This is a protest against the proposal for a Pub/Restaurant at the not yet built Sandhill Plaza on Steveston Highway. I shop at Ironwood and finding that the Liquor Store and the VQA store have everything that I need. If I want to go to a pub I go to Kelseys at Coppersmith and that is plenty of liquor outlets not counting the Kingswood Pub just up NO 5 Rd. Right now the corner of 5 and Steveston can not handle the traffic that is already there. Do not allow the Rezoning of that corner for an unnecessary liquor outlet.
