<b>Surrounding Development</b>	The site is located in a neighbourhood where there has been a significant amount of single-family residential subdivisions. Newly constructed houses on R1/A size lots are located to the immediate north and across Duncliff Road to the east. Older houses on existing lot sizes (R1/E) are located to the south.
<b>Staff Comments</b>	Engineering staff note that there is no need for frontage upgrades along the subject site. Therefore, no Neighbourhood Improvement Charge (NIC) fees need to be collected. Staff are currently processing one other similar application in the neighbourhood at 4711 Dunfell Road (RZ 04-265089).
<b>Analysis</b>	This neighbourhood has gone through significant amounts of redevelopment in the form of single-family residential subdivisions to narrower R1/A size lots (minimum 9 m or 29.5 ft.). New houses on the neighbouring property to the north are currently being constructed with homes to the east across Duncliff Road recently completing construction. Application complies with Lot Size Policy 5470, which permits subdivision to R1/A.
