view. The film will also be played in the evening on a large outdoor movie screen right before Hamilton Night Out's feature film is shown.

Each year the event's attendance increases and in 2017 the goal is to make the event bigger and better than it has ever been and celebrate Canada's 150th anniversary.

DATE(S)/TIME(S): June 29, 2017 from 6:30pm - 11:00pm

LOCATION: McLean Park, 22500 McLean Ave, Richmond, BC V6V 2P7

BUDGET: \$12,500 **TOTAL AMOUNT REQUESTED: \$8,500**

STEERING COMMITTEE RECOMMENDED AMOUNT: \$2,500

Other sources of Funding: Yes, LaFarge is our major partner for the event and donate a total sum of \$3000

Project – Hugh Boyd Mural Festival - Canada 150 Celebration

NAME OF ORGANIZATION: Hugh Boyd PAC

DESCRIPTION: Hugh Boyd Secondary School and its surrounding facilities is a major hub of the local West Richmond community and beyond. Between our school, the West Richmond Community Centre, a pitch and putt facility, basketball and tennis courts, playground, as well as a number of artificial turf fields, we serve a diverse demographic that is very much reflective of Canada's population. This area has been vital to building vibrant, healthy, and connected communities in Richmond. In addition, our school and the local park are named in honour of Richmond's first mayor. Given the historical and communal vibrancy of this area, we are an ideal setting to celebrate Richmond's distinct and vibrant cultural diversity and create lasting memories of Canada's 150th anniversary of confederation.

As a celebration of Canada's 150 years, students at Hugh Boyd will create and host a mural festival in collaboration with an artist in residence. The mural or murals will represent Canada and Richmond's history in an artful way based on the research of Boyd students in conversation with our artist in residence. One of the main architectural features of the school is a series of eighteen pillars that encircle the entrance atrium and then guide people into the wings of the school. While we do have a number of sizable wall areas, the opportunity to create a series of murals on our pillars would allow for the art to be viewed from multiple perspectives and in multiple ways. As there are eighteen pillars, fifteen pillars would each represent a decade in the history of Canada and Richmond. Pillars would also represent the land before European contact, in celebration and in honour of the Musqueam Nation, the Inuit, and the First Peoples of this land, before it was Canada.

Participating students would work in "decade" groups and distill the history of their time period into principal events, people, and places with both a focus on Canada as a whole and Richmond in particular. Students would then design and plan how they could translate this information into an artistic representation with the enabling-constraint of the form of a pillar. This act of trans mediation, shifting from language to image, would be facilitated and co-created by the artist-in-residence.

The opportunity to reimagine and reinvent the heart of the school would have a profound and lasting impact. Transforming the currently taupe-coloured pillars, into a 3-dimensional art gallery that celebrates Canada and brings a sense of wonder to our space would have a profound impact on school life.

The mural painting would culminate in an "opening night" event that would celebrate the creation of the murals. The event would include music, theatre, and storytelling and would be open to the community.

DATE(S)/TIME(S): October 2017 (however, we are open to an earlier timeline if necessary)

LOCATION: Hugh Boyd Secondary School lounge and main atrium area

BUDGET: \$11,000 **TOTAL AMOUNT REQUESTED: \$10,000**

STEERING COMMITTEE RECOMMENDED AMOUNT: \$2,500

Other sources of Funding: Yes, an additional \$1000.

Project – Gilmore Then and Now

NAME OF ORGANIZATION: James Gilmore Elementary PAC

DESCRIPTION: We will make lasting memories of Canada’s 150th by hosting a neighbourhood party, celebrating our aboriginal roots, commemorating Richmond pioneer, James Gilmore and his family and exploring the history of the school named for him. We will create legacies in form of a time capsule, plant a “Canada 150 Tree”, install a “friendship bench”, mount a plaque paying tribute to James Gilmore’s grandson (killed in the Second World War), create historical panels and publish a historical booklet. The festivities and program will include a First Nation’s youth dance performance, games, prizes, fun and food. The community surrounding our school will be invited, to reflect the cultural diversity now found here, and to build connections between newcomers and locals. The entire event will expand residents understanding of local history and how it ties into the greater history of the province and country. The celebration will be conducted in English and French.

DATE(S)/TIME(S): May 25, 2017

LOCATION: James Gilmore Elementary School

BUDGET: \$10,000 **TOTAL AMOUNT REQUESTED: \$10,000**

Project – Whiteside Spring Fair Celebrates Canada’s 150th Birthday!

NAME OF ORGANIZATION: James Whiteside Parent Advisory Council

DESCRIPTION: Our spring fair unites our diverse school and neighbourhood community in games, food and music! We are in a unique position to show off what multiculturalism can be like since our school has a very culturally diverse student base, with 27 different languages spoken by our students! Being a French Immersion school, we function in both our nation’s official languages. Who better to celebrate our nation’s 150th? This year, we would love to highlight and reflect more of what brings us together as Canadians, i.e. how our history resulted in such a well-functioning cultural mosaic. We are planning different areas of the grounds highlighting different aspects of Richmond’s path to today, including:

- Richmond then and now – 150 year journey of our city!
- Our treasured Cultural Mosaic
- First Nations origins through to today
- Pioneer life (London Heritage Farm)
- Britannia Shipyards National Historic Site
- Gulf of Georgia Cannery National Historic Site
- Cranberry/blueberry farming
- Horseracing (Minoru)
- Yukon Dan for gold panning history of the Fraser
- Our natural heritage – Richmond Nature Park and Terra Nova Rural Park
- Dancing and music from a variety of cultural groups, as well as current music with a DJ
- McRoberts High School Band
- Display of students Heritage Fair presentations focused on Richmond’s history
- Carnival games with themes matching different aspects of Richmond’s history
- Bouncy casters and activity stations
- Obstacle courses and fitness demonstration
- Photo booth with different scenes and attire from our history
- Different organized sports offering demos of active living in Richmond
- International food truck offerings
- A Silent Auction focusing on locally-sources goods and services

We will launch the evening with a community bicycle parade, decorated with a Canada’s birthday theme! Volunteers will hand out Canada 150 treasures and wear Canada 150 specially designed t-shirts and costumes to enliven the celebration!

DATE(S)/TIME(S): Thursday, May 25 from 5-8pm.

LOCATION: James Whiteside Elementary School field.

BUDGET: \$17,600 **TOTAL AMOUNT REQUESTED: \$10,000**

STEERING COMMITTEE RECOMMENDED AMOUNT: \$2,500

Other sources of Funding: Funds received from spring fair, hot lunch and other fundraisers.

Project – BC Elementary Championships Track & Field meet

NAME OF ORGANIZATION: Kajaks Track and Field Club

DESCRIPTION: 2017 is our 49th year hosting this event. It is a very well-organized, accurately scheduled weekend of competition, attended by typically 1200 grade school athletes from across the province, their teachers, coaches, families and supporters. There are also event volunteer staffs of about 120 and several BC Athletics Officials, in attendance. We felt that it was the best possible opportunity to participate in the festivities, to incorporate a 150 celebration event into this successful event with an already "full house". During the mid-day break in competition, we would host track and field events in their vintage method of competition: 100 yard dash, mile race, tug of war and high jump using the historically correct method, once the standard. The competitions would be done with athletic effort and spirit but the emphasis would be more on the spectacle and enjoyment for the viewers. All events would be held directly facing the grand stand. In addition, we would have all the Officiating staff wear vintage officiating attire for the day. Competitors in the special events would also wear era-appropriate attire and the officiating would be as close to its historic method as possible. We would have a nostalgia/historical/information tent showcasing the progression of our sport, Kajaks' history, performances through history, and photos of our site over time, etc. hopefully hosted by a semi-pro sport historian. We would also like to have a photo booth with vintage Athletics attire and equipment. We would like to have a quantity of t-shirts made to celebrate and commemorate the day, event and 150 celebrations. We propose to have the City's branding, 150 Celebration branding and Kajaks branding displayed with ours being displayed in a vintage-inspired design. We ask that the creation of the design and the quantity of shirts that we would gift to certain individuals volunteering would be funded. These are initial concepts which will improve and evolve over the coming months. We will create our event around what grant amount may come our way with thanks. We believe that we can create a great event with the full grant amount available but can scale back to suit the funding.

DATE(S)/TIME(S): May 26-28, 2017

LOCATION: Clement Track and Minoru Park

BUDGET: \$10,000 TOTAL AMOUNT REQUESTED: \$10,000

STEERING COMMITTEE RECOMMENDED AMOUNT: \$1,000

Other sources of Funding: No. Other funds raised/sponsorship must be utilized to sustain our club operations.

Project – Richmond Model Home Project

NAME OF ORGANIZATION: Michelle Li & Kate “Ray” Chin

DESCRIPTION: Ray and Michelle, in collaboration with artist Rhonda Weppler, will be working on developing a book with templates for paper-folded homes based on Richmond's history over the last 150 years. We will be creating an online database of these plans for homes that people can print off and create from home or in groups (such as school classes, art classes, etc.). We will be asking for 150 participants to then build, create and adapt a home of their choosing from the templates, whereby they will be learning about the architecture and history of that decade based on the home type chosen. We will have an installation of these 150 homes at a Richmond historical site (such as the Chinese bunkhouse or Branscombe house), where they will be lit up with lights and on display for public viewing. We will have an opening reception and unveiling of the project, also featuring some of Richmond's historical foods.

We want to showcase the history of Richmond as shown through the city's homes' architecture. We will be celebrating the city's history and legacy of Canadians who have helped shape Richmond, both in the past and on into the future. We plan to collaborate with the city, using historical documents and visiting historical sites and homes to bring history to life for the younger generation, while also utilizing the skills and knowledge of older generations. We will be looking for participants from the community to help shape this project and bring it to life. We would be looking at places like Burkeville and Finn Slough, to show how different eras and communities helped to shape Richmond's future.

Rhonda is currently working on a smaller version of this idea with the Stilt Home Project in collaboration with Britannia shipyards and we felt this project could be expanded upon to incorporate homes and different eras in Richmond over the last 150 years. Ray has been currently volunteering with the Stilt House Project and both Ray and Michelle have been participants in this project. Although Rhonda will be based in New York next year, she has projects in the Vancouver area next year. She will be volunteering for this project to maintain her connections she has enjoyed through her Artist-in-Residency program this year.

We are hoping the city would donate the space to show this project which would really highlight the history of Richmond and bring the city's history to life, but we will incorporate rental fees until we hear otherwise.

Project – Mitchell "Canada 150th" Art Celebration

NAME OF ORGANIZATION: Mitchell Elementary Parent Advisory Council

DESCRIPTION: Our project will begin just after Spring Break and culminate on June 15. The principle five events will be:

1. Canada Trivia school wide - a game that encourages all students to learn facts about Canada's cultures, history, and achievements
2. Mosaic ceramic floor art project in Mitchell's new outdoor gazebo-Creating a physical lasting legacy and memory of Canada's 150th
3. Celebration of Mitchell School's (and Richmond's) distinct and vibrant cultural diversity - through dance, song and art presentations and collaboration
4. Collaboration with seniors in the community, gathering their stories of Canadian history and immigration, similar to the current "Humans of New York" movement. Students will engage in creative writing, both about the seniors and their own stories.
5. Celebration party on June 15th- participation of school community in a celebration with finger foods, unveiling of the mosaic floor, music, recognition of unceded lands and child-friendly activities.

We will use only recyclable or reusable materials and will include produce from our school gardens. Children will be encouraged to wear red, white or their traditional dresses. Bulletin boards throughout the school will display student art work, essays and poems. A strong Canadian spirit will prevail among all students and will foster collaboration among parents, school staff and the community.

DATE(S)/TIME(S): From April 3rd to June 14th, culminating in a school-wide all day Canada 150th Birthday Celebration event on June 15th 2017.

LOCATION: Mitchell Elementary school gym and garden

BUDGET: \$8,200 **TOTAL AMOUNT REQUESTED: \$8,200**

STEERING COMMITTEE RECOMMENDED AMOUNT: \$2,500

Other sources of Funding: No, but we may turn our Canada Trivia event into a fundraising Canada-thon (max \$250)

Project – Canadian Experience

NAME OF ORGANIZATION: Plaza Projects

DESCRIPTION: As Canada celebrates its 150th anniversary, PLAZA Projects wishes to highlight Richmond’s distinct and vibrant community, celebrating its past while looking towards the future. Through presenting a series of public lectures and discussions under the thematic title of “Canadian Experience”, we hope to foster a lasting legacy of civic pride within our community by highlighting cultural histories of immigration, citizenship, and settlement across Canada. Being presented in Richmond, one of the most culturally diverse city in Canada, the series will enrich our understanding of Canada’s people, places and achievements, expanding our notions of what it means to be Canadian. The program is open to the public and inclusive of the voices of local community members. We are also collaborating with cultural institutions such as Cinevolutions, Richmond Arts Coalition, Richmond Museum and Art Gallery in producing this project. In a time when ideas of immigration are increasingly expressed as an anxiety, there could be no greater celebration of Canada than a celebration of Canada’s diversity past and present. Thus far we have invited Gabrielle Moser, Henry Yu, Marcia Crosby, and Izumi Nakamoto as speakers to this series. Gabrielle Moser will present research from Black Star Agency’s collection, examining how citizenship emerged as a photographable subject in Canada. Henry Yu speaks to the history of British Columbia focusing on how migrants from Asia, Europe, and others engaged with each other and First Nations peoples. Marcia Crosby will speak in regards to Indigenous relations to Richmond’s fishing industries, exchange of cultures. Izumi Sakamoto will present her research into skilled immigrants in Canada and their settlement experiences. Her term research into “Canadian experience” provides the inspiration for the point of departure for this proposed series. An extended conversation which seeks to present the rich and diverse narratives of which form the fabric of our society. These talks will culminate into an art exhibition, and online publication at PLAZA Projects to be presented at the end of this lecture series.

DATE(S)/TIME(S): The Canadian Experience series begins in January as runs until August. There will be a talk happening each month.

LOCATION: The Canadian Experience series takes place at Plaza Projects, located in Aberdeen Square (#2370 4000 No.3 Road, Richmond, BC).

BUDGET: \$6,500 TOTAL AMOUNT REQUESTED: \$6,500

STEERING COMMITTEE RECOMMENDED AMOUNT: \$1,000

Project – ArtRich 2017

NAME OF ORGANIZATION: Richmond Arts Coalition

DESCRIPTION: ArtRich 2017, to be held in the last month in 2017 with “Canada 150” as the theme, is our second juried exhibition for local artists to showcase their talents. It will also be a climax of the year---long celebration of Canada’s birthday in Richmond and beyond. The project will include:

- An 8 month (from January 1st to August 31) call and promotion to the residents from the Lower Mainland, who are 18 years or older to submit their art work of all disciplines, from traditional painting to performing and new digital media art.
- A juried exhibition held at the Richmond Art Gallery December 1 to 31, 2017.
- An opening night on November 30 to showcase the performing and musical talents from the Richmond Art Community.
- During the exhibition period in December, a series of photos and short videos titled “Into the Artist’s Studio” will be posted on RAC’s website and social media to expand the ArtRich impact to a much broader audience.
- A professionally produced video will document the entire event and will be broadcast through the Internet after the event to carry the legacy into the future.

The purpose of ArtRich 2017 is completely in line with the vision of Richmond Canada 150. To celebrate our nation’s birthday, art is the best medium to tell our collective stories. Art is the medium to break the barriers and to tie the past with the future. ArtRich is an inclusive project, open to people from all cultural backgrounds. Highlighting Richmond homegrown artists in a professional art gallery setting and inviting artists from other places in the Lower Mainland, ArtRich 2017 will be a unique and meaningful event to create long lasting memories. ArtRich will use this opportunity to develop into a Biennale art show in Richmond as the legacy.

DATE(S)/TIME(S): The juried exhibition will be from December 1-31, 2017. The entire project will kick off January 1 and last until the final day in 2017.

LOCATION: The project will be entirely in Richmond. The juried exhibition and opening celebration will be held at the Richmond Art Gallery.

BUDGET: \$10,000 TOTAL AMOUNT REQUESTED: \$10,000

STEERING COMMITTEE RECOMMENDED AMOUNT: \$6,000

Other sources of Funding: Yes, we charge \$20 for each applicant’s submission.

Project – Eternal Return - Artist Talks, Workshops and Performances

NAME OF ORGANIZATION: Richmond Art Gallery Association

DESCRIPTION: In Fall 2017, Richmond Art Gallery is hosting the exhibition "Eternal Return", featuring five contemporary artists who will create new works in response to objects that are part of the Richmond Museum's Migration Collection. The Gallery proposes a series of talks and performances by the exhibiting artists to further engage the public with the theme of Richmond's migration history and future.

Artist Alanna Ho plans to collaborate with 6-12 year olds from the Richmond Youth Honour Choir to produce a musical performance inspired by objects from the children's own personal history and from the Museum Migration Collection. The students will interpret history and artifacts through new technology, learning to work with basic computer programming and coding. Alanna will rehearse with the choir once weekly throughout the exhibition, culminating in a final interactive public performance.

Artist Lucien Durey will present a series of public musical performances and workshops utilizing glass bottles inspired by objects in the Museum Collection. The artist will perform at the Opening Reception, Culture Days weekend, and at an exhibition closing event. Lucien will also be part of public talks with guest curator Sunshine Frere and artists Barb Choit and Kevin Day, to enhance visitors' gallery experience.

The objectives of the talks and performances are: to connect Richmond's past using objects from the Richmond Museum, with Richmond's future through performance and discussion; to celebrate Richmond through an art exhibition and events based on objects collected from Richmond's past; to reach new and larger audiences through several events; to incorporate a strong community component by having local children collaborate with an exhibiting artist, and ensuring all programs are free to the public; to highlight Canada's sesquicentennial celebrating aspects of Canadian history, including immigration and cultural diversity; and to interpret Richmond's history through the use of old and new technologies.

DATE(S)/TIME(S): Exhibition: Sept 9 - Nov 19, 2017, Performances: Sept 8, Sept 30, Oct 1, Nov 16, and Nov 18. Talks: Oct 21 and date TBC

LOCATION: Richmond Art Gallery and Richmond Cultural Centre Performance Hall

Project – Harvest Full Moon Project: The 150 Year Journey

NAME OF ORGANIZATION: Richmond City Centre Community Association

DESCRIPTION: "Harvest Full Moon Project: the 150 year journey", is a celebration of the last 150 years of arts and culture in Richmond, with a focus on the city's rich agricultural history. This project, led by local artist, Marina Szijarto, will illustrate how different cultures living in Canada give thanks during the harvest season through traditions, rituals and the arts. It will consist of community-engaged workshops culminating in a final procession and celebration. The workshops will take place at various locations in Richmond, including Garden City and Minoru Parks, with the closing celebration and procession at City Centre Community Centre.

The project will begin with free, community-engaged workshops to create art pieces reminiscent of the history of agriculture in Richmond. Workshops will consist of visual and performing arts projects such as lantern making, moon cake making, basket weaving with raw materials, folk dance, storytelling, etc. These workshops will provide intergenerational opportunities to exchange stories and reminisce about past experiences related to arts, culture and farming, with the intention for participants to learn, connect and develop a strong sense of community belonging. Activities will be themed around how art and agriculture has evolved in Canada and, more specifically, in Richmond, over the past 150 years.

The final event will include a neighbourhood procession, leading back to our community centre for an evening of celebration. Art created by the community in the workshops will be used throughout the procession, and exhibited and performed at the Harvest Full Moon Celebration. In addition, the celebration will include performances by Canadian artists and musicians, intergenerational music, moon cakes, tea and a harvest dance.

The workshops, procession and Harvest Full Moon Celebration aim to connect neighbours, friends and families of all ages and ethnicities while celebrating the journey of our past 150 years of Canadian arts, culture and agricultural history.

DATE(S)/TIME(S): The outreach and workshops will take place from July to September. The final celebration will take place on Saturday, October 7, 2017.

LOCATION: The final celebration and workshops will be at City Centre Community Centre. The workshops will also occur at Garden City Park, Minoru Park and other locations as community interest arises.

BUDGET: \$11,900 TOTAL AMOUNT REQUESTED: \$10,000

STEERING COMMITTEE RECOMMENDED AMOUNT: \$2,500

Other sources of Funding: Yes, Richmond City Centre Community Association has allocated \$1900 in their 2016/2017 budget.

Project – Chinese Art & Cultural Festival to Celebrate the History of Chinese Canadians in Richmond

NAME OF ORGANIZATION: Richmond Chinese Community Society

DESCRIPTION: First Chinese labour contracted to build roads and complete ditches in Richmond in 1858. In 1890s Chinese are hired in large numbers to work in fish canneries in Richmond. There were many unfair treatments to the Chinese at that time including the \$50 Head Tax of Chinese Immigration Act of 1885 and Chinese Exclusion Act of 1923 restricts Chinese entering Canada. Chinese volunteered in both First and Second World Wars and made supreme sacrifices. At the end of the war, in 1947, the infamous Chinese Exclusion Act was finally repealed. Chinese were finally allowed to vote in the provincial election of 1949, followed by federal election the same year. Richmond Chinese Community Society (RCCS) plan to organize a Chinese art and cultural event in Richmond to celebrate the history of Chinese Canadians in Richmond on July 29, 2017. This event will be held inside Lansdowne Centre and is opened to the public. We will have a showcase displaying photos and articles of early records of Chinese Canadian in Richmond. There will be Chinese art and cultural booths displaying Chinese Calligraphy and Chinese Brush Painting exhibition. We will have performances on stage with Lion Dance, Traditional Chinese Opera, Chinese Folk Dance, Kung Fu demonstration, Chinese drummers, etc. We will also invite other community groups and organizations to participate in this celebration and exhibitions, such as Richmond Public Library, Richmond Museum, Richmond Cares Richmond Gives, Richmond Multicultural Community Society and many others. This is an educational and multicultural event for the public especially for our Canadian children who can learn the history of Chinese Canadians in Richmond and also Chinese art and culture.

DATE(S)/TIME(S): 29th July 2017 Sat. from 10 AM to 6 PM

LOCATION: Inside Lansdowne Centre

BUDGET: \$9,950 **TOTAL AMOUNT REQUESTED: \$9,950**

STEERING COMMITTEE RECOMMENDED AMOUNT: \$1,000

Project – Richmond Eats, Farm to Fork Cookbook

NAME OF ORGANIZATION: Richmond Food Security

DESCRIPTION: The Richmond Eats, Farm to Fork cookbook will be a cultural, culinary, and historical celebration of Richmond's vibrant agricultural story. Connecting the past, present and future through ethnic family recipes, photos, and untold memoirs of the local people, this book will bridge our bountiful farms to the dinner tables of Richmond residents. With Richmond Eats, the Local Eating Challenge (<http://raiseathon.ca/richmondeats>) enthusiastically received by local residents, we aim to gather a collection of culturally-diverse recipes featuring Richmond-grown ingredients to increasingly promote Richmond's farms to Richmond residents. From handmade Wontons with local bok-choy, Polish casseroles with nugget potatoes, creamy laksa with home-grown sprouts, to tangy kombucha with fresh blueberries, recipes will be highlighted with beautiful archival and current photos, stories, and aspirations from farmers who produce the food and cultures to which the history belongs to. We will spend time gathering stories from the Richmond archives, and through direct conversations with diverse residents and farmers. The resulting cookbook will be freely available to all as a PDF on our website, and we will seek additional funding to produce print copies. The book will be a wonderful compliment to other Canada 150 events that we are currently planning for 2017, including partnering with the Parks Department for the 2017 Harvest Festival, the annual Richmond Eats Local Eating Challenge, as well as heritage seed celebrations at Seedy Saturday and the Richmond Community Seed Library. Food connects people across cultures and time; this cookbook will create a lasting memory of Canada's 150th anniversary of confederation, celebrate Richmond's distinct cultural diversity, and build vibrant, healthy and connected communities.

DATE(S)/TIME(S): The cookbook will be finalized in July 2017.

LOCATION: The resulting cookbook will be available on our website.

BUDGET: \$9,980 TOTAL AMOUNT REQUESTED: \$9,980

STEERING COMMITTEE RECOMMENDED AMOUNT: \$2,000

Other sources of Funding: Not for this project, though we plan to seek funds to publish hard copies of the cookbook.

Project – Richmond Celebration of the 150th Anniversary of Lacrosse

NAME OF ORGANIZATION: Richmond Lacrosse Association

DESCRIPTION: Richmond Lacrosse Association proposes to host Richmond's 150th Anniversary of Lacrosse Celebration with festivities that will feature a variety of educational and cultural activities for participants of all ages and will serve as an once-in-a-lifetime event to honour and celebrate the history and cultural significance of Canada's national summer sport. In 1867, the year of Canadian confederation, the National Lacrosse Association, predecessor of today's Canadian Lacrosse Association, was founded becoming the country's first national sport governing body. During that conference, the organization adopted its first set of written rules, which were created by Dr. William George Beers, a Montreal native who is generally referred to as the 'Father of Modern Lacrosse'. This transitioned the folk-game into a formal sport. While lacrosse has been played for hundreds of years by the First Nations, this development was one of the most important in the history of lacrosse. The 150th anniversary festivities will take place at Minoru Park, Minoru arena and Brighthouse outdoor box. There will be several components to the celebration, the most unique of which will be the presentation of a traditional game inspired by the original First Nations game followed by a modern game of field lacrosse to showcase the transition of lacrosse from the Traditional Game to the modern game that is played around the world. There will also be exhibition booths showing stringing of lacrosse sticks, history of lacrosse in Richmond highlighting Richmond players with interesting lacrosse careers and lacrosse memorabilia. "Try Lacrosse" sessions will be offered at Minoru turf, Minoru arena and Brighthouse lacrosse box where youth of all ages can participate to try the two variations of the sport in a summer camp format over 4 days. The program will feature 1.5 hours of field lacrosse, lunch break, 1.5 hours of box lacrosse and video presentations of game highlights, history of lacrosse and tour of lacrosse exhibits and demonstration of stringing of heads. Sessions will run concurrently alternating field and box lacrosse instruction by certified lacrosse coaches. As a legacy, RLA will provide each participant with a lacrosse stick and DVD of highlights of the celebration including the demonstration game and try lacrosse sessions. As well there will be demonstration Box Lacrosse and Field Lacrosse games played by Richmond players to expose Richmond residents to different forms of the sport. Our hope with the exhibition and demonstration games is to use the past to inspire people about lacrosse today and educate Richmond residents on the impact that Canada has had on the sport of lacrosse. Today, lacrosse is played in some 54 countries throughout the world. We hope this event will allow people to see how the game has developed over the past 150 years and how it has influenced Canada and the other lacrosse playing nations. Upon its creation in 1867, the National Lacrosse Association established the motto "Our Country – Our Game". Richmond Lacrosse Association is eager to showcase the different forms and history of Lacrosse to the residents of Richmond and leave a legacy for youth participating in Lacrosse 150 camps being offered the week of the celebration.

DATE(S)/TIME(S): August 19 to August 25, 2017

LOCATION: Minoru Park, Minoru Arena, Brighthouse Box

BUDGET: \$16,600 **TOTAL AMOUNT REQUESTED: \$10,000**

Project – The Sense of Wonder Walk

NAME OF ORGANIZATION: Richmond Nature Park Society

DESCRIPTION: The Richmond Nature Park Society and the Richmond Fitness and Wellness Association will combine forces to plan and deliver an event that would build awareness among attendees about Richmond’s historical ties to the environment and to promote the “Healthy in Nature” philosophy. The event will encourage attendees to explore, discover, and play outdoors as they connect with nature. Healthy in Nature is a cohesive movement that explores the relationship between human health and nature. The Healthy in Nature movement began with a focus on Children’s re-connection with nature, and has now grown to include people of all ages and the need for natural re-connection across the lifespan.

While exploring the park we plan to have activity/interactive stations throughout the park where participants will discover a myriad of ways to enjoy experience and benefit from time spent in nature. Participants will create their own action plan for increased outdoor activity, ways to engage with nature through activities such as: photography, art, bird watching, active play and geocaching. Activities will be appropriate for all ages/ Budget permitting the event would also feature a speaker or storyteller that would further enhance the experience. We would also look into hiring translators to increase the appeal of this event.

Project – Steveston Neighbourhood/Community Block Parties

NAME OF ORGANIZATION: River Community Church/ (of West Coast Baptist Association)

DESCRIPTION: This project proposal is for support of two (2) neighbourhood/community block parties in Steveston. One would be in "Steveston North" at Manoah Steves Elementary School and one would be at Homma Elementary School (pending approvals). We live in the "spring's neighborhood" and are active in Steves Elementary and serving the neighbourhood. We also do a lot with the families and students at Dockside Village. A block party at Homma is designed to foster community connectedness between those in Dockside, the nearby co-ops, and their neighbours in that general area. Last year we hosted one at Dockside Village (Trites Road) by the request of the manager in order to build bridges to neighbours (in co-ops and houses) with those in Dockside.

The block parties would include dinner (burgers, veggie burgers, D Original Sausage House sausages, watermelon/fruit, chips, and drinks), a popcorn machine, a cotton candy machine, a snow cone machine, two bounce houses, clowns, face painters, and balloon animals. The block parties are designed and advertised to bring the community/neighbourhood together in order to foster a greater sense of connectedness within the community. The block party is for all ages and is a gathering that brings people together from all walks of life and all cultural backgrounds. It is an event that brings people together to initiate and further relationships/friendships.

DATE(S)/TIME(S): June 24 (Saturday) at Steves and June 25 (Sunday) at Homma; 4:00 - 8:00 pm

LOCATION: Pending approval: Steves Elementary School and Homma Elementary School

BUDGET: \$4,000 **TOTAL AMOUNT REQUESTED: \$4,000**

STEERING COMMITTEE RECOMMENDED AMOUNT: \$500

Other sources of Funding: Yes, from Church budget.

Project – Brighthouse Community Labyrinth Gathering

NAME OF ORGANIZATION: Samuel Brighthouse Elementary PAC

DESCRIPTION: The Brighthouse PAC project is to build a community Classic 5 Circuit Labyrinth on the grounds of Brighthouse Elementary School to celebrate Canada’s 150th birthday. Labyrinths are common to diverse cultures represented in Richmond, which form the multi-cultural fabric that is Canada. When completed, the Labyrinth will be a lasting legacy as contemplated in the Grant’s guiding principles. The labyrinth will be built by Brighthouse PAC members and community volunteers under the guidance of a professional labyrinth builder. This will certainly increase our community organization and capacity. The Labyrinth will be constructed of natural materials including rocks that will line the pathway reflecting Canada’s natural beauty and will be decorated by community members to reflect their vision of Canada. The pathway will be made of wood chips and the centre will be a maple leaf. The Labyrinth will be an integral part of the Brighthouse Elementary out food education program and all Richmond community members will be welcome and encouraged to use the Labyrinth. The labyrinth will provide a focus for on-going gatherings. The peacefulness engendered by walking the labyrinth will facilitate members of our diverse community to be tolerant of differences and will foster a sense of belonging and connectedness. Canada is known for peace-keeping, as has been said, “To bring peace to the world, strive to make your own life peaceful”. The process of creating the labyrinth will strengthen the sense of community and build pride in the legacy being created. Pride and a strong sense of community have helped make Canada a great country. To celebrate the creation of the labyrinth and Canada turning 150, we will hold a free barbeque, community multi-cultural potluck plus an evening celebration which will be highlighted by diverse multi-cultural dances being performed by community members and enjoyed by all.

DATE(S)/TIME(S): Building the labyrinth in the first 3 weekends of May, and celebratory potluck barbeque to be held on May 27, 2017

LOCATION: Brighthouse Elementary School Grounds

BUDGET: \$7,925 **TOTAL AMOUNT REQUESTED: \$7,925**

STEERING COMMITTEE RECOMMENDED AMOUNT: \$2,500

Project – South Arm's Canada 150 Celebration

NAME OF ORGANIZATION: South Arm Community Association

DESCRIPTION: With the support of Richmond Multicultural Community Services, Richmond Schools Volunteer Association and South Arm Community Police, the theme of our event will be Canada's beloved sport, hockey, where community organizations will host interactive games based on this theme at their booths. In addition, an outdoor walk through museum will be created to illustrate the history and growth of South Arm's community featuring:

- The history and founding of South Arm Community Association.
- The history and partnership between South Arm Community Association and South Arm United Church, past and present day.
- The history of the high schools within the South Arm catchment area – McRoberts, Palmer and McNair Secondary Schools and their growth and expansion.

All photos and materials used in the walk through museum will be put on display in South Arm's 2D Art Exhibition Display after the event has concluded for the public viewing. This will provide more opportunities for the community to learn about the history of South Arm after the event. South Arm Board members (past and present) and South Arm United Church will be invited to host booths to share and honour the tradition South Arm's history in the community as well as assist with the historical walk through museum. In return, we will be supporting South Arm United Church's Annual Country Fair event by providing volunteers, equipment and resources. As an expansion of our June Block Party, we will have Canadian-inspired foods and entertainment, an artisan market for local artists, art groups and vendors to showcase their handmade items in addition to hockey-inspired activities and games for all ages. South Arm Community Association has committed \$10,000 for the delivery of this event and the final scope of this event will be based on the amount is received from the grant.

Project – The Richmond Peace Labyrinth – Phase 2 Meditation and Community Gardens

NAME OF ORGANIZATION: The Richmond Peace Labyrinth and Richmond Garden Club

DESCRIPTION: This project is part of a long collaborative process that has involved numerous community partners. Those partners have included community volunteers; Turning Point Recovery Society; Richmond Caring Place; Richmond Hospice; Richmond Youth Services; church members; and, the City of Richmond. The site and the labyrinth are used by many different groups and private citizens as a tool for reflection. The labyrinth was built in 2010 after four years of community consultation, fundraising and preparation. It was awarded the Champion of Peace Award for the project. In 2013 a garden plan (see enclosed) was developed by a landscape architect. A mural (“You are here”) was installed July 2016 to highlight the area and to reinforce the spirit of community inclusion. Should our application be successful, our project will come to completion through landscaping and planting meditation and community gardens around the labyrinth. The vision is to reinvigorate the existing space and restore it through planting native trees and shrubs; and, creating an opportunity for local residents to grow and eat locally grown food. Our committee’s vision is to bring nature back to this busy street corner. We are teaming up with the Richmond Garden Club to create a barrier free, natural and healthy space that will be conducive to peaceful meditation, reflection and celebration. We will create an area that will draw in all walks of people by promoting tolerance and spiritual inclusivity. It will be a sustainable celebration of Richmond’s rich connection to gardens.

DATE(S)/TIME(S): The Richmond Garden Club has committed to doing the preparing and planting work spring/summer 2017

LOCATION: The labyrinth site is on the corner of St. Albans and Bennet Roads in Richmond

BUDGET: \$10,000 TOTAL AMOUNT REQUESTED: \$10,000

STEERING COMMITTEE RECOMMENDED AMOUNT: \$4,000

Other sources of Funding: No

Project – Oral Histories from the Land and the Sea to the Land and the Sea

NAME OF ORGANIZATION: The Sharing Farm Society

DESCRIPTION: Oral storytelling is the oldest form of record keeping. We want to celebrate Canada's 150th with a series of potlucks around the hearth of our outdoor cob oven. The 4 potlucks would have invited speakers telling stories about Richmond's Farming, Fishing and First Nations History: Japanese Farming History, Eurocentric Farming History, First Nations and Fishing. An invited speaker would create artwork capturing the essence of the stories told that evening. Each potluck will also have a representative food matching that evening's theme. The Garlic Festival would bring back the speakers from the potlucks for shorter talks before a cooking demo showcasing a representative meal. An invited artist to the festival would also capture the 4 themes with a family friendly craft and moving art during the festival. The event would be open to all.

Outside of a couple initial ideas, we hadn't yet planned for any particular speakers. As part of the grant, we plan on speaking with different city staff in archives and cultural heritage and approaching potential speakers based on those recommendations. We didn't want to begin discussions with community members, asking them to reserve dates, without knowing if the project would go forward. We have since done some early inquiries into speakers and additional invitees. The names below are an initial exploratory list as we haven't approached any of the people listed here.

Euro-centric farming - Councillor Harold Steves

Fishing – Kelvin Higo and Mitsuo Yesaki and an additional invite for Councillor Bill McNulty

First Nations - Approaching Musqueam Archivist Jason Woolman

Japanese - Jane Komori grandparents were farmers are being relocated from Steveston area

It also appears that there are several great people for some of the categories so we are thinking of an expanded format for those with a main speaker and additional invitees to share their stories. There are also several publications that are very relevant that we would love to encourage people to read as part of the project. The Richmond Museum has a history of Terra Nova and Agriculture in Richmond. Another couple of books of history of Cannery Row and I believe one about the Japanese fishing history of Richmond. Additionally, there may be a Chinese family that farmed in Richmond years ago. We are quite open and encourage any recommendations.

DATE(S)/TIME(S): 4 evenings in June and August 20, 2017

LOCATION: The Sharing Farm Healing Garden

BUDGET: \$13,400 **TOTAL AMOUNT REQUESTED: \$10,000**

STEERING COMMITTEE RECOMMENDED AMOUNT: \$5,000

Other sources of Funding: Receive funding for the Garlic Festival.

Project – Canada 150 - Multicultural Celebration

NAME OF ORGANIZATION: Thomas Kidd Elementary - Parent Advisory Committee (PAC)

DESCRIPTION: Our school is a small school with a big heart and we would like to bring the community together for an evening to ignite inspiration and pride in their School, Richmond and Canada. We hold an annual Multicultural night that is potluck style as the PAC and school has limited funds. Our PAC budget is assigned to things like - field trips, art lessons, textbooks and other school needs that the school budget cannot afford. Being approved for this grant means we can really invest in putting on different style of event with a Canadian focus and where the PAC and teachers can enjoy and relax a bit more as we won't have to worry so much about where the funds for resources will come from. This year we wanted our annual event to have a Canadian focus and to celebrate her 150th. To me Canada represents - kindness, openness, positivity, beauty and inspiration. I hope the students leave the event feeling proud of their city and country, I hope the parents leave with a better sense of community and the teachers and principal feeling appreciated. In my son's Gr 5/6/7 class alone there are at least 10 ethnicities represented - we want to showcase our cultural diversity and by showcasing food, entertainment and decor from most of the countries that make up our community. In addition we will feature a Canada 150 area to showcase Canada's past and we are hoping our families share their stories of why they appreciate their home country or their new country if they are not from Canada originally. To summarise we hope to build a stronger school community with an evening to celebrate our diversity, our city and our country. We want the children, parents and teachers to share in an educational but relaxing evening and that their ongoing effort to make Thomas Kidd a great school does not go unnoticed.

DATE(S)/TIME(S): TBA but a weekend evening near the end February 17/18/24/25, 2017

LOCATION: Thomas Kidd School - Gym and other suitable rooms

BUDGET: \$5,000 TOTAL AMOUNT REQUESTED: \$5,000

STEERING COMMITTEE RECOMMENDED AMOUNT: \$2,500

Other sources of Funding: Usually donations from parents and time from teachers, parents and students

Project – Homma Heritage Days

NAME OF ORGANIZATION: Tomekichi Homma PAC

DESCRIPTION: Homma Heritage Days is an annual five day celebration of the cultural diversity and maritime history of our school; the Village of Steveston and City of Richmond and their place in the history of Canada. As this is our inaugural celebration our goal is to create a legacy through lasting memories; a deeper sense of pride and connection to our school and the unique community of Steveston Village through increased organization within the community. During the five day event we will have guest speakers visit our school to talk about the history of the Richmond; Steveston Village; and T. Homma. The students will also participate in classrooms with their teachers in a week long education promoting the history of our community. We want to tie the past with the future by commemorating Tomekichi Homma and the Village through education and stronger partnerships with community leaders and organizations such as the Musqueam Indian Band; Steveston Kendo Club; Britannia Shipyard; Gulf of Georgia Cannery; Steveston Interurban Tram; The Richmond Historical Society and living relatives of T. Homma. Our purpose is to showcase and promote such uniquely local groups by having guest speakers visit our school during Homma Heritage Days as well as showcase/promote them during Homma Heritage Spring Fair. As in everything we do at T. Homma Elementary the planning and executing of Homma Heritage Days will be inclusive and provide opportunities for community; school; parent and student input and participation. Homma Heritage Spring Fair will cap off the five day event with a big celebration which will include presentations from before mentioned community organizations; vendor tables; informational booths; carnival games/rides for all kids in the community. There will also be food provided by local restaurants. This will be an inclusive community event. We will invite city and community and use many avenues to promote our event such as word of mouth; social media and email invitations.

DATE(S)/TIME(S): May22-May26, 2017

LOCATION: Tomekichi Homma Elementary School

BUDGET: \$10,500 TOTAL AMOUNT REQUESTED: \$10,000

Project – Summer West Fest - Celebrate the Past with the Future

NAME OF ORGANIZATION: West Richmond Community Association (WRCA)

DESCRIPTION: Building on West Richmond's annual Summer West Fest, West Richmond will host an engaging evening celebrating Canada 150. A community art project "Celebrate the Past with the Future" will be the centerpiece of West Richmond's Canada 150 celebration. This art project will allow community members to take a walk down memory lane by following an interactive timeline highlighting the changes and history of West Richmond. Community members will be able to share their memories through a visual display of photos, community stories, and discussions. Lead by local community artist(s), the project will begin in the summer as a series of four intergenerational community workshops. The workshops will engage community members and their history in the West Richmond area. The project will also highlight significant historical aspects of the community that contributed to its growth by focusing on the history of the land and local organizations, such as West Richmond Community Association (WRCA), Seafair Hockey and Hugh Boyd School.

Additional features that will be included in the event to highlight Canada's 150 celebrations will be:

- 1) WRCA historical connection: Reunite past WRCA Board members through special invitation to Summer West Fest 2017.
- 2) Canadian themed food: Current offerings at Summer West Fest include a sponsored corn roast and a concession. These offerings would be expanded by offering free or subsidized local food truck fair and local farmed food that reflects the cultural mosaic of Canada.
- 3) Local Entertainment: Provide a variety of local talent that highlights the diverse music that make up Richmond and Canada.
- 4) Canada 150 theme: Free Canada 150 prizes and giveaways for games and activities. All staff and volunteers will be provided with an event specific shirt highlighting Canada 150.
- 5) Marketing: Increase marketing by exploring new options for promotion such as postcards, newspaper ads and other means.

With 400 - 500 people regularly in attendance at Summer West Fest, it is the ideal event to celebrate Canada 150 for the West Richmond community.

DATE(S)/TIME(S): Wednesday August 30th 2017, 5:30 -10:30pm

LOCATION: West Richmond Community Centre & Hugh Boyd Park

BUDGET: \$10,150 TOTAL AMOUNT REQUESTED: \$6,350

STEERING COMMITTEE RECOMMENDED AMOUNT: \$2,500

Other sources of Funding: Yes, sponsorship from local businesses (approx. \$400 and in-kind donations).

Project – The Roses Giant Play Day

NAME OF ORGANIZATION: William Bridge Elementary PAC

DESCRIPTION: Children, and their parents, are spending too much time indoors involved in sedentary screen-related activities. The ParticipACTION Report Cards note that Canadian high school students spend an average of 8.2 hours per day in front of screens, and only 24% of children aged 5 to 11 meet the recommended guideline of 2 hours or less of screen time per day. Almost half of Canadian children spend less than 3 hours per week in active play. And while 79% of parents support their kids' activities financially, only 36% report playing active games with their children. Less than 20% of parents report that crime, safety or poorly maintained sidewalks are an issue in their neighbourhood, but only 25% of kids typically walk or wheel to school. Kids and their parents need to get outside, explore their neighbourhood and meet their neighbours (to reduce anxiety about venturing outside to play without direct supervision), and learn (or relearn) how to play outside with your friends. We want to have a "Giant Play Day" that involves multiple games and sports, at multiple locations in the Roses neighbourhood that surrounds Bridge Elementary. This includes pick up soccer, basketball and softball on the school grounds, as well as drop-in road hockey, kick the can, and scooter races on the streets nearby (closed to traffic of course). We'd like to offer a bike tune-up centre and in-line skating demonstrations in the school parking lot. With lots of equipment give-aways, a festival atmosphere and supportive environment, we expect approximately 400 children and parents to join in (the school has 302 students but our largest events only usually attract 350 people). We also would like to invite food trucks to set up around the neighbourhood, however, Bridge School does have a refillable water bottle station and, as most attendees likely live in the surrounding area, we do not plan to supply food or beverages to participants.

DATE(S)/TIME(S): Saturday, June 17th from noon till 5 p.m.

LOCATION: On the grounds of Bridge Elementary and in the streets in the surrounding neighbourhood.

Project – Richmond Children’s Authorfest

NAME OF ORGANIZATION: Children’s Writers and Illustrators of BCSc

DESCRIPTION: There will be a 24 author illustrator sessions (On site author will deliver 2 per day as well as be the all-day go to and work with volunteer stations). Author/illustrators will provide 2 paid presentations in addition to 1 volunteer session per day. This would be a total of 2 paid sessions (\$500.00 plus GST) and one volunteer session. 10 author/illustrators (2 sessions each plus one volunteer session at a community engagement table, they will not have to design this one, we could consider selecting one author/illustrator to be the opening keynote speaker at the Friday event, the keynote would deliver 1 additional session). This will be free to the public panels and Saturday workshops/presentations with an opening ceremony.

DATE(S)/TIME(S): November 2017

LOCATION: Library Space, Brighthouse Branch

BUDGET: \$10,000 **TOTAL AMOUNT REQUESTED: \$10,000**

STEERING COMMITTEE RECOMMENDED AMOUNT: \$0

Other sources of Funding: In-kind services for venue and funding from R.P.L.

Project – Steveston Heritage Celebration

NAME OF ORGANIZATION: Community Mental Wellness Association of Canada

DESCRIPTION: The Steveston Heritage Celebration project aims to expand understanding of the people, places and cuisine in Canada. Through the tour of four historic sites in Richmond and experiencing Canadian food, participants will be able to travel back in time to see Canada’s colourful history.

Canadian Heritage Walk: The participants will tour through four historic sites in Steveston that have rich Canadian culture and learn about the formation of the City of Richmond. The historic sites include Gulf of Georgia Cannery, Britannia Shipyards, Steveston Museum and London Heritage Farm. British Columbia’s economy has always been dependant on harbour business due to its close proximity to the Pacific Coast; therefore, the Steveston area plays a major role in Canadian history and deserves to be recognized. There will be a tour guide accompanying our participants throughout the trip.

Celebration Fair: After the heritage walk, a celebration fair will be held at the CMWAC and transportation will be provided to participants from the last historic site toured. The fair will feature many famous Canadian foods, such as poutine, maple syrup, west coast fish, Nanaimo bars, butter tarts, Saskatoon berry pie, hard tack and Canadian bacon with mashed potatoes. Since Canada is open to multicultural values, there will also be food from a variety of other cultures. All of the food would be served in a buffet style and there will be an information card beside each food to describe its origin. There will be a historian speaker to discuss about Richmond’s history and how it came together as a city.

DATE(S)/TIME(S): June 11, 2017

LOCATION: Gulf of Georgia Cannery, Britannia Shipyards, Steveston Museum, London Heritage Farm and CMWAC Building

BUDGET: \$5376 **TOTAL AMOUNT REQUESTED: \$4,726**

STEERING COMMITTEE RECOMMENDED AMOUNT: \$0

Other sources of Funding: Yes, through CMWAC fundraising.

Project – Where the Heart Belongs: Voices of Women Immigrants in Canada

NAME OF ORGANIZATION: May Wang & Flora Lin

DESCRIPTION: As a new immigrant, I have met many women immigrants like me through workshops and volunteering. We share our stories of struggle and success. We encourage each other and support each other through sharing. For many immigrant families, the women are those who made the decision to give up everything they had in their home country and to move to Canada, a country of their hearts' choice. I hear about and witness how they work hard to adjust to their new life in Canada, how they overcome challenges through persistence, how they build a new life through hard work. And time and again, I was surprised by the difficulties some of these women have to go through due to language barriers. And for the same reason, their existence is more or less invisible, and their stories are untold. This inspired me into thinking about writing a book about them, so that their voices are heard, loud and clear, and their stories are not forgotten. The plan is for me and my co-applicant to interview 15-20 immigrant women and write a book of their stories. These stories will not only connect immigrant women with other immigrant women, they will also help build a bridge of understanding between immigrant women and local residents and government agencies so that their stories become the stories of empowerment for other immigrants especially other women immigrants.

DATE(S)/TIME(S): 8 months interviewing and writing stories. Publish stories in a book. Hold a party in Dec. to celebrate and distribute books.

LOCATION: We hope to book a place in the library.

BUDGET: \$9,900 **TOTAL AMOUNT REQUESTED:** \$9,900

Project – Pacific Wave Synchro Flash Mob 150

NAME OF ORGANIZATION: Pacific Waves Synchronized Swim Club

DESCRIPTION: The Pacific Wave Synchro club provides synchronized swimming training at all levels for more than 100 participants and athletes annually in Richmond, training at Steveston Outdoor Pool, Watermania and Minoru, and as well as the Richmond Oval. Swimmers from different programs will train together to create a routine for a Flash Mob “Synchro-style” to hit Steveston Outdoor Pool, Watermania and Minoru on the same day. The club will organize times and space required at each location, so that a 3 to 5 minute “flash” synchro demonstration can be done. Following this, the participants will come out of the pool and invite people to join them on the pool deck and in the pool to give synchronized swimming a try. Participants will make posters that highlight Canada’s distinguished record in the sport including Carolyn Waldo and Michelle Cameron’s Olympic duet Gold in 1988 and Sylvie Frechette’s Solo gold in 1992. Participants will distribute swimming caps with the Pacific Wave Synchro and Richmond 150 logo and information about the sport and club.

Project – 30 Years of Art – Richmond Art Gallery Association Evening of Celebration

NAME OF ORGANIZATION: Richmond Art Gallery Association

DESCRIPTION: In 2017, the Richmond Art Gallery Association (“RAGA”) will celebrate its 30 anniversary. For the past three decades, RAGA has been instrumental in supporting the Richmond Art Gallery, providing the Richmond’s residents with opportunities to be involved with Canadian contemporary art, and served as the communities’ cultural and artistic focal point. RAGA has played a pivotal role in celebrating Richmond’s cultural diversity and encouraging the community’s understanding and appreciation for the beauty and influence of art throughout Canadian history. To celebrate RAGA’s long-standing relationship with the Richmond community, RAGA plans to host an anniversary gala in 2017. The anniversary gala will provide Richmond’s diverse community with an opportunity to come together to celebrate Canadian art and artists, and to learn more about the Richmond Art Community.

Project – Doors Open Richmond 2017

NAME OF ORGANIZATION: Richmond Museum Society

DESCRIPTION: Doors Open Richmond celebrates its 10th installment in 2017. The event kickoffs on Friday, June 2 with an evening celebration at the Richmond Cultural Centre (RCC) and is followed by free public access to over 40 diverse heritage, arts and cultural sites across the City on Saturday, June 3 and Sunday, June 4 from 10 am to 4 pm.

A number of different groups and organizations will be participating in the opening kickoff, including the Richmond Museum, Richmond Art Gallery, and Richmond Library, the artist-in-residence program at Branscombe House, community groups operating out of the RCC, and museum societies from across the City. The RCC's plaza will be activated with local musicians and family activities. As part of Canada's 150th Celebrations, the opening celebration will be themed for the first time, with participants exploring "Placemaking" to mindfully engage with the natural and built environments of the past and present, which shape the Richmond community today and tomorrow.

Doors Open Richmond remains a leading celebration of heritage, arts and culture in Metro Vancouver in terms of site visits and partner sites and organizations. In 2016, 42 partner sites and 49 partner organizations participated. Since its first installment in 2008, Doors Open Richmond has welcomed over 166,000 site visitors, who have created memories by exploring museums, national historic sites, galleries, artists' studios, and places of worship, parks, city facilities and specialty businesses. In 2017, to make the event even more accessible, for the first time three free shuttle buses operating on hop-on/hop-off loops around clusters of participating sites throughout Richmond.

As well as showcasing the social and material culture and built heritage of Richmond's extremely diverse past and present, Doors Open Richmond will offer over 150 volunteer opportunities to engage with the community.

DATE(S)/TIME(S): June 2-4, 2017

LOCATION: Opening kickoff at Richmond Cultural Centre; event days at 40+ heritage, arts and cultural sites across Richmond.

BUDGET: \$21,000 TOTAL AMOUNT REQUESTED: \$7,000

Project – Bodhi Meditation Day

NAME OF ORGANIZATION: The Canada Bodhi Dharma Society

DESCRIPTION: The Bodhi Meditation Day is an annual event, with the goals of celebrating Master JinBodhi's vision of improving the health and happiness of everyone in the community by encouraging people to embrace the principles and methods of meditation as part of a healthy lifestyle. The BMD showcases different free and year-round meditation classes, programs and community events that Bodhi Meditation Centre offers. This BMD will continue to be hosted based on the following principled goals (Appendix A):

- 1. An open and inclusive celebratory event:** The Bodhi Meditation Day is an open-door event that welcomes everyone in the community to participate. The celebration will be conducted in Richmond's King George Park, which is accessible by everyone. It is an open invitation to everyone in the community to participate. No invitation is needed, and no ticket is needed.
- 2. Celebrate the community's distinct and vibrant cultural diversity:** We had more than 1,000 attendees at the BMD last year, representing more than 30-plus cultural and ethnicity background. In the past, the BMD traditionally attracted multi-cultural performers to present their distinct cultural shows, as well as people from all walks of life with diverse cultural and religious backgrounds to celebrate the event.
- 3. Showcase Richmond as a healthy and positive living community:** This BMD has attracted many long-time locals and newly arrivals to the community. This happy gathering is not only a celebration, but also becoming a place to meet and mingle with people, as well as a place to learn more about a healthy living and healthy lifestyle in the community.
- 4. Build connected communities and expand understanding of the people, places, and achievements of Canada and Canadians:** In addition to the planned event advertisements, the families and friends of the Bodhi Meditation community of practitioners will go out of their ways to invite new friends, associates and neighbors to join in the celebration.
- 5. Incorporate sustainability initiatives:** This year's BMD will adopt the seven principles of Richmond Sustainable Champion, and apply to 2017 Richmond's Sustainable Championship afterwards.

In the last few years, the Bodhi Meditation Centre has advanced in sustainability practice by adopting a recycled, reusable and compostable approach in conducting all our events, classes, projects and programs.

Project – Celebrating Canada at Nations Cup

NAME OF ORGANIZATION: The Nations Cup Soccer Society

DESCRIPTION: The Nations Cup is recognized by players and spectators alike as one of the foremost amateur men’s and women’s soccer tournaments in Western Canada. The 37th annual tournament is slated to take place July 14-16, 2017 in Richmond, BC. This unique concept of grouping players together based on their ethnic backgrounds and/or countries of origin creates an exciting atmosphere that provides a platform for people throughout the community to express their ethnic pride. Teams representing countries such as China, India, Caribbean, England, Italy, Germany, Iran and Scotland, just to name a few, are comprised of elite players from throughout the Province to compete for the coveted “Nations Cup” trophy. Recognizing Canada and Richmond cultural diversity, we recognize an opportunity to celebrate how sports play a role in bridging the divide between communities. We would like to create an opportunity to extend our event from a sporting event into one that can celebrate music, dance and food from the many cultural backgrounds that make up Richmond. Our proposal involves working with many of the soccer groups to provide performers that will showcase and celebrate the Nation’s Cup tournament. In addition, we will increase efforts to make the concession foodie paradise that reflects the diversity of the community. We envision a stage running a variety of musical and dance performances concurrent with the regular activities. We would also find opportunities to celebrate Canada’s presence in the tournament through providing collateral to supporters to “cheer on” Canada as they participate in the tournament.

DATE(S)/TIME(S): July 14-16, 2017

LOCATION: Hugh Boyd Park

BUDGET: \$10,000 **TOTAL AMOUNT REQUESTED: \$10,000**

Other sources of Funding: Yes, for the soccer portion of the event.

Project – The Richmond Singers Annual Spring Concert – Celebrating Canada in Song!

NAME OF ORGANIZATION: The Richmond Singers

DESCRIPTION: The Richmond Singers are excited to have this opportunity to celebrate Canada’s 150th birthday by sharing the gift of music without audience. Throughout our 45 year history as a community choir in Richmond, we have used our concerts as a way to reach out to the diverse communities that make up the population of Richmond. Our concert on May 27, 2017 will celebrate all that makes Canada – and in particular, Richmond – a special place to live, work and visit. Using the universal language of music, and through the specific songs we perform, we will highlight our country’s history, geography and cultural diversity. Under direction of our award-winning Musical Director, Natasha Neufeld, we will include songs in a variety of languages that reflect some of the languages spoken here. Our program will be Canadian in content – including works by Canadian composers; sharing the history of our country through folksongs and historical themes; exploring the geography- the oceans, mountains, prairies and tundra – through song; honouring our First Nations people. We will also emphasize Richmond’s place as a waterfront city with strong agriculture roots and an international airport that makes our city a gateway to the world. Our guests for this concert will include “Sweet Scarlet” – a BC women’s a cappella group – which won the Elmer Iseler Award for best performance of a Canadian work at the 2016 Kathaumixw International Choral Festival in Powell River, of which the Richmond Singers were also invited participants. Guest musicians from the Lower Mainland will also be used to enhance our performance. If we are successful in this application we hope to engage Jonathon Quick, Musical Director of the Vancouver Welsh Men’s Choir to arrange a piece of music in honour of this event.

Project – Richmond Review

NAME OF ORGANIZATION: Friends of the Archives

DESCRIPTION: The "Richmond Review" began life in 1932. After a few issues published by founder Bill Carruthers, it was sold to Ethel Tibbits, who ran it until 1948. For much of its existence it was known as the "Marpole-Richmond Review." By the 1970's it was BC's largest circulating biweekly. The last issue came out on July 24th, 2015. Before the offices of the "Richmond Review" were completely vacated, the City of Richmond Archives acquired hard-copy issues of the newspapers from 1935-1975. At the same time, the Richmond Public Library also donated historical issues on microfilm to the Archives. Now the City of Richmond Archives has a complete run of the paper from 1932-2015.

The "Richmond Review" is widely accessed by researchers as it is a detailed account of our community history, unparalleled by any other local historical collection. At the same time, the original newspapers are fragile and brittle and deteriorating daily. Every time they are handled decreases their life expectancy. It is urgent that they be digitized as soon as possible not only to increase accessibility but also for long-term preservation.

The quote to digitize the entire collection of "Richmond Review" newspapers is \$30,000. As this project is so large in scope, we are proposing to complete this project in phases. This project will be Phase 1 of the "Richmond Review" Newspaper Digitization Project, with an anticipated output of digitizing 1/3 of the newspapers beginning with the oldest and most fragile issues. Although it is imperative that the entire project is completed in the near future, we look forward to beginning the digitization project with this Phase 1.

This project meets all of the goals of the Canada 150 Community Celebration program, most notably: Create lasting memories of Canada's 150th anniversary of confederation; Celebrate Richmond's distinct and vibrant cultural diversity; Celebrate the past; Expand understanding of the people, places and achievement of Canada and Canadians; and build vibrant, healthy and connected communities.

Project – Canada 150 at the Richmond Regional Heritage Fair

NAME OF ORGANIZATION: Richmond Museum Society

DESCRIPTION: The Richmond Museum is thrilled to commemorate the 150th anniversary of Confederation through its annual Richmond Regional Heritage Fair.

The Richmond Regional Heritage Fair is an annual showcase of Canadian history projects created by Richmond youth. Elementary and secondary school students research a topic in Canadian history and present their findings using a creative three-dimensional display. At the Richmond Heritage Fair, students are interviewed about their research, take part in enriching workshops and field trips, and present their Heritage Fair projects in a public showcase. The community is invited to visit the Richmond Heritage Fair to learn about Canadian history and heritage and enjoy free, family-friendly activities.

Canada 150 provides the perfect opportunity to take the Richmond Heritage Fair to the next level. The Richmond Museum will collaborate with the Richmond School District, Richmond Public Library, Richmond teachers, and local history and heritage organizations to develop new teaching and learning tools to encourage students to create Heritage Fair projects with a distinct Canada 150 theme. We are excited to introduce students to unique stories about Canada's past that encourage historical inquiry and expand understanding of the people, places and achievements that have shaped Canada over the last 150 years. We expect the Richmond Regional Heritage Fair in 2017 to showcase fascinating history projects and presentations that present the unique perspective of children and youth about Canada 150.

At the Richmond Regional Heritage Fair, the Richmond Museum will work with its Richmond Regional Heritage Fair Organizing Committee, which includes a team of motivated and enthusiastic youth alumni, to plan activities that will create lasting memories of Canada's 150th anniversary of confederation. This will include inviting performers to celebrate Richmond's distinct and vibrant cultural diversity, and planning activities that encourage deeper reflection on the significance of Canada 150.
