To: The Richmond City Clerk

From: The Thompson Community Association

The Thompson Community Association requests a time to speak at the July 12 meeting of the City Council. The subject we are going to put forward is the granting of permission to replace the gym floor in Thompson Center. The cost of the floor replacement will be born by the association. The speaker will be Ms Julie Halfnight.

The reason this request is of short notice is that the construction of the floor replacement will have to start in early August to assure the floor is in by the "Nibbles and Bites" festivities and be a minimum of inconvenience to our members.

Could you please contact me as soon as possible if this request is granted. My number is 604 273 0410.

Thanking you

**Gerald Galasso
Thompson Association President**
