Attn: His Worship Mayor Malcolm Brodie and Members of City Council

Your Worship and Members of Council:

I am writing to request an appearance by the Vancouver International Airport Authority and the YVR Noise Management Committee at the December 4, 2006 meeting of the General Purposes Committee of Council.

The purpose of the presentation is to provide an update on:

- The Aeronautical Noise Management Committee
- The 5 year Noise Management Plan
- Progress on implementing noise management initiatives

We anticipate that the presentation will require approximately 10 minutes, and, as always, we would be happy to answer any questions the Council may have.

Attending the session will be James Watson and Tom Chen, City of Richmond Council appointed citizen representatives on the Aeronautical Noise Management Committee. I will be there on behalf of the Airport Authority. Eric Fiss is the City of Richmond staff representative on the Noise Management Committee and I understand that he will also be present.

Please let me know if December 4th is acceptable to Council. In the meantime, if you have any questions or concerns, I invite you to call me at 604.276.6357.

Yours truly,
