Analysis

Activities and Noteworthy Files

Bike Registration

On September 5, 2017, Project 529 bike registrations were offered at the Community Police Offices located at the City Center, Steveston and South Arm locations. Richmond registrations can be managed through a smart phone app, '529 Garage', that is downloadable.

Organized Crime Initiative

On September 5, 2017, Richmond RCMP officers from the Organized Crime Unit and General Duty patrol partnered to conduct proactive gang patrols throughout the City of Richmond. These patrols will be focused on areas being frequented by gang members. This initiative is aimed at deterring gangs from using Richmond as a place to do business, disrupting the day-to-day movements of gang members and associates, and increasing overall public safety.

Homicide

On September 18, 2017, the Richmond RCMP was called to the 7500 block of Bridge Street for a report of a shooting. Upon police attendance, an adult victim was located and despite all attempts to revive the individual he succumbed to his injuries. The incident does not appear to be a random attack and the matter is under investigation.

Bait Bike

On September 21, 2017, Richmond RCMP Property Crime Unit officers deployed a Bait Bike in the downtown corridor of Richmond and 10 minutes later the officers made an arrest. A male has been charged with one count of Theft Under \$5000. Bait Bikes are currently being deployed throughout Richmond and are closely monitored to combat bicycle theft.

YVR Luggage Thief Arrested

On September 26, 2017, Richmond RCMP YVR Detachment officers arrested a suspect in the International Terminal Building of YVR. Through investigation it was determined that the individual had stolen luggage from luggage carousels before the respective owners could retrieve their property. A suspect was identified and a male fitting the description was observed by YVR Security staff. RCMP officers initiated an arrest shortly thereafter.

Analysis of Crime Statistics

Arson

In September 2017, there were two incidents of arson, which is a 33 per cent decrease from August 2017 and no change from September 2016. Arson at this time is below the five-year statistical average range.
