Staff Report

Origin

At the request of the Community Safety Committee, the Officer in Charge will keep Council informed on matters pertaining to policing in the Richmond community. This report supports Council's 2014-2018 Term Goal #1 A Safe Community:

Maintain emphasis on community safety to ensure Richmond continues to be a safe community.

Analysis

Below is the RCMP's monthly report for June 2015 activities.

Noteworthy Files and Activities

Cocaine Drug Line Dismantled

The Richmond RCMP Organized Crime Unit (OCU) began investigating a drug trafficking group in June 2014. The individuals within this group purportedly sold cocaine and other 'hard' drugs throughout Richmond. These types of investigations are highly complex, resource intensive and lengthy. The investigation resulted in the identification of 8 individuals selling cocaine, crack cocaine and heroin via a drug line. In April 21, 2015 during an alleged drug transaction, the Detachment's Organized Crime Unit arrested two males near Lansdowne Road and No. 3 Road. The Public Prosecution Service of Canada has approved charges on 8 people.

Prolific Purse Snatcher Caught

The Richmond RCMP Quick Response Team (QRT) arrested a prolific purse snatcher. The offender specialized in the theft of purses from victims frequenting local shopping malls and restaurants throughout Richmond. QRT noticed a trend in this type of crime in January 2015. After analyzing the crime data, patterns emerged and officers started to hone in on a suspect. A Burnaby man has been charged with 9 counts of Theft Under \$5,000 Sec. 334 (b) Criminal Code of Canada. His offences spanned from January 2015 to April 2015.

Arrest Made in Golden Scheme

The Detachment issued a public warning about a false gold scheme back in March 2015. Since that time the Detachment received a number of tips and commenced an operation dubbed 'E-Porcini' to identify, investigate, and arrest the suspect responsible. The suspect posed as someone in the construction industry who had unexpectedly unearthed a treasure trove of gold ingots and Buddha figurines along with an ancient will. He befriended his victims and convinced them of the authenticity of the will and the value of the treasures. As part of the scheme, the gold was allowed to be tested to confirm its authenticity, but a sample of authentic gold was switched before testing.

After a complex and comprehensive investigation, on June 25, 2015 charges were laid against a man residing in Richmond. The man committed 3 counts of Fraud contrary to Section 380(1) and 463 of the Criminal Code of Canada. There were 3 victims who were Asian in descent and from the lower mainland.

Victim Services

Victim Services provides victims and witnesses with professional and timely support to lessen the impact of trauma resulting from crime.

- During June, Richmond RCMP Victim Services provided services to 46 new clients and attended 8 crime and trauma scenes, in addition to maintaining an active caseload of 212 on-going files.
- Victim Services provided on-going emotional support to help victims of threats and harassment, family dysfunction and many medical related sudden deaths. Referrals are provided for long term help. Victim Services provided support to victims of crime by providing court orientations and accompaniments to trial.
- Victim Services continued providing support to the family of two victims that passed away in a fire.

Community Police Stations

The Community Police Stations enhance the Detachment's community policing service by providing an array of crime prevention resources and community safety initiatives. City staff and volunteers pursue community safety initiatives which have led to a greater awareness of crime prevention programs, enhanced community engagement, accessibility, and reduced fears of crime. The demographics of the programs vary month to month based on weather permitting, seasonal initiatives, events and the availability of volunteers. Programs and activities for the month of June include:

Business Link

Volunteers go door-to-door and talk to business owners/managers that have been broken into and provide a package that contains brochures and crime prevention information. In June, 12 business were visited totaling 6 hours. Businesses that would like to receive the email alerts will be registered.

Fail to Stop

Volunteers monitor areas where drivers are not making a full stop at stops signs and red lights, given prominence to by Richmond businesses and residents. In June, 337 information letters were sent to the registered owner of the vehicle advising them the fine if they were pulled over by a police officer.

In June, the areas of focus were:

- Kwantlen Street and Alexandra Road
- Lansdowne Road and Minoru Boulevard
- River Road and Cambie Road
- Kwantlen Street mall access

Lock-Out Auto Crime Statistics

Co-sponsored by the Insurance Corporation of BC (ICBC), this program involves volunteers patrolling city streets and parking lots for automobile security vulnerabilities. Lock-Out Auto Crime Program notices supplied by ICBC are issued to every vehicle inspected indicating to the owner what issues, if any, need to be addressed in order to keep the vehicle and its contents secure.

Inspection criteria include:

- Does the vehicle have an anti-theft device (e.g.: alarm, immobilizer or steering wheel-lock)?
- Are there any personal belongings in plain view?
- Is the vehicle locked?
- Have all steps been taken to prevent auto crime?

Figure 2 provides a comparison by year for the number of vehicles issued a notice.

Figure 2: Lock Out Auto Crime Vehicles Issued a Notice

Speed Watch Statistics

Speed Watch promotes safe driving habits by alerting drivers of their speed in school zones and on roadways. Trained volunteers are equipped with radar and a speed watch reader board that gives drivers instant feedback regarding their speed. The volunteers record the license plate number and the speed, and a letter is sent to the vehicle’s registered owner when there is an infraction. The letter includes the date, time, location and what the penalties would be if the driver had received a violation ticket.

Figure 3 provides a comparison by year of the number of letters sent.

Figure 3: Speed Watch Letters Sent

Distracted Drivers Statistics

Trained volunteers monitor intersections and observe distracted drivers and while volunteers are performing bike/foot patrols or Speed Watch duty, they note drivers that are on their cell phones, using other electronic devices, reading a newspaper, shaving or putting on makeup. The registered owner of the vehicle is sent a letter with the date, time and location of the observed offence. Also included in the letter is the type of driving infraction and amount the fine would be had the driver received a violation ticket.

Figure 4 provides a comparison by year for the number of letters sent.

Figure 4: Distracted Drivers Letters Sent

Volunteer Foot/Van Patrol and Bike Patrol Program

Trained volunteers patrol Richmond neighbourhoods reporting suspicious activities and providing a visible deterrent to crime and public order issues. In June 2015, there were 7 foot/van patrols, totaling 50 hours and 10 bike patrols totaling 96 hours. The volunteers assisted the public with directions, general questions and minor vehicle collisions. They also reminded jaywalkers to use the crosswalks, noted any distracted drivers and used palm pilots to run license plates to see if any vehicles were stolen. During the patrols, the volunteers visited local parks and schools to make sure these areas were safe and looked for possible grow ops and abandoned houses.

Volunteer Highlights include:

- Three volunteers participated in the Law Enforcement Torch Run on June 5.
- On June 8 and June 9, iPad training, in partnership with ICBC, was completed.

- On June 16 and June 17 two police officers from the Detachment's Road Safety Unit trained some of the volunteers in Speed Watch.
- On June 23 a Superintendent from the Canada Border Services Agency (CBSA) came out and spoke to the volunteers on the student program, hiring process and recruiting.

Youth Section

Drug Abuse Resistance Education (DARE)

In partnership with the Richmond School District, Richmond Detachment delivered the DARE program to approximately 1,703 fifth graders for the 2014/2015 school year.

Preparation for Camp Courage

Camp Courage allows children to find out what it is like to be a police officer or firefighter. The Richmond RCMP, City of Richmond's Recreation Department and Richmond Fire Rescue are teaming up to deliver three one-day camps this summer that will afford children the opportunity to find out what it is like to be a police officer and firefighter. Children will learn about the training, responsibilities, skills and equipment involved in policing and firefighting through demonstrations and hands on activities.

Camp Courage is a great opportunity for police and fire personnel to communicate with youth and their parents, acting as positive role models, and mentoring youth towards goals of social responsibility and civic mindedness. The camps are open to children aged 9 to 12 and a small fee of \$10.00 per child covers a T-shirt, supplies and pizza lunch. The camps take place from 10:00 am to 3:00 pm on the following dates and locations.

- July 8 at Thompson Community Centre
- August 19 at South Arm Community Centre
- August 26 at Cambie Community Centre

Ships to Shore

Youth Section participated in the Ships to Shore Festival on June 29 and June 30. The festival provided an opportunity for interaction with the public and children.

Youth Probation

Youth Section continued to meet with Youth Probation in order to better monitor local youth offenders.

Tim Horton's Camp Day

On June 3 Constable Dandiwal and Constable Xia volunteered at Tim Horton's in the Ironwood mall by serving coffee and greeting customers to raise money for sending financially restricted children to summer camps.

CRIME PREVENTION

WORKING TOGETHER TO PREVENT CRIME

NEWSLETTER

Do I have to call the Police when I've been in an accident?

You don't always have to call the Police, but there are key situations in which you're required to make a Police report like when:

- there has been a death or someone has been taken to the hospital by ambulance;
- it was a hit-and-run accident;
- someone broke into or vandalized your vehicle; or
- your vehicle was stolen.

In addition, a good rule of thumb is to call the Police if you think the damage to your vehicle looks like it may be more than \$1,000 (or \$600 for a motorcycle and \$100 for a bicycle).

If the Police don't come to the accident scene, your Dial-a-Claim adjuster will let you know if you have to get a Police Report.

What to do after a crash

Step one

- If anyone's injured, call 9-1-1.
- Move the vehicles off the road if it's safe to do so.
- Avoid discussing who's at fault for the crash.

Step two

Get details.* Record the following for all the vehicles and drivers involved in the crash:

- driver's name, driver's licence number, province/state and contact info;
- licence plate and year, make and model of vehicle;
- insurance details if the vehicle isn't from BC.

* You may also need to provide this information to the police.

Step three

See if there were any witnesses. Record their names and contact information.

Step four

Describe the crash scene (if possible take photos or use the diagram on the back):

- What was the time, date and weather conditions?
- What was the location?
- What direction were you both travelling?
- Where was your vehicle and what lane were you using?
- Where was the other vehicle?

Step five

Our Dial-a-Claim staff are here to help you 24/7:

Yielding to an Emergency Vehicle

"Fail to Yield for Emergency Vehicle" – BC Motor Vehicle Act, Section 177 if charged may result in three driver penalty points and a \$109.00 fine.

For the most part, Richmond residents are alert and know what to do when a police car, ambulance or fire truck in full Code Three mode comes up behind them—pull over to the closest side of the road giving the emergency vehicle plenty of room to get by.

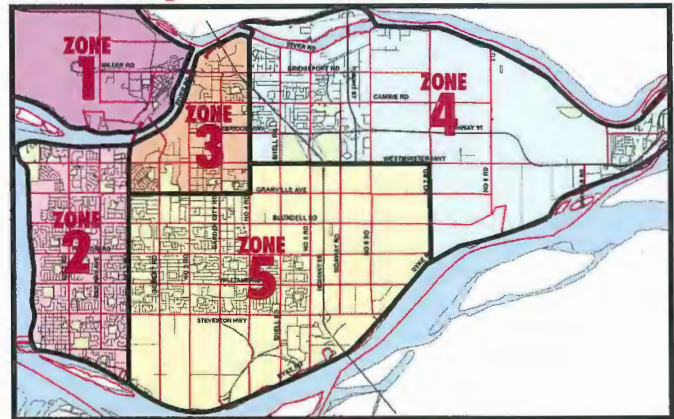

If an emergency vehicle, police, fire or ambulance, with siren and flashing lights approaches, drivers must yield the right-of-way and **IMMEDIATELY** drive to a position parallel to and as close as possible to the nearest edge of the roadway clear of an intersection, **STOP**, and **REMAIN STOPPED** until the emergency vehicle has passed. This includes drivers on **BOTH SIDES OF THE ROADWAY** regardless how many lanes wide the road might be.

Fire apparatus have a special privilege granted to no other emergency vehicle in British Columbia. You must not follow them within 150 metres or 500 feet unless you are also driving an emergency vehicle. Fire apparatus are not as nimble as other vehicles. Following at the proper distance leaves room for sudden stops, turns and unexpected lane changes. Following too closely could cause a collision preventing the fire truck from reaching the emergency.

新聞通訊

遇到意外是否必須報警？

並非所有意外都必須通知警方，但若發生了下列重大事故，就必須報警：

- 有人死亡或被救護車送往醫院；
- 發生車禍後肇事司機不顧而去；
- 您的汽車被人侵入盜竊財物或惡意破壞；或
- 汽車被偷走。

此外，考慮應否報警時，一個有效的判斷準則就是您認為汽車所受的損害看來可能超過\$1,000（電單車\$600，單車\$100）。

如果沒有警察前來意外現場，您的電話索償 (Dial-a-Claim) 理賠員會通知您是否需要索取警察報告。

發生車禍後如何是好？

第 1 步

- 若有人受傷，就要致電 9-1-1。
- 在安全情況下將汽車駛至路旁。
- 避免討論車禍是誰的過失所致。

第 2 步

記錄資料細節。*寫下車禍中所有汽車及司機的下列資料：

- 司機姓名、駕駛執照號碼、所屬省／州及聯絡資料；
 - 車牌號碼以及汽車的年份、車廠及型號；
 - 如果不是卑詩省汽車，要寫下詳細的保險資料。
- * 您也可能要向警方提供這些資料。

第 3 步

看看有沒有證人。寫下他們的姓名及聯絡資料。

第 4 步

說明意外現場（在可能情況下拍照或使用背頁圖表）：

- 事發日期、時間及天氣情況
- 事發地點
- 雙方的行車方向
- 您的汽車所在位置及使用的行車線
- 另一方汽車的位置

第 5 步

我們的電話索償職員每日 24 小時都能為您提供協助：

低陸平原：604-520-8222

加拿大或美國任何地點：1-800-910-4222

設有翻譯服務。

讓路給緊急車輛通過

根據《卑詩省汽車法》第 177 節規定，不讓路給緊急車輛通過，如被檢控，可能令司機被扣 3 分及罰款 \$109.00。

列治文市居民通常都很有警覺性，知道當處於 3 號緊急狀態的警車、救護車及消防車從後趕上時，就要將汽車靠往最接近您行車線的一邊停下，讓緊急車輛有足夠空間通過。

遇到閃燈及發警報聲的緊急車輛（警車、消防車或救護車）時，司機必須立即讓路，駛往盡量緊貼路邊並與之平行而不阻塞路口的位罝，**停下來**，然後**繼續停車**至緊急車輛駛過為止。無論道路有多少條行車線，**兩個方向的車輛**都必須停下來。

卑詩省消防車享有其他緊急車輛不具備的特權。除非您也在駕駛緊急車輛，否則不能在消防車後方的 150 公尺或 500 英尺以內行駛。原因是消防車的靈活性不及其他車輛。保持適當距離，能讓消防車有足夠空間突然停車、轉彎及突然轉線。過於貼近可能會引起碰撞，令消防車無法到達緊急事故現場。
