We would strongly object to this pub. The reasons are as follows: 1. The traffic that it would generate is the No 1 factor. There is far too much traffic already at that corner. We live off of No 5 Rd and sometimes it's impossible to make entry onto No 5 for at least 5 minutes. With the Buddhist Temple wanting to expand on No 5 and Steveston, something has to be done in the area of traffic planning. 2. It will be undesirable, because of the patrons that it would attract: Drunk Drivers, racing down NO 5 Rd.

WE strongly object to the location of this PUB The traffic that it will generate will add to the congestion that already exists We live off of No 5 Rd and it takes us sometimes 5 mints to enter onto No 5 Rd Secondly it is the patrons that it will attract We have enough drunk drivers speeding along No 5 Rd Also the vandalism and break ins that will occur We have experienced this first hand The Police said it was the result of the Pub near by Would council please consider the traffic problem along NO 5 and Steveston Thank You
