City of Richmond
Planning Department
6911 No.3 Road
Richmond, BC V6Y 2C1

Attention: Mr. Holger Burke
Acting Director of Development

Dear Sirs:

Re: **Application by Mr. Kabel Atwall For Official Community Plan Amendment of a Portion of 10060 No.5 Road from "Agricultural" to "Community Institutional" and Rezoning from "Agricultural District (AG)" and "Roadside Stand (Class C) District (RSC)" to "Comprehensive Development District (CD/165)" and for Official Community Plan Amendment of a Portion of 10320 No.5 Road From "Community Institutional" to "Agricultural" (the "Development Application")**

We are the principals of the above referenced Development Application that was assisted by Mr. Atwall acting as our agent. We write to formally advise you that we have decided to withdraw our Development Application.

We are grateful for all of the constructive suggestions we have received from the public to our proposed expansion, and we appreciate the assistance that you and your staff have provided throughout our application process.

We have determined through the application process that there are many creative and effective solutions to the concerns raised by City staff and neighbours during the application process. We are confident that these solutions will add improvements to our proposed expansion. We will be starting from the beginning and redesigning our proposed expansion based on the good planning principles recommended by City staff and Council. Our intention is to build a religious facility that not only services the needs of our worshippers, but also a landmark of Richmond in which all Richmond residents can take pride.

We look forward to working with the City closely in the future on our new expansion plans.

Yours truly,

Mei Hua Kuo
Director,
