Dear Mayor Brodie and Council,

Our school, Manoah Steves Elementary School, is currently at the tail end of our school-wide seismic upgrade renovations, which we expect to be finished in September, 2021.

We hope to freshen up our outdoor space, too, and as part of that, and to reinforce our school district SOGI initiatives, we wondered if the City of Richmond might consider painting the crosswalk outside our school in rainbow colours.

If there is any other information we could provide to assist with a decision, please let us know.

Sincerely,

Vivienne Lowenstein
Administrative Assistant
