Re: Application by OMB Architects for a Temporary Commercial Use Permit at
13340 Smallwood Place

Staff Recommendation

That the application by OMB Architects for a Temporary Commercial Use Permit at 13340 Smallwood Place be considered at the Public Hearing to be held May 15, 2017 at 7:00 p.m. in the Council Chambers of Richmond City Hall; and that the following recommendation be forwarded to that meeting for consideration:

“That a Temporary Commercial Use Permit be issued to the Richmond Animal Protection Society (RAPS) for the property at 13340 Smallwood Place to allow Veterinary Service as a permitted use.”

Wayne Craig
Director, Development

Staff Report

Origin

OMB Architects has applied to the City of Richmond for a Temporary Commercial Use Permit (TCUP) to allow Veterinary Service as a permitted use at 13340 Smallwood Place (Attachment 1). This application has been made on behalf of the Richmond Animal Protection Society (RAPS).

If approved, the TCUP would be valid for a period of up to three years from the date of issue; at which time, an application for an extension to the permit may be made and issued for up to three additional years. The *Local Government Act* allows Council to consider TCUP issuance on its own merits and does not limit the number of TCUP issuances allowed on a site.

Findings of Fact

A Development Application Data Sheet providing details about the development proposal is provided in Attachment 2.

Surrounding Development

The subject site is located in the southeast corner of the Richmond Auto Mall. Development immediately surrounding the subject site is as follows:

- To the Northwest and Southwest: Car dealerships on lots zoned "Vehicle Sales (CV)".
- To the Northeast: A commercial office building on a lot zoned "Vehicle Sales (CV)".
- To the Southeast: Surface parking on a lot zoned "Vehicle Sales (CV)".

Related Policies & Studies

Official Community Plan/East Cambie Area Plan

The Official Community Plan (OCP) land use designation for the subject site is "Commercial".

The OCP allows TCUPs in areas designated "Industrial", "Mixed Employment", "Commercial", "Neighbourhood Service Centre", "Mixed Use", "Limited Mixed Use", and "Agricultural" (outside of the Agricultural Land Reserve); where deemed appropriate by Council and subject to conditions suitable to the proposed use and surrounding area.

The proposed Veterinary Service use is consistent with the "Commercial" land use designation contained in the OCP.

The proposed Veterinary Service use is not consistent with the automobile focus of the Richmond Auto Mall, however, staff note that the subject site contains an existing office building that was previously occupied by a financial institution. The proposal to locate a temporary veterinary office in the building does not preclude future vehicle-related uses from occupying the unit. In addition, the Richmond Auto Mall Association supports the proposed veterinary office, as it will be temporary in nature.

Richmond Zoning Bylaw 8500

The subject site is zoned "Vehicle Sales (CV)", which allows for vehicle sales and repairs, along with a limited number of related uses. The zone permits Office use, but not the Veterinary Service use.

Veterinary Service is a defined use in Richmond Zoning Bylaw 8500, and describes a facility for the care, examination, diagnosis and treatment of sick, ailing, infirm or injured pets; including medical intervention and surgery, and may include accessory short-term accommodation of pets, pet grooming and the sale of medicine and pet supplies, and includes pet clinics, but does not include Animal Breeding and Boarding, Animal Shelters or Animal Day Care. Veterinary Service is a permitted use in most, but not all, commercial zones.

Aircraft Noise Sensitive Development Policy

The subject site is located within the Aircraft Noise Sensitive Development (ANSD) Policy Area 4; which allows for all Aircraft Noise Sensitive Land Uses to be considered. The proposed temporary commercial use is consistent with the Aircraft Noise Sensitive Development Policy. A covenant addressing aircraft noise mitigation (as required) and public awareness is to be registered on Title if the Permit is issued.

Floodplain Management Implementation Strategy

In accordance with the City's Flood Management Implementation Strategy, a flood indemnity covenant is to be registered on Title if the Permit is issued.

Local Government Act

The *Local Government Act* identifies that TCUPs are valid for a period of up to three years from the date of issue and that an application for one extension to the permit may be made and issued for up to three additional years. A new TCUP application is required after one extension.

Public Consultation

Should the Planning Committee endorse this application and Council grant first reading, the application will be forwarded to a Public Hearing; where any area resident or interested party will have an opportunity to comment. Public notification for the Public Hearing will be provided as per the *Local Government Act*.

Analysis

The subject site contains an approximately 2,028 m² (21,830 ft²) two-storey commercial building with nine units. The applicant proposes to allow a veterinary office to occupy one unit on the second storey, which is approximately 446 m² (4,800 ft²). Plans showing the subject site and the proposed veterinary office are provided in Attachments 3 and 4.

If issued, this TCUP would allow the Richmond Animal Protection Society (RAPS) to operate a veterinary office at the subject site until construction of a new permanent facility is completed.

As there are no exterior renovations proposed, a Development Permit is not required for this proposal.

Business Operations

According to documents provided by the applicant, RAPS is a registered charity that operates the City of Richmond Animal Shelter. They provide food, shelter, and veterinary care to animals in Richmond and surrounding communities, engage in public awareness campaigns on animals' health and care, and assist with public access to low-cost veterinary care. A temporary veterinary office is being pursued by RAPS so they are able to provide veterinary services. The operation of this independent veterinary clinic is, however, outside of the scope of the City's contract with RAPS to provide animal shelter services.

Parking

There are 37 parking stalls located on the subject site. Additional parking is available behind the subject site on an adjacent property owned by Richmond Auto Mall Holdings Ltd. This parking area can be accessed directly from the building, or via a pedestrian sidewalk.

Veterinary Service uses require the greater of 1.6 spaces per 100.0 m² of gross leasable floor area of the building, or 1.4 spaces per employee. The applicant has confirmed that they have access to a total of 21 parking spaces; 12 spaces are on the subject site in the front yard, and 9 spaces are on an adjacent property behind the building.

Landscaping

The subject site and surrounding sites in the Richmond Auto Mall consist mainly of car dealerships and associated offices. Not all sites in the area are landscaped to the current required standard.

Richmond Zoning Bylaw 8500 requires a minimum 3.0 m wide landscaped setback between any area used for onsite parking and a lot line abutting a public road. The subject site contains parking at the front lot line, which is separated from the sidewalk by a 1.5 m wide grass boulevard within the City-owned road right of way, which contains one tree. Five landscaped peninsulas provide some separation between parking areas and driveways, and there are two landscaped areas immediately in front of the building. There is one tree on the subject site.

The proposed use is temporary in nature, and no exterior building modifications or additions are proposed. The existing condition provides limited opportunity for planting onsite without reconfiguring the parking arrangement or moving existing lighting standards.

To improve the landscaping conditions, the applicant has proposed to plant three trees in the City owned boulevard in front of the subject site (Attachment 5). Parks Department staff have reviewed the proposal and will accept a \$1,950 cash-in-lieu contribution (\$650/tree) for the City to plant the trees.

Financial Impact

None.

Conclusion

OMB Architects has applied to the City of Richmond for a Temporary Commercial Use Permit to allow Veterinary Service as a permitted use at 13340 Smallwood Place, zoned "Vehicle Sales (CV)".

The proposed Veterinary Service use at the subject property is acceptable to staff on the basis that it is consistent with the land use designations in the OCP, and is temporary in nature.

Staff recommend that the attached Temporary Commercial Use Permit be issued to the Richmond Animal Protection Society (RAPS) to allow Veterinary Service as a permitted use at 13340 Smallwood Place.
