Name: Wendy Beckett
Address: 12-6800 Lynas Lane
SubjectProperty_Bylaw: 7742 (RZ 04-257429)

Comments:

I have no problem with this rezoning with the following provisos.

- 1) That the mature trees at the rear of these properties be left, affording privacy to we residents living behind them.
- 2) A traffic light at the intersection of Lynas Lane and Granville is put in. It is getting harder every day to make a left turn from here, especially when School lets out. An extra 19 residences will only make the situation worse.
