

Dear Sir/Madam,

I'm writing in response to your letter
re. public hearing for Intent of Permit (6351 Buswell
Street).

I vote against the application since the
construction of a new building just in front
of Tesla (8100 Seba Road) will block
everything and increase the traffic
which is already crowded, moreover, the
lack of privacy will cause great
inconvenience.

Please take this opinion into consideration
and thank you for your concern
