Staff Report

Origin

In 2006, the City adopted the Child Care Development Policy 4017 (Attachment 1) which acknowledges that child care is an essential service in the community for residents, employers and employees. Policy 4017 directs staff to plan, partner and, as resources and budgets become available, support a range of quality, accessible and affordable child care including facilities, spaces, programming, equipment and support resources. The Child Care Development Reserve Fund and the Child Care Operating Reserve Fund were established to financially assist non-profit societies by providing child care grants for minor capital improvements and supportive resources for child care providers.

This report supports Council's Strategic Plan 2018–2022 Strategic Focus Area #4 An Active and Thriving Richmond:

An active and thriving community characterized by diverse social and wellness programs, services and spaces that foster health and well-being for all.

This report supports the City's Social Development Strategy Action #10 - Support the establishment of high quality, safe child care services in Richmond through:

Administering the City's Child Care Grant Program to support the provision of quality, affordable, accessible child care in Richmond.

This report also supports the 2017–2022 Richmond Child Care Needs Assessment and Strategy:

Strategic Direction 2 – Creating and supporting child care spaces.

Findings of Fact

2020 Child Care Grants Budget

The City has two Child Care Reserve Funds that are used as a source of funding for the two types of child care grants:

- Child Care Capital Grants are funded from the Child Care Development Reserve (Bylaw No. 6367), established in 1994, for capital expenses including grants to non-profit societies for capital purchases and improvements (e.g. equipment, furnishings, renovations and playground development); and
- Child Care Professional and Program Development Grants are funded from the Child Care Operating Reserve Fund (Bylaw No. 8877), established in 2012, to assist with non-capital expenses including grants to non-profit societies to support child care professional and program development within Richmond.

As part of the 2020 Capital Budget, a request was made to City Council to approve an expenditure of \$50,000 from the Child Care Development Reserve to be used for the 2020 Child

Care Capital Grants and an expenditure of \$10,000 from the Child Care Operating Reserve to be used for the 2020 Child Care Professional and Program Development Grants.

Notice Given and Applications Received

On August 20, 2019, a call for applications for the 2020 Child Care Grants was posted on the City's website. The availability of the grants was promoted through the City's social media channels and news releases. In addition, notices were forwarded to the Vancouver Coastal Health Community Care Facilities Licensing and to the Richmond Child Care Resource and Referral to share with their child care provider contacts. The deadline for submissions was October 28, 2019. Due to technical issues with the grant system a one week extension was given for applications that were in process at the time of the original deadline. The revised deadline for submission was November 4, 2019. A total of nine applications were received of which eight were for Child Care Capital Grants and one was for Child Care Professional and Program Development Grants.

Analysis

Application Review Process

The Child Care Development Advisory Committee (CCDAC) convened a Child Care Grants Subcommittee to review the 2020 Child Care Grant applications and supporting materials. The Program Manager, Child Care (CCDAC staff liaison) and Child Care Planner met with the subcommittee on November 18, 2019 to prepare recommendations for consideration by the CCDAC voting members. The subcommittee reviewed and assessed each application for compliance with the Child Care Grant Guidelines (Attachment 2).

The Child Care Grants Subcommittee summarized their review of the 2020 Child Care Grants applications received and outlined their recommendations to the CCDAC. The CCDAC approved the recommendations of the subcommittee which is reflected in the meeting minutes of December 4, 2019. The total requests for the 2020 Child Care Grants amount to \$57,778.64 and the grant allocations recommended amount to \$54,000.00.

The Developmental Disabilities Association of Vancouver - Richmond, La Societe de la Garderie et de la Prematernelle les Moussaillons, Little Wings Daycare Society, Richmond Society for Community Living – Treehouse Early Learning Centre, Richmond Society for Community Living – Youth Connections, the Society of Richmond Children's Centres – Gardens Children's Centre, the Society of Richmond Children's Centres – West Cambie Children's Centre and Thompson Community Association are seeking funding for playground equipment, facility renovations, program equipment and furnishings. All eight applicants deliver licensed child care programs offering a range of services including Group Care Under 36 Months, Group Care 30 Months to School Age and Group Care School Age. The eight Capital Grant requests amount to \$53,778.64. The CCDAC is recommending that the eight Child Care Capital Grants applicants, as outlined in Table 1, be funded for a total amount of \$50,000.

Financial Impact

The 2020 Child Care Grants budget of \$60,000 was requested as part of the City's 2020 Capital Budget and is sufficient to support the two grant streams: the Child Care Capital Grants and the Child Care Professional and Program Development Grants. A total of \$54,000 in allocations is being recommended for the 2020 Child Care Grants, subject to City Council's approval.

Conclusion

The Child Care Grants will assist with enhancing the provision of quality, affordable and accessible child care in Richmond. These grants support sustaining priority types of child care programs and enhancing the quality of child care in Richmond. This is consistent with the 2017–2022 Richmond Child Care Needs and Assessment Strategy. Child care is an important service that supports Richmond's children, families and employees.

Staff recommend approval of the proposed recommendations for the City's 2020 Child Care Grants totaling to \$54,000 with \$50,000 allocated to the eight Child Care Capital Grant requests and \$4,000 allocated to the Child Care Professional and Program Development Grant request.

Child Care Grants - Program Guidelines

Introduction

The City of Richmond provides grants to non-profit societies who provide child care services within the City's geographic boundaries. Child Care grants are funded by voluntary community amenity contributions from developers. These funds are held in the City's Child Care Development Reserve or the Child Care Operating Reserve. The ability to provide grants is subject to available funding and there may be years when the grant program(s) are not offered. For more information about the City of Richmond's approach to supporting child care services, please see the [City of Richmond's Child Care Development Policy](#).

Eligibility

Non-profit societies that either (1) provide child care services or (2) support the provision of child care services are eligible for Child Care Grants.

Applicants may be either:

- non-profit child care providers delivering licensed child care in Richmond and seeking to improve the quality or capacity of care in their facility, or
- non-profit societies supporting quality programming and/or providing professional development opportunities for the broader child care community in Richmond.

Purpose

Child care grants are available for both: (1) capital and (2) professional and program development expenses. These purposes are outlined below.

(1) Capital Grants

Capital grants are provided to acquire or upgrade physical assets in licensed child care facilities such as property, buildings and equipment. Funding is available for a **one-time capital expense** that will improve the quality, availability and accessibility of licensed child care in Richmond, such as: equipment, furnishings, renovations or playground improvements. For equipment to qualify as a capital expenditure, it must be for long-term use (e.g. an easel would qualify; art supplies would not).

(2) Professional and Program Development Grants

Non-profit societies developing or providing professional and program development opportunities in Richmond (e.g. training, workshops) are eligible to apply for funding. The initiatives must be available and of benefit to the broader child care community in Richmond, rather than to a few specific individuals or centres. The need for and benefit to the child care community must be demonstrated. Funding for individual staff to register for or attend courses or workshops is not eligible under this grant program.

NOTE: The City of Richmond recognizes the need for both capital and operating funding to support child care programs. Funds are available to support child care operators through the Provincial Child Care BC Program, including:

- *Child Care Operating Funding-* to assist with the day-to-day costs of running a licensed child care facility. To learn more about operating funding opportunities, visit [the Provincial Government- Child Care Operating Funding website](#).
- *Training and Professional Development Funding –* to assist with professional development and upgrading. To learn more about funding opportunities, visit <https://www2.gov.bc.ca/gov/content/family-social-supports/caring-for-young-children/recruitment-retention-strategy> or *Westcoast Child Care Resource Centre* at <https://www.wstcoast.org/pd-funding-2019-2020>

Priorities

Priority will be given to applications for facilities or programs that:

- support infant/toddler and school-age care, identified as priorities in the 2017 – 2022 Richmond Child Care Needs Assessment and Strategy;
- have accessed, or are willing to access other available sources of funding, including Child Care Operating Funding, Child Care BC Maintenance Fund, Child Care BC Relocation Fund, New Spaces Grant; and
- enroll families who are receiving the Affordable Child Care Benefit (formerly Child Care Subsidy) and, if eligible, participate in the Child Care Fee Reduction Initiative.

Title: Riverside Washroom/Kitchen upgrade

Amount: \$8,000.00

Purpose: Furnishings

Riverside's recent BC CC Maintenance fund application covered the replacement of the counter and sinks in the children's washroom. There are other washroom and kitchen repairs that are needed which no longer fall within the Province's grant criteria.

Service Delivery Benefits:

The kitchen counter and microwave shelf are in disrepair and cannot be properly sanitized due to wearing and cracks. The children's washroom cupboard doors are broken and the inside of the cabinets have water damage. The surfaces are buckled and were showing signs of mold. The sinks and counter were replaced so the water is no longer a problem but the resulting damage creates an unhealthy environment.

Beneficiaries:

The children and staff will have clean and healthy kitchen and washroom spaces, allowing for proper cleaning and pride in their environment.

Partners (if applicable):

Previously received \$2152.50 from MCFD for the children's washroom counter and sinks/taps. This work is noted on attached quote from Solid General Contractors.

Title: Construction of a New Playground Structure

Amount: \$9,978.00

Purpose: Playground

The purpose is to build a new playground structure for the youngest children enrolled at Les Moussaillons.

Service Delivery Benefits:

This is an issue of accessibility and safety of the children. The elementary school (Ecole Des Navigateurs) in which Les Moussaillons is located has just built a new playground structure for its students. Les Moussaillons also uses this playground, however, the equipment is not age appropriate for some of our smaller children.

These funds will be used to help build a new small playground structure to complement the larger playground structure that has already been built by the school in order to give the smaller children a safer, more age appropriate, playground for them to play on. Currently the youngest children at Les Moussaillons are unable to safely use the playground currently at the school.

Beneficiaries:

At least 18 children between the ages of 30 months and 5 years old enrolled at Les Moussaillons will directly benefit from the new playground equipment.

Furthermore, the playground will also benefit the children in the surrounding community who use the playground equipment during evenings and on weekends when school is not in session. Exact numbers are not known but it is estimated that these children number between 25 to 50.

Partners (if applicable):

Ecole Des Navigateurs (part of District 93), who is leasing the school from the Richmond School District (District 38), is providing Les Moussaillons the space on which to build its playground.

Title: Treehouse early Learning Centre Refurbishment

Amount: \$5,000.00

Purpose: Other

The purpose of this grant is to make capital refurbishments and repairs to Treehouse early Learning Centre. Funds received from the City of Richmond Child Care Capital Grant will allow RSCCL to continue to make needed health and safety upgrade to the centre. Following recent completion of Phase 1 of the project which saw replaced counter tops, sinks and faucets in the kitchen, art area and bathrooms, Phase 2 will include a minor upgrade to electrical and installation of new cabinet doors in all areas of the centre.

This project will improve safety and the overall appearance of a centre that has received no major renovations in the past two decades.

Service Delivery Benefits:

Treehouse early Learning Centre was built more than 20 years ago. The playground area has no grounded electrical outlets and the staff currently run an extension cord from the utility closet to the play areas to power equipment. In addition to posing a tripping hazard for the children and staff, there is a risk of overload to the outlet with multiple items plugged in at one time.

In addition, wear and tear on the cabinets throughout the centre has resulted in loose hardware, with cabinet hinges/pulls completely broken in some areas. Laminate coating on some doors has degraded completely, leaving the doors with sharp edges and discoloured. New cabinet doors will include upgraded hardware to ensure safety and a uniform appearance throughout the centre.

Beneficiaries:

Beneficiaries of this grant will be the children currently enrolled at Treehouse early Learning Centre and their families, as well as those who will attend the program in the future. Treehouse is a community child care centre with dedicated spots for children with disabilities or additional support needs.

Title: Youth Connections Kitchen Renovation

Amount: \$7,500.00

Purpose: Other

Grant funds will be used to improve accessibility and safety of the kitchen located in our Youth Connections out of school program.

Service Delivery Benefits:

Located in Richmond Caring Place, Youth Connections ensures that youth with developmental disabilities receive supervision and support while their parents are at work. Each individual is encouraged to set goals, and program staff work to plan activities and outings to support participants to achieve their goals.

Achieving and maintaining a healthy lifestyle is often a focus. Good nutrition and healthy eating is an important component of the program that is reinforced in a variety of ways. Youth Connections maintains a garden plot at Terra Nova Community Gardens and also grows produce in their yard. Cooking classes where participants are supported to learn skills to contribute to their own health and well-being.

The current Youth Connections kitchen is not adequate for this purpose. The facility lacks a proper cook top/oven and participants and staff rely on a counter top convection oven and microwave for cooking. Additionally, the area of the kitchen is very small, restricting access for those who use wheelchairs for mobility.

A renovation to the space would see the space widened by moving the peninsula counter top and creating a dual height surface to accommodate those who use wheelchairs. In addition, we will undertake to install a proper

stove/oven appliance which will require moving plumbing and upgrading electrical. These improvements will provide greater accessibility and safety of the space, allowing for more program participants to benefit.

Beneficiaries:

Youth Connections is an innovative out-of-school program designed exclusively for young people with disabilities aged five to nineteen. Operating after school weekdays during the school year and for full days during the summer, spring, and winter breaks, the program offers school-aged children and teens the opportunity for social interaction and recreation. Therapeutic recreation offered through Youth Connections allows participants to expand their independence skills and improves overall quality of life. With a focus on adventure, excitement, friendship, and fun, Youth Connections is living proof that some of life's greatest lessons are taught in a recreational setting.

Partners (if applicable):

RSCL will submit a grant application to BC Maintenance Fund in support of this project. In addition, RSCL will direct funds received from fundraising activities and MCFD one time only funding to this project.

Title: Playground enhancement project

Amount: \$10,000.00

Purpose: Playground

While the playground underwent a major improvement in 2017, the teaching staff have recommended improvements that will enhance play and active learning experiences for the children. These are specifically around the outdoor mud kitchen, which would benefit from more play space, stainless steel equipment, storage, and enhanced facilities. As we increase the focus exploring food - where it comes from, how to grow and care for it and the land - we also include in our application an arbor, which will create a cozy quiet place for children's reflection, and serve as a frame for growing runner beans or sweet peas to surround them. Lastly we envision a water activity table as a vehicle to enhance sensory exploration and the science found in everyday play.

Service Delivery Benefits:

These funds will enhance the quality of play experience for the Rompers students, by improving upon the outdoor play elements. With the success and popularity of the Terra Nova Nature School (another preschool program overseen by Thompson Community association), we recognize the intrinsic value realized when a robust active outdoor environment is provided, and the teachers are actively engaged in building a curriculum around it.

Beneficiaries:

The beneficiaries of this grant include the students and families of Rompers Preschool and summer camps, as well as the teaching staff, and the association. The students will benefit by an enhanced outdoor learning environment in which to discover the natural world; the teachers will benefit through an improved and more satisfying work environment in which to utilize their skills and knowledge, and the association will benefit by improving their reputation and ensuring their investment in the playground maintains its value.
