Staff Report

Origin

On February 13, 2018, Council endorsed the Public Art Community Mural Program (the Mural Program). The focus of the Mural Program is to install murals in highly visible locations in publicly accessible areas throughout Richmond.

This report brings forward, for consideration, six mural proposals for the 2021 Mural Program to be painted at Lehigh Hanson on Mitchell Island, McMath Secondary School, Thompson Elementary School, Tomekichi Homma Elementary School, Westwind Elementary School and Gateway Theatre.

This report supports Council's Strategic Plan 2018-2022 Strategy #3 One Community Together:

Vibrant and diverse arts and cultural activities and opportunities for community engagement and connection.

This report supports Council's Strategic Plan 2018-2022 Strategy #4 An Active and Thriving Richmond:

An active and thriving community characterized by diverse social and wellness programs, services and spaces that foster health and well-being for all.

Analysis

Background

The City's Mural Program provides opportunities to add vibrancy to highly visible public spaces, foster community dialogue and cross-cultural exchange, and engage diverse and multi-generational communities. The Mural Program is funded by voluntary developer contributions to the Public Art Program Reserve Fund. The Mural Program is included in the City's 2021 Capital Budget and in the Consolidated 5 Year Financial Plan (2021-2025).

Since Council's endorsement of the Mural Program in 2018, three murals have been installed through this program at the Richmond Cultural Centre, West Richmond Community Centre and the Richmond Winter Club. A fourth mural, approved as part of the 2020 Program, at the Richmond Ice Centre, was delayed due to COVID-19 and will be completed in the Spring of 2021. The completed murals have been well-received by the public, users of the facilities and community stakeholders. All have also contributed to animating the public realm of the city.

Mural Program Selection Process

The Mural Program selection process is as follows:

- An annual Open Call for mural locations is issued for community groups and associations, schools, businesses and property owners to apply for a mural on their property. Private single family properties are not eligible for the Mural Program. Where the applicant is not the property owner, the property owner must indicate consent as part of the application.

- An Open Artist Call for the Mural Program Artist Roster is issued biannually to provide a list of pre-qualified, local artists to work with selected applicants to develop their mural. The roster includes artists with a range of art styles, media and approaches.
- In consultation with Public Art staff, selected applicants are matched with an artist from the Mural Artist Roster for each mural opportunity. Selected applicants are required to sign a Mural Art Agreement with the City, while each artist enters into a tri-party agreement for services with the City and the property owner or representative.
- The City manages and funds the projects. The property owner or representative provides permission and access to the wall for installation and agrees to keep and maintain the mural for a minimum of five years.

Open Call for Mural Locations

The Open Call for mural locations for the 2021 Mural Program was issued on October 21, 2020 with a deadline of November 16, 2020 (Attachment 1).

Staff received 11 applications. A three-person interdepartmental Mural Committee met on November 24, 2020 to review the applications. The committee included representatives from Parks, Planning and Transportation. All submissions were evaluated on the basis of location, public visibility, community impact and condition of wall surface, as well as budget. The following properties submitted an application to participate in the Mural Program:

- Gateway Theatre
- Gulf of Georgia Cannery
- Lock-Block
- Lafarge Canada
- Lehigh Hanson
- McMath Secondary School
- Steveston Harbour Authority
- Thompson Elementary School
- Tomekichi Homma Elementary School
- Westwind Elementary School
- William Cook Elementary School

Five projects were selected to participate in the 2021 Mural Program:

- Lehigh Hanson
- McMath Secondary School
- Thompson Elementary School
- Tomekichi Homma Elementary School
- Westwind Elementary School.

A sixth project, Gateway Theatre, was added after the completed selection process of the Mural Committee. The project had been rated highly but was not recommended due to anticipated costs that would exceed the program's budget. Shortly after learning of their application status, Gateway Theatre notified staff that they would be able to finance the project independently by reallocating funds due to a show cancellation related to COVID-19. Moreover, by incorporating public engagement activities to inform the design of the mural, they identified the project as an opportunity to engage the public and deepen Gateway Theatre's relationship with the community at-large.

Based on Gateway Theatre's high-profile location, the nature of the facility as a cultural destination and the robust public programming that is expected to be connected with this project, staff are recommending that an exception be made to the established selection process and that this project be added to the 2021 Mural Program.

Mural Program Artist Roster Call

The Open Artist Call for the Mural Program Artist Roster was issued on June 21, 2019 and closed on July 31, 2019. Staff received 25 artist applications, six of which were from Richmond-based artists. All artist submissions were evaluated on the basis of artist qualifications, appropriateness to the goals of the Program and previous mural experience (Attachment 2).

The Mural Program Artist Roster selection meeting took place on August 22, 2019. The selection panel included the following three members:

- Paul Dufour – Community Member
- Joey Mallet – Artist
- Chad Wong – Artist

Eighteen artists were selected to remain on the Community Mural Program Artist Roster for a period of two years.

Financial Impact

The Mural Program budget is \$30,000 and it is funded by voluntary developer contributions to the Public Art Program Reserve Fund. The Program is included in the City's 2021 Proposed Capital Budget and in the Consolidated 5 Year Financial Plan (2021-2025).

Roster Timeline: 2019_2021

call to artists

BACKGROUND

The Richmond Public Art Mural Program was approved by City Council in 2018. The Program provides opportunities to add vibrancy to the community by energizing public spaces, fostering community identity and civic pride, engaging youth and deterring graffiti. The creation of murals may bring artists, students, community groups and local businesses together to transform the places where we live, work, learn and play, into welcoming environments that invite interaction and appreciation of art and culture.

THEMES

Themes will be determined on an individual basis. For the Roster, we are looking for artists who can produce artwork that responds to the diverse historical, geographical and cultural heritage of different sites and communities in Richmond. Near natural areas, murals might also reflect Richmond's natural heritage and ecological networks.

MURAL DEFINITIONS

A mural is defined as a painting on a wall surface, digitally produced image printed on a substrate, mosaic or bas relief that is applied directly to a wall and that is visible from the public right-of-way.

ARTIST SCOPE OF WORK

This Artist Call is for inclusion to a pre-selected list, the Community Mural Artist Roster. Should an artist subsequently be selected to create a mural, they will be required to work on site and obtain all the necessary insurance and permitting to use lift equipment or scaffolding as necessary. An approved work plan will be developed in consultation with City staff and the property owner.

Depending on the project, artists may be required to outline a public engagement program to develop a design concept working with community members.

BUDGET

Budget will be determined for each mural project individually and will be based on size, material, level of public engagement, community contribution, site and project requirements. Budget includes (but is not limited to) artist fees, leading community engagement sessions (if required), materials, supplies, paint, permitting as needed, labour, photography, insurance, travel, accommodation and all taxes, excluding GST.

ARTIST ELIGIBILITY

Artists residing in British Columbia are eligible to apply. Indigenous artists are encouraged to apply. City employees and volunteers serving on City of Richmond Advisory Committees are not eligible to apply.

SELECTION PROCESS

NOTE: SELECTION FOR THE ROSTER DOES NOT GUARANTEE SELECTION FOR A PROJECT COMMISSION

Artists will be selected for the Community Mural Artist Roster through a onestage selection process. A five-person Selection Panel will convene to review all artist packages and recommend up to 30 artists for the Artist Roster. The Selection Panel will be composed of artists, community representatives, and art and design professionals. Once on the Roster, artists will be notified prior to being placed into consideration for specific mural projects. Artists will be considered based on the themes and rankings established by the Public Art Selection Panel, the goals of Public Art Area Plans, and neighbourhood identities.

Independently, property owners will be invited to propose a wall on their property for inclusion in the Mural Program. An interdepartmental staff Mural Committee will review the property owners' applications.

After the mural locations have been determined, Public Art staff, in consultation with the selected property owner, will identify artists from the Roster for each mural opportunity. The artists will be selected based on best fit for each project.

Note:

Commissioned artists will enter into a contract with the City of Richmond and property owner as appropriate.

Commissioned artists shall not promote goods and services of any businesses and shall not violate any federal, provincial or local laws. Additionally, the artwork shall not convey partisan politics, negative imagery, religious and/or sexual content.

SELECTION CRITERIA

- Artist's demonstrated mural experience and proven capability in producing murals that reflect community identity and assist in building rich cultural places
- Artist's capacity to engage community stakeholders and work with other City contractors and staff professionals if required.
- Appropriateness of the proposal to the Public Art Program goals: www.richmond.ca/culture/publicart/plans/policy.
