

City of Richmond

Report to Committee

To: Community Safety Committee
From: Will Ng, Superintendent
Officer in Charge, Richmond RCMP Detachment
Date: September 11, 2017
File: 09-5000-01/2017-Vol 01
Re: RCMP Monthly Activity Report – August 2017

Staff Recommendation

That the report titled “RCMP’s Monthly Activity Report – August 2017,” dated September 11, 2017, from the Officer in Charge, Richmond RCMP Detachment, be received for information.

Will Ng, Superintendent
Officer in Charge, Richmond RCMP Detachment
(604-278-1212)

Att. 4

REPORT CONCURRENCE	
CONCURRENCE OF GENERAL MANAGER 	
REVIEWED BY STAFF REPORT / AGENDA REVIEW SUBCOMMITTEE	INITIALS: CJ
APPROVED BY CAO (DEPUTY). 	

Staff Report

Origin

At the request of the Community Safety Committee, the Officer in Charge will keep Council informed on matters pertaining to policing in the Richmond community. This monthly activity report for the RCMP provides information on each of the following areas:

1. Activities and Noteworthy Files
2. Analysis of Crime Statistics
3. Auxiliary Constables
4. Block Watch
5. Community Police Stations and Programs
6. Crime Prevention Unit
7. Road Safety Unit
8. Victim Services

This report supports Council's 2014-2018 Term Goal #1 A Safe Community:

Maintain emphasis on community safety to ensure Richmond continues to be a safe community.

Analysis

Activities and Noteworthy Files

Shots Fired

On August 8, 2017, Richmond RCMP responded to multiple complaints of shots fired at a residence on Waterton Drive. Upon attendance officers located a male suffering from gunshot wounds inside the residence. Witnesses saw a black hatchback style sedan speeding away from the area. The victim is known to police and the shooting appears to be targeted. The incident is currently under investigation.

Robbery

On August 10, 2017, Richmond RCMP officers responded to a robbery at a convenience store located on Williams Road and No. 4 Road. The store employee reports that a male entered the store brandishing a box knife and demanded money. The employee complied with the demand and when the suspect left the store the police were contacted. RCMP officers were able to locate and apprehend two suspects. The investigation is ongoing with charges pending.

Officer Struck by Vehicle

On August 21, 2017, Richmond RCMP Road Safety Unit officers were conducting distracted driving enforcement along the No. 3 Road corridor. One of the officers initiated a vehicle stop upon seeing a driver in a vehicle using a mobile device while driving. The driver stopped and then abruptly turned and struck the officer prior to colliding with a police vehicle and a second

vehicle. The suspect vehicle left the scene and was later found abandoned in Vancouver. The officer sustained non-life threatening injuries and the matter is under investigation.

Analysis of Crime Statistics

Arson

In August 2017, there were three incidents of arson, which is a 25 per cent decrease from July 2017 and a 40 per cent decrease from August 2016. Arson at this time is within the five-year statistical average range.

Assault Serious (Assault with a Weapon)

There were 17 assault serious events, which is a 10 per cent decrease from July 2017 and a 41 per cent increase from August 2016. Assault serious is above the five-year statistical average range. The 17 events represent a total over the expected five year average range for August. However, for violent crimes there is often no specific reason why the numbers fluctuate. A review of the data indicates that eight of the 17 incidents were family violence related. This crime type is typically elevated during the summer weather.

Other incidents included:

- Assault on a bus where the victim alleged that the driver purposely closed the door on his hand as he disembarked and there was insufficient evidence to support this;
- A victim stabbed in a drug/debt related incident;
- A phone thrown at a victim's shoulder;
- A fight between bikers;
- A beer bottle thrown in a restaurant; and
- A road rage incident

No significant patterns of interest were noted.

Auto Theft

There were 35 auto theft incidents, which is a 2.9 per cent increase from July 2017 and a 45 per cent increase from August 2016. The incidents have increased 11 events since August 2016 (from 24 to 35 events); however August 2016 was a low number. For August 2017 auto theft is within the five-year statistical average range.

Older model (1980-1990) Acura and Honda sedans have been specifically targeted. One suspect male with a penchant for stealing older Hondas in Richmond was identified and also active in Delta. These older Honda and Acura sedans accounted for half the stolen vehicles during this period. Typically these vehicles have been recovered within a day or two in Delta or Richmond. Two additional persons of interest were identified and/or arrested for auto theft files in August 2017.

Drugs

There were 57 drug incidents, which is an increase of 16 per cent from July 2017 and a 16 per cent decrease from August 2016. August 2017 drug incidents are in the middle of the five year expected range. The marked increase from July 2017 was due to a low total in July (49)¹. August 2017 drug incidents were standard with 25 of the 57 events being possession of cannabis, which is the most common type of drug file. The next highest total is trafficking cannabis under 3000G with five events. Of note, 26 of the 57 events were at or near the airport. A majority of these are seizures at pre-board screening.

Higher drug offense totals do not indicate that there are more drug incidents occurring; it is more likely that it is a result of more detection when the numbers of incidents increase. Drug incidents are within the five-year statistical average range.

Mental Health

There were 138 mental health incidents, which is an increase of 40 per cent from July 2017 and a 48 per cent increase from August 2016. A review of files indicates two individuals had five mental health incidents each and a review on high volume mental health clients showed no significant observations. A review was done on Richmond Detachment units who were opening these files and there seemed to be a higher than normal mental health file count than what they normally flag every month.

Some of the General Duty Watches had significantly elevated numbers. This is most likely due to the Detachment training sessions which aimed to help members recognize when to flag files as mental health related while on duty. A more consistent approach is being sought for the entire Detachment when dealing with mental health issues. This increased awareness and quality assurance has contributed to the higher file counts.

Residential Break and Enter

There were 44 break and enters, which is an 83 per cent increase from July 2017 and a 4.3 per cent decrease from August 2016. Residential break and enter in both July and August 2017 are below the five year statistical average range. July 2017 was an exceptionally low month for residential break and enters with 24 events. This decrease is attributed to several key offenders being arrested and held in custody as well as other crime prevention strategies. This can also be attributed to efforts by the Crime Reduction teams. Forty-four break and enter events in August are below the five year average range. An increase is expected next month. The overall trend in the lower mainland this summer has seen a decreased number of break and enters.

¹ Even though July 2017 shows a decrease, drug incidents are still on pace to meet the five per cent increase benchmark as noted in the Annual Performance Plan.

Sexual Assault

There were 12 sexual assault offences, which resulted in a 71 per cent increase from July 2017 and a 100 percent increase from August 2016. The 12 incidents this August is over the expected five year average range by one incident. Two of these 12 offences were child porn related and three of these events were indecent acts/exposure incidents. Most of the sexual assaults were unwanted touching. A review of files indicates no trends or significant patterns.

Shoplifting

There were 68 shoplifting thefts, which is a 78 per cent increase from July 2017 and a 4.6 per cent increase from August 2016. Shoplifting is within the five-year statistical average range. Similar to residential break and enter shoplifting crime rates were at an exceptionally low total in July 2017. August 2017 has reverted to more normal totals. Shoplifting in general is down 25% so far this year, which is attributable to improved enforcement, awareness, and preventative measures undertaken by the Detachment, loss prevention staff and local businesses. Shoplifting totals can sometimes indicate the detection and reporting has increased and not solely based on the number of shoplifting incidents.

Theft from Auto

There were 159 thefts from auto incidents, which is a 15 per cent increase from July 2017 and a 16 per cent decrease from August 2016. The last three months have been below the expected five year average ranges and represent a large decrease from last year. This is a similar pattern exhibited seen in other lower mainland jurisdictions and may indicate a number of cross-jurisdictional offenders not being active in Richmond during the summer. Theft from auto is below the five-year statistical average range.

Violent Crime

There were 129 violent crime incidents, which is a 22 per cent increase from July 2017 and a 15 per cent increase from August 2016. Violent crime incidents represent a composite total of Robbery, Assault, Assault Serious, Sex Assault and other types. Violent crime is slightly above the five-year statistical average range mostly due to the higher numbers of Assault Serious and Sex Assaults. Violent Crime is decreased four per cent from last year's year to date totals.

Auxiliary Constables

In August 2017, the Richmond RCMP Detachment had a total complement of 37 auxiliary constables, who provided 878 volunteer hours. There was a three per cent increase in hours from July 2017 and a 377 per cent increase from August 2016. The significant increase was a result of auxiliaries assisting towards wildfire response efforts.

Figure 1 compares the monthly hours of service provided by month from 2013 to 2017.

Figure 1: Auxiliary Constable Volunteer Hours

Auxiliary Constable Activities

Auxiliary Constables attend events in the community to promote a positive police presence, support regular RCMP members and provide traffic and crowd control. During the month of August auxiliary constables participated in:

- Block Watch
- Crime Watch
- Mental Health Initiative
- Night Market

Block Watch

At the end of August 2017, the Block Watch program had 442 groups totaling 10,095 participants. Currently, the program includes 580 captains, which is a decrease of one captain, and an increase of 10 participants and one group.

Community Police Station Programs

Community police stations continue to enhance the Detachment's policing service by providing an array of crime prevention resources and community safety initiatives. City staff and volunteers pursued safety initiatives to enhance crime prevention program awareness, community engagement, police accessibility and to reduce anxiety and fear related to crime. The demographics of the programs vary from month to month reflective of weather conditions, seasonal initiatives, events and the availability of the volunteers.

During the month of August volunteer highlights included:

- The deployment of 34 foot/van patrols totalling 244 hours and 13 bike patrols totalling 165 hours;
- 32 Fail to Stop deployments which resulted in 944 warning letters;
- Effort towards Speed Watch on 5,761 vehicles at various locations;
- Lock Out Auto Crime on 15,070 vehicles at various locations;
- August 16, 2017, volunteers participated at the Cambie Community Centre movie night and had the fatal vision goggles on hand for walking the line;
- August 19, 2017, volunteers participated in Project 529 Bike Registry in an All Aboard event held at No. 1 Road and Moncton;
- August 24, 2017, volunteers participated in a Lock Out Auto Crime Blitz at No.3 Road corridor from Yoahan Center to Lansdowne Mall. 753 Licence plates were queried and 977 notices were handed out.

Distracted Drivers

Figure 2 provides a comparison by year of the number of letters sent to registered owners.

*Speed Watch*

Figure 4 provides a comparison by year of the number of letters sent to registered owners.

Figure 4: Speed Watch Letters Sent

Crime Prevention Unit

Crime Prevention reduces crime and enhances community engagement through public awareness and dialogue initiatives. During the month of August, the Crime Prevention unit participated in the following events/activities:

- All Aboard event in Steveston promoting 529 and registering bikes;
- Lock Out Auto Crime/Stolen Auto Recovery and 529 deployment at a Minoru apartment complex;
- Lock Out Auto Crime/Stolen Auto Recovery and mail theft deployment to Granville Avenue between No. 4 Road and No. 5 Road and the Seafair area;
- Mail theft pilot projects at select strata properties to identify sites for enhanced mail box installations.
- Pop-up Detachment at Lansdowne Mall and Yoahan Center promoting Lock Out Auto Crime;
- Vulnerable institution visits patrolling synagogues and mosques; and
- Wildfire deployment to assist with the wildfires in the interior of B.C.

Road Safety Unit

The Road Safety Unit makes Richmond's roads safer through evidence-based traffic enforcement, investigation of serious vehicle collisions and public education programs. The statistics below compare August 2017 data to both June 2017 and July 2017.

The Moving Violations category refers to violations such as unsafe lane change and unsafe passing. The Vehicle category refers to motor vehicle regulation defects such as no insurance and no lights. The Other category refers to other motor vehicle infractions such as miscellaneous charges including fail to remain at the scene of accident and failing to stop for police.

Violation Tickets were issued for the following infractions:

Infraction	June 2017	July 2017	August 2017
Distracted Driving	143	143	111
Driver License	122	158	116
Impaired	45	36	22
Intersection offences	69	89	97
Moving Violations	108	88	137
Speeding	144	175	155
Seatbelts	18	34	10
Vehicle Related	36	45	55
Other	11	55	47
Total	696	823	750

Notice and Orders issued for the following infractions:

Infraction	June 2017	July 2017	August 2017
Distracted Driving	27	34	23
Driver License	32	57	29
Intersection	42	48	19
Moving Violations	47	41	40
Speeding	40	48	47
Seatbelts	1	5	3
Vehicle Related	59	79	63
Other	0	0	0
Total	248	312	224

Parking Tickets:

Name	Act	Example	June 2017	July 2017	August 2017
Parking	Municipal Bylaw	Municipal parking offences	14	39	33

Victim Services

In August 2017 Richmond RCMP Victim Services provided on-going support to 52 clients and attended nine crime/trauma scenes. The unit currently maintains an active caseload of 140 on-going files.

Financial Impact

None.

Conclusion

The Officer in Charge, Richmond Detachment continues to ensure Richmond remains a safe and desirable community.

Edward Warzel
Manager, RCMP Administration
(604-207-4767)

- Att. 1: Community Policing Programs Definition
2: Crime Statistics
3: Crime Maps
4: August 2017 sample of police occurrences in Richmond

Auxiliary Constables

- The primary mandate of Richmond's Auxiliary Constables is to support community policing activities related to public safety and crime prevention.
- For more information, visit www.richmond.ca/safety/police/prevention/auxiliary.htm

Block Watch

- Community-based crime prevention program aimed at helping neighbors organize themselves to prevent crime.
- Residents can receive email alerts of neighbourhood residential break and enters by registering their email addresses at: blockwatch@richmond.ca
- For more information, visit www.richmond.ca/safety/police/prevention/blockwatch.htm

Difference Maker Project

- The Difference Maker Project is an off-shoot of the School Sports Programs. Elementary school students are mentored by teachers, police officers and community ambassadors. This activity aims to encourage social and civic responsibility amongst elementary and secondary school aged youth through community projects.

Distracted Driving Program

- Trained volunteers monitor intersections and observe distracted drivers.
- A letter is sent to the registered owner of the offending vehicle with information on the safety risks associated to the observed behaviour and applicable fine amounts.
- For more information, visit www.richmond.ca/safety/police/prevention/programs.htm

Fail to Stop

- Trained volunteers monitor areas that have been referred to the program by local businesses or residents where drivers are not making a full stop at the stop sign, or running a red light.
- An information letter is sent to the registered owner of the vehicle advising them the date, time and location and applicable fine amounts if the driver received a violation ticket.

Lock Out Auto Crime

- Co-sponsored by the Insurance Corporation of BC (ICBC), volunteers patrol city streets and parking lots looking for automobile security vulnerabilities.
- Notices supplied by ICBC are issued to every vehicle inspected indicating to the owner what issues need to be addressed in order to keep the vehicle and contents secure.
- For more information, visit
- www.richmond.ca/safety/police/personal/vehicle.htm

Project 529

- This program allows riders to easily and securely register their bikes. This up-to-date database of bikes alerts its registrants if a fellow 529 bike is stolen.
- Project 529 is a unique, multi-national registry that holds a database of all registered and stolen bikes.

Speed Watch

- Co-sponsored by ICBC, promotes safe driving habits by alerting drivers of their speed.
- Trained volunteers are equipped with radar and a speed watch reader board that gives drivers instant feedback regarding their speed.
- Volunteers record the license plate number and the speed, and a letter is sent to the registered owner of the offending vehicle. The letter includes the date, time and location and applicable fine amounts if the driver received a violation ticket.

Stolen Auto Recovery

- Co-sponsored by ICBC, trained volunteers equipped with portable computers identify stolen vehicles.
- These volunteers recover hundreds of stolen vehicles each year throughout the Lower Mainland.

Volunteer Bike and Foot Patrol Program

- Trained volunteers patrol Richmond neighbourhoods reporting suspicious activities and providing a visible deterrent to crime and public order issues.

AUGUST 2017 STATISTICS

RICHMOND RCMP

This chart identifies the monthly totals for founded Criminal Code incidents, excluding traffic-related Criminal Code incidents. Based on Uniform Crime Reporting (UCR) scoring, there are three categories: (1) Violent Crime, (2) Property Crime, and (3) Other Criminal Code. Within each category, particular offence types are highlighted in this chart. In addition, monthly totals for Controlled Drugs and Substances Act (CDSA) incidents and MHA-related calls for service are included. Individual UCR codes are indicated below the specific crime type. For 2017, some inclusion criteria have been modified to improve accuracy and accommodate RCMP scoring regulations. For more information, contact Richmond Crime Analysts.

The Average Range data is based on activity in a single month over the past 5 years. If the current monthly total for an offence is above the expected average range (using a standard deviation), it will be noted in **red**, while below expected numbers will be noted in **blue**.

Year-to-Date percentage increases of more than 10% are marked in **red**, while decreases of more than 10% are **blue**.

	Month	5-Yr Avg	5-Yr Range	Year to Date Totals			
	Aug-17	August		2016	2017	% Change	# Change

Statistics Run on 2017-09-06

Prepared by Richmond RCMP Crime Analysts.

This data is operational and subject to change. This document is not to be copied, reproduced, used in whole or part or disseminated to any other person or agency without the consent of the originator(s).

These statistics are based on UCR primary scoring only.

*All CCJS are included (assistance, information, prevention, unsubstantiated, unfounded). Street Checks, Tickets, and non-GO calls have not been calculated.
