

Richmond City Hall/Councillors Feb 12/2005

I work alot in Richmond and picked up a paper at #3+ Steveston to see that your council is

re zoning #5 rd + Steveston for a pub/liquor store

My 1st reaction was "Are you joking? Bad idea

No wonder its in the paper. I hope the resident rise up on this one. Traffic is awful

already + Richmond has so many pubs as it is. Please awake at city hall!

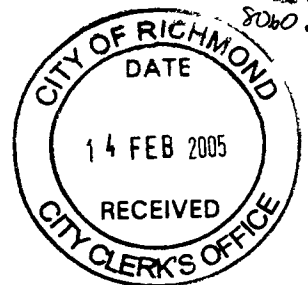

Certainly you must have more time on your hands if this is even an issue in

Richmond.
