Dear Mayor and Coucillors,

My findings were the following:

120 homes visited with people answering, all above the legal age of 19

106 supporting the rezoning to R1/A
3 not opposed to the rezoning application
11 opposed to the rezoning

I have attached the petition with the 106 supporting signatures and 3 not opposed signatures.

I find the results to be overwhelming in favour of the rezoning application. I visited many areas in the Garry Street and Duncliffe areas. From the co-op on Number One Road to the Townhomes at the East end of Garry Street, to Yoshida Court, to Windjammer, and my findings were that the residents support the rezoning to R1/A.

I thank you in advance for taking this information into consideration.

Sincerely,

Markus Berg, CIMBS
