Staff Report

Origin

At the request of the Community Safety Committee, the Officer in Charge will keep Council informed on matters pertaining to policing in the Richmond community. This monthly activity report for the RCMP provides information on each of the following areas:

- 1. Activities and Noteworthy Files
- 2. Analysis of Crime Statistics
- 3. Auxiliary Constables
- 4. Block Watch
- 5. Community Police Stations and Programs
- 6. Crime Prevention Unit
- 7. Road Safety Unit
- 8. Victim Services
- 9. Youth Section

This report supports Council's 2014-2018 Term Goal #1 A Safe Community:

Maintain emphasis on community safety to ensure Richmond continues to be a safe community.

Analysis

Below is the RCMP's monthly report for October 2016.

1. Activities and Noteworthy Files

False Report

On October 7, 2016, a complainant reported a sexual assault. Richmond RCMP investigated and determined that the report was false.

Theft

On October 11, 2016, a 55 year old female was sitting in her car in the parking lot of 6551 No. 3 Road, when she was approached by a male who told her that something was wrong with her car. When the woman exited her vehicle, a second male suspect entered the open driver's side door and stole her purse. The two suspects fled on foot to an awaiting gray or silver Toyota with gold colored wheels. The investigation continues.

Pedestrian Fatality

On October 22, 2016, Richmond RCMP officers responded to a motor vehicle accident at the 21000 block of Westminster Highway. A Ford bus was travelling west on Westminster Highway when it struck two pedestrians who were subsequently transported to hospital. A 21 year old

5205782 **CS - 44**

male succumbed to his injuries; the 22 year old female is expected to survive. The Richmond RCMP Road Safety Unit is investigating.

Fatal Motor Vehicle Accident

On October 30, 2016, Richmond RCMP officers responded to a fatal collision at Westminster Highway and No. 4 Road. A 2007 Honda Civic travelling eastbound along Westminster Highway collided in the intersection of No. 4 Road with a 2014 Audi R8 travelling westbound. A third vehicle, a 2013 Toyota Venza, was also struck by the Honda while stopped on No. 4 Road. Both the Honda and Audi sustained significant structural damage while the Toyota sustained relatively minor damage.

A 23 year old female occupant of the Honda was trapped inside the vehicle and required extrication by the Richmond Fire Rescue Service. The woman was pronounced dead at the scene of the collision. The driver and another occupant from the Honda were taken to hospital with non-life threatening injuries. The drivers of the Audi and Toyota were uninjured. Speed is believed to be a contributing factor. The investigation continues.

2. Analysis of Crime Statistics

Arson

In October 2016 there were three incidents of arson, which is a 25 percent decrease from October 2015 and a 50 percent increase from September 2016. Arson at this time is within the 5-year statistical average range.

Assault with a Weapon

There were six assaults with a weapon, which is a decrease of 40 percent from October 2015 and a 57 percent decrease from September 2016. Assault with a weapon is within the 5-year statistical average range.

Drugs

There were 47 drug incidents, which is a decrease of 14.5 percent from October 2015 and a 19 percent decrease from September 2016. Drug incidents are below the 5-year statistical average range.

Residential Break and Enter

There were 29 break and enters, which is an decrease of 34 percent from October 2015 and a 32.5 percent decrease from September 2016. Residential break and enters are below the 5-year statistical average range.

Sexual Assault

There were five sexual offences, which is a 25 percent increase from October 2015 and a 28.5 percent decrease from September 2016. Sexual offences are within the 5-year statistical average range.

5205782 CS - 45

Shoplifting

There were 61 shoplifting thefts, which is a six percent decrease from October 2015 and a seven percent increase from September 2016. Shoplifting is within the 5-year statistical average range.

Theft from Auto

There were 195 thefts from auto incidents, which is a seven percent increase from October 2015 and a 25 percent increase from September 2016. Theft from auto is within the 5-year statistical average range.

Violent Crime

There were 91 violent crime incidents, which is a nine percent decrease from October 2015 and a 19 percent decrease from September 2016. Violent crime is within the 5-year statistical average range.

3. Auxiliary Constables

In October 2016, Richmond RCMP Detachment (the Detachment) had a total complement of 38 auxiliary constables who provided 276 volunteer hours. This is a seven percent decrease of hours from September 2016 and a 56 percent reduction from October 2015. Volunteer hours remain significantly reduced in 2016 due to directives from the RCMP National Headquarters. Auxiliary constables are now required to have RCMP officers in attendance at events.

Figure 1 compares the monthly hours of service provided by month from 2012 to 2016.

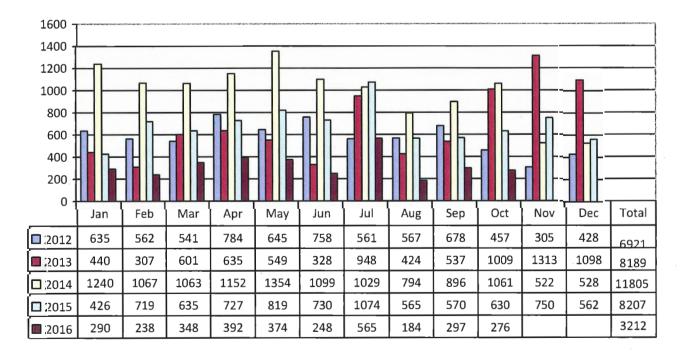

Figure 1: Auxiliary Constable Volunteer Hours

Auxiliary Constables Activities

Auxiliary Constables attend events in the community to promote positive police presence, support regular members and provide traffic and crowd control. During the month of October auxiliary constables participated in:

- Autism Speaks
- Crime Watch
- Halloween
- Pathways Initiative
- Ride for Refuge
- Elementary School Sports Program

4. Block Watch

Block Watch Activities

At the end of October 2016 the Block Watch program had 431 groups containing 9942 participants. Currently, the program includes 570 captains having decreased by one captain but increasing by three groups and 62 participants.

5. Community Police Station Programs

Community Police Station Activities

In October 2016, Robert Yamasaki and Victor Atkinson were recognized for their exemplary volunteer service at the Community Police Stations. Their efforts in coordinating and participating in the program have made these volunteers integral to volunteer operations. Community station volunteers help the Detachment by promoting safety, crime prevention programs and crime reduction initiatives in the community. During the month of October volunteer activities included:

- Deploying 23 bike/foot and van patrols totalling 193 hours;
- Participating in training initiatives for Crime Watch and Project 529;
- Conducting 20 Fail to Stop deployments which resulted in 749 warning letters sent out;
- Handing out 2,021 reflectors during pedestrian safety initiatives on October 20 and 29-31, 2016;
- Conducting Speed Watch on 7,033 vehicles at various locations in Richmond;
- Distributing Toy Drive posters to local businesses; and
- Hosting a distracted driver's obstacle course at WorkSafe BC.

Analysis

57 Distracted Driver letters were sent resulting in a 1.8 percent increase compared to September 2016 and a 27 percent decrease compared to October 2015.

3128 Lock Out Auto Crime notices were sent resulting in a three percent increase compared to September 2016 and a 36 percent decrease compared to October 2015.

554 Speed Watch letters sent resulting in a 12 percent decrease compared to September 2016 and an eight percent decrease compared to October 2015.

Community police stations continue to enhance the Detachment's policing service by providing an array of crime prevention resources and community safety initiatives. City staff and volunteers pursued safety initiatives which enhanced crime prevention program awareness, community engagement, police accessibility and reduced anxiety and fear levels related to crime. The demographics of the programs vary from month to month based on weather conditions, seasonal initiatives, events and the availability of the volunteers.

6. Crime Prevention Unit

Christmas

<u>Toy Drive</u>: Crime Prevention has collected over 500 toys with support from local businesses and community partners. Donation sites have been set up throughout Richmond. This year the event is being held on November 19, 2016.

Richmond Children First: The Crime Prevention Unit has brought together several local charities that support efforts to address child poverty in Richmond. In 2016, Richmond Children First will directly assist 10 families. With the contribution of an anonymous financial donor and assistance from Richmond Cares, Richmond Gives, the joint RCMP and charitable agency effort will culminate with resources being directly distributed to families in acute need. The effort will provide sports equipment, dental care, groceries, child care and household supplies.

7. Road Safety Unit

The Road Safety Unit makes Richmond's roads safer through evidence-based traffic enforcement, investigation of serious vehicle collisions, and public education programs. The statistics below compare October 2016 data to both August and September 2016.

The Moving Violations category refers to violations such as unsafe lane change and unsafe passing. The Vehicle category refers to motor vehicle regulation defects such as no insurance and no lights. The Other category refers to other motor vehicle infractions such as miscellaneous charges including fail to remain at the scene of accident and failing to stop for police.

8. Victim Services

- In October 2016 Richmond RCMP Victim Services provided on-going support to 69 clients and attended 17 crime/trauma scenes. The unit maintains an active caseload of 185 on-going files.
- In addition, Victim Services provides on-going emotional support to medical related sudden deaths, suicides, family conflict and motor vehicle collisions. Some cases were referred for long term assistance.
- Victim Services responded to the scene of a serious motor vehicle collision that involved one fatality and two people with non-life threatening injuries. They also attended the trauma center and provided support to three families affected by the tragedy.

9. Youth Section

Dare

Drug Abuse Resistance education curriculum is currently being delivered to 539 fifth grade students in 14 schools throughout Richmond. In partnership with the Richmond School District and private schools, Richmond Detachment delivers the DARE program to approximately 1,700 fifth graders each year. The DARE program equips school-aged children with the skills to recognize and resist drug use. It serves as an important tool for the Detachment to establish

₅₂₀₅₇₈₂ CS - 51

long-lasting connections with Richmond's youth and promote social values and protective factors.

Fentanyl Awareness

Corporal Dave Edge, NCO of Youth Section has been collaborating with the Richmond School District, Vancouver Coastal Health, Richmond Fire Rescue, and the BC Ambulance Service in developing an information package to be distributed to parents and students of the Richmond School District. The package will be delivered to local schools shortly and a public forum on Fentanyl is scheduled on November 16, 2016 from 7:00-8:30 pm held at Richmond Secondary School.

On-Side Program

On October 14, 2016, as part of the On-Side program, Youth Section members escorted six students from Lord Byng Elementary to a BC Lions game. This program, supported by a local donor, involves Richmond Detachment police officers volunteering their time to take schoolaged youth to BC Lions games. This program provides a fun and informal environment for youth and police interaction.

Road to Mental Readiness (R2MR)

Corporal Dave Edge, NCO of Youth Section has begun rolling out R2MR workshops to Detachment personnel. The R2MR is intended to raise awareness about mental health and how to maintain mental resilience in a healthy and positive manner. The program focuses on promoting long-term positive mental health outcomes to better prepare employees for navigating some of the challenges of a career in law enforcement.

School Action for Emergencies (SAFE) Planning

On October 18, 2016, Youth Section members supervised a lock down drill at McNeill Secondary School.

School Sports Program

Youth Section members supported Crime Prevention NCO Corporal Kevin Krygier with the delivery of the School Sports program at Kidd Elementary.

Youth Squad

Youth Section and the School District have initiated delivery of the Youth Squad program. Youth Squad comprises an eight-week course wherein Richmond students in Grades 10 to 12 are introduced to facets of policing. Students are given the chance to meet police officers working in specialized groups learning about the day-to-day work of Road Safety, Police Dog, Drug, Emergency Response, and Forensic Services units. The Canadian Armed Forces, BC Ambulance Service, and Richmond Fire-Rescue also participate in this program.

Auxiliary Constables

- The primary mandate of Richmond's Auxiliary Constables is to support community policing activities related to public safety and crime prevention.
- For more information, visit www.richmond.ca/safety/police/prevention/auxiliary.htm

Block Watch

- Community-based crime prevention program aimed at helping neighbors organize themselves to prevent crime.
- Residents can receive email alerts of neighbourhood residential break and enters by registering their email addresses at: blockwatch@richmond.ca
- For more information, visit www.richmond.ca/safety/police/prevention/blockwatch.htm

Difference Maker Project

• The Difference Maker Project is an off-shoot of the School Sports Programs. Elementary school students are mentored by teachers, police officers and community ambassadors. This activity aims to encourage social and civic responsibility amongst elementary and secondary school aged youth through community projects.

Distracted Driving Program

- Trained volunteers monitor intersections and observe distracted drivers.
- A letter is sent to the registered owner of the offending vehicle with information on the safety risks associated to the observed behaviour and applicable fine amounts.
- For more information, visit www.richmond.ca/safety/police/prevention/programs.htm

Fail to Stop

- Trained volunteers monitor areas that have been referred to the program by local businesses or residents where drivers are not making a full stop at the stop sign, or running a red light.
- An information letter is sent to the registered owner of the vehicle advising them the
 date, time and location and applicable fine amounts if the driver received a violation
 ticket.

Lock Out Auto Crime

- Co-sponsored by the Insurance Corporation of BC (ICBC), volunteers patrol city streets and parking lots looking for automobile security vulnerabilities.
- Notices supplied by ICBC are issued to every vehicle inspected indicating to the owner what issues need to be addressed in order to keep the vehicle and contents secure.
- For more information, visit
- www.richmond.ca/safety/police/personal/vehicle.htm

Project 529

- This program allows riders to easily and securely register their bikes. This up-to-date database of bikes alerts its registrants if a fellow 529 bike is stolen.
- Project 529 is a unique, multi-national registry that holds a database of all registered and stolen bikes.

Speed Watch

- Co-sponsored by ICBC, promotes safe driving habits by alerting drivers of their speed.
- Trained volunteers are equipped with radar and a speed watch reader board that gives drivers instant feedback regarding their speed.
- Volunteers record the license plate number and the speed, and a letter is sent to the registered owner of the offending vehicle. The letter includes the date, time and location and applicable fine amounts if the driver received a violation ticket.

Stolen Auto Recovery

- Co-sponsored by ICBC, trained volunteers equipped with portable computers identify stolen vehicles.
- These volunteers recover hundreds of stolen vehicles each year throughout the Lower Mainland.

Volunteer Bike and Foot Patrol Program

• Trained volunteers patrol Richmond neighbourhoods reporting suspicious activities and providing a visible deterrent to crime and public order issues.

OCTOBER 2016 STATISTICS

This chart identifies the monthly totals for all founded Criminal Code incidents, excluding Traffic Criminal Code. Based on Uniform Crime Reporting (UCR) scoring, there are three categories: (1) Violent Crime, (2) Property Crime, and (3) Other Criminal Code. Within each category, particular offence types are highlighted in this chart. In addition, monthly totals for Controlled Drugs and Substances Act (CDSA) incidents are included.

The Average Range data is based on activity in a single month over the past 5 years. If the current monthly total for an offence is above average, it will be noted in red, while below-average numbers will be noted in blue.

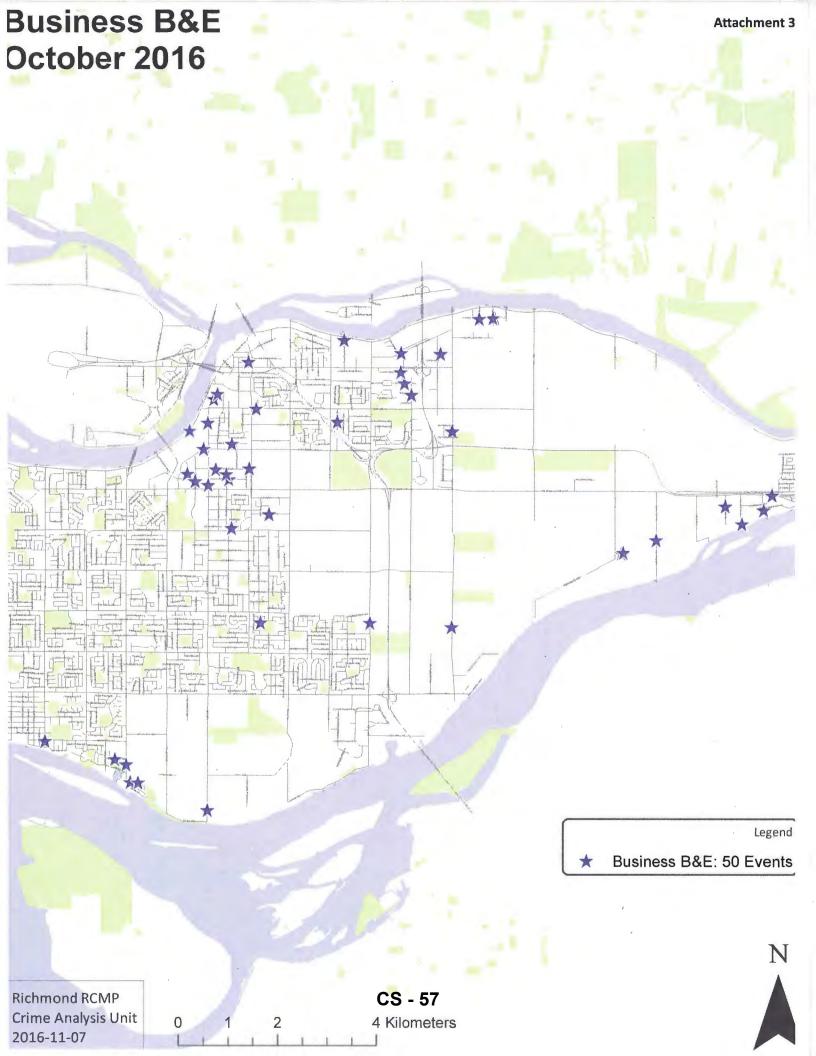

Year-to-Date percentage increases of more than 10% are marked in red, while decreases of more than 10% are blue. Please note that percentage changes are inflated in categories with small numbers (e.g.: Sexual Offences).
