Subject: The Gardens Development

Just a note to express my opposition to the addition of 2 more floor to The Gardens development. From what I read they have already had a variance to increase from 6 to 8 floors and now wish to go higher. If this is allowed it then sets a precedent for the rest of the 5 Road properties north of this development. More units adds up to more vehicles and even with the new interchange there are no changes to the #5 Road and Steveston Hwy corner merge mess.
