Staff Report

A small technical error has been discovered in the amendment to the Municipal Ticketing Information Authorization Bylaw which is scheduled for adoption at the Regular Council meeting of September 24, 2007. Although the oversight is small, the result, if enacted, could lead to difficulties in enforcing certain portions of the Bylaw. The oversight occurred when several schedules to the Bylaw were proposed to be re-numbered. Unfortunately, the references to the newly numbered schedules were not reflected in the main body of the bylaw, as would be required. A corrected bylaw is attached for Council's consideration.

For the sake of expediency, the corrected bylaw is being presented directly to Council for three readings. If the corrected bylaw receives three readings on September 24th, adoption may proceed at the next open Council meeting.

A handwritten signature in black ink, appearing to read "David Weber". The signature is fluid and cursive, with the first name "David" written in a larger, more prominent script than the last name "Weber".
