### Survey Response

**Your Name:** karen mcdonal  
**Your Address:** 24 7111 lynnwood dr  
**Subject Property Address OR Bylaw Number:** 8343 (rz07-361266) at 7140 railway

**Comments:** As i am a resident on lynnwood i am opposed to any more townhouses or high density building going on in this area. As it is congestion is a problem with traffic and parking. We don't need any more traffic going thru our subdivision to access granville street by people who are trying to avoid the lights at railway and granville. We prefer it to remain as it is or open it up for parking, as there is a shortage of space for parking already . Keep as single housing.
