Re: Amendment East Rezoning Restricted Subdivision So. of Blundell on Gilbert Road

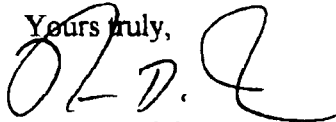

Sir:

I just received a call and notification of a plan to rezone Gilbert Rd. (south of Blundell) from single family to multiple dwelling. I vehemently oppose such amendment in the sense that my property i.e. 8200 Gilbert Rd has a custom-built house with 4000 sq. footage which we designed and built ourselves and to be next to a townhome complex will drastically REDUCE its value.

We plan to retire in this property in two years time.

In case of new developments, please refer to my address/fax below.

Yours truly,
