To Development Permit Panel

Item #	3
Re:	6351 Buswell St

Opposed to the development for the following reasons

- The New Tower will block Perla's southern views
- The increase in traffic using the laneway perpendicular to Saba Road will be detrimental to the Perla
- There will be an immediate lack of privacy amongst the towers
- The development is too close to our building and may reduce the strength or even damage our building during construction
- Noise will be readily heard by our tower residents during construction hours
- Construction dust and pollutants released during construction directly affects our residents
- Construction dust will coat our building.
