Dear Sir or madam:-

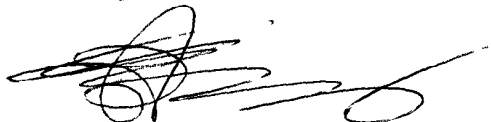

Re - Development permit DPO5-292236

We the under signed are not in favor of the development DPO5-292236.

Reasons -

- The traffic at #5 road + Steveston Hwy is congested enough during rush hour and off periods
- If with the development of a Pub etc, it can cause more accidents during # rush hours.
- Steveston & #5 roads are not wide enough to allow more lanes of traffic
- We have been residence of the Community for 23 odd years and feel that we should be able to voice our objection on this matter at this time.
