Re: Suspension of Net Arena Enterprises Inc. Business License.  
 ( File: 12-8275-01/CL Vol.-)

Dear Sirs:

We would like to be made deligate of the council meeting, which is to take place on 13<sup>th</sup> April 2004 to present the followings to the council:

8275-05

We were unable to attend the last council meeting ( 11<sup>th</sup> March 2004) due to the fact that the letter of notice ( File: 8060-20-7048 ) was never delivered to the management due to a fault on our part and that was why we did not attend the last council meeting. Also the main shareholder of Net Arena was out of the country at the time and now he is back to Vancouver and would like to present our case in person.

We would also like to take this oppotunity to inform the council that since our meeting with the Chief License Inspector, we've been closing on time and we have every intension to do so.

We've been in business since Dec 2002, and I am pleased to inform you that we have never had any incidents on the premises from or with our customers since that day. There have been no drug or cigarette dealings and we do not serve alcohol at all. Only soft drinks and light refreshment is being served to our customers. We also provide a dim but adequate lighting, clean and comfortable environment. Our customers are well-mannered young people. We even have a mother who comes in frequently and plays with her teen-age daughter.

We are very pleased that our business has arrived at such a setting, and we intend to keep it this way.

We are planning to install a web-based security camera system to better monitor the entire premises 24 hours daily. It also can be used to help you to examine the going-ons' at the premises if you so choose.

Therefore, we would sincerely ask to council to kindly reconsider our case and allow Net Arena to re-open for business as soon as possible.

Thank you.
