Dear Sirs:

Re: Bylaw 7884 - Liquor Store/ Pub  
 #5 Rd. & Steveston Hwy.

We strongly oppose this proposed bylaw:

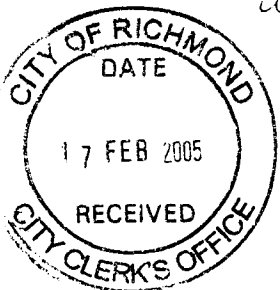

- The intersection at #5 Rd & Steveston Highway is already an accident waiting to happen! Does our Honorable Dept. 777 (I use the term loosely - kidding??) really accept responsibility for this mess? Putting to Ironwood and Silver City is already a joke.
- We already have more than enough Pubs and liquor stores!
- How come another municipality was smart enough to reject this licence and try and dump it on Richmond??

Please vote NO and send a strong message to other "Munis" that we don't want and will not accept their reject Pub/Liquor licences

Sincerely,

Jim Patricia A. Gunn
