Re: 5988 Riverdale

To Mayor & Council

In response to your letter concerning a rezoning amendment, we as long time residents firmly oppose. We see no advantage for us, other than lowering the value of our property and a monetary gain to the builder.

Due to poor city planning we feel you are trying to penalize us for living on a appropriate sized lot. We have no visitor parking, a double yellow line on the road and have converted the road to a racetrack, and now this. Please be reminded, we will not be intimidated by bully builders.
