Re: Bylaw 7884
11000-11100 No SR
& 12000 Steeles Hwy

How are things? I wanted to know

if anyone in this office can give me any information on the proposed CD 161

Zoning change at #5rd + Steeles Hwy

A new mall at Richards Blvd Busiest intersection (3-6pm) would even make

the ^{TRAFFIC} wait longer. Can someone contact

me if any info exists on why we need this?

Its the wrong place, wrong time wrong need.

Thank Randy Craig
