

Re Item #2

# PETITION

Subject - Regarding Change of Zoning

of lots ~~on~~ on Williams between #4 Rd  
& Shell Road & on #4 Rd between Wilkersons  
& Williams.

We the residents of this area here  
by sign to oppose vehemently any zoning  
in to smaller lots on the above mentioned  
roads, and later on, inside on the arterial  
roads of this area. We are concerned that  
increase in concentration of this area is going  
to effect adversely on education, city services  
traffic, and quality of life of long  
term residents of this area. We think it is  
not a good idea to mix townhomes into  
single family residential area.
