Job # PO. #

Location: 7071 Bridge Street  
Richmond, B.C.

Project: Supply and plant 3 mature conifer trees as per Alex Thorburn's specifications.  
Through the cooperation of Mr. Sandhu we feel that we should be able to source out these trees from existing development sites throughout Richmond. We will be looking for fir, spruce or western red cedar to replace the damaged trees in question. We have the capacity of locating the trees 20-35 feet in height with a caliper up to fourteen inches in diameter planted with a 94 inch root ball.

Rental: A 94 inch tree space \ 310 Deere loader. Hourly rate : \$340/hr with a 4 hour minimum.

Cost:  
Materials: Guide wire support at \$35 per line. Minimum four per tree.  
Ten yards of top soil - \$230 delivered.
