## Staff Report

### Origin

This report provides a quarterly summary of activities in support of the regulation of business licences in the City of Richmond and supports Council's 2014-2018 Term Goal #8 Supportive Economic Development Environment:

*8.1. Richmond's policies, programs, and processes are business-friendly.*

### Analysis

#### Business Licence Revenue

Revenue from all business licences continues to track ahead of 2016 and should result in revenues increasing five to seven per cent in 2017. This increase is utilized to offset an increase to temporary staff that are helping to pursue unpaid, expired business licences.

The number of new businesses, those businesses not previously licenced, is also up since last year. These statistics are illustrated in the chart below:

Table 1: Business Licencing Revenue for 2016-2017

	2017 YTD	2016	2015
New Business Licences	1478	1704	1651
Revenue (from Licences)	\$ 2,988,961	\$ 3,716,597	\$ 3,647,645

#### Application Processing

Staffing changes were made in early 2017 to address the increasing number of expired licences as well as those waiting to be processed. This has sustained a steady decline of the number of businesses with expired licences and a decrease in the number of businesses with suspended or pending applications. In particular, the decrease in expired licences is quite significant as it is 37 per cent lower than last quarter and 57 per cent lower than when it peaked in the first quarter of 2017 (when the staffing changes were initiated). The full summary is in Table 2.

Table 2: Total Business Licence Renewals and Applications

	2016 Q2	2016 Q3	2016 Q4	2017 Q1	2017 Q2	2017 Q3
Valid Licences	13,407	13,402	13,253	13,242	13,912	14,062
Expired Licences	1,882	1,870	1,975	2,192	1,496	941
Suspended and Pending Applications	487	576	443	450	420	371
Total (excludes expired licences)	13,894	13,978	13,696	13,692	14,332	14,433

### Business Licence Enforcement

The focus of business licence enforcement in the third quarter of 2017 continued to be bed and breakfast businesses. In the fourth quarter, enforcement of Bed and Breakfast businesses will return to standard levels as the tourist season winds down and occupancy rates are lower. Staff will instead focus on businesses with expired licences and those businesses not operating within the regulations of City bylaws. While revenue is up from previous years, it is likely to continue to rise now that the value of tickets for “operating without a business licence” has increased to \$1000.

Table 3: Business Licencing Enforcement

	2017 Year To Date	2016	2015
Revenue from Tickets	\$ 14,150	\$1,700	\$ 8,950

### Update on Bed And Breakfast Licences

The number of licenced bed and breakfast (“B&B’s”) businesses has increased to 46 in the City of Richmond.

At a Business Licence Hearing on October 10, 2017, Council extended the deadline for compliance for two bed and breakfast businesses. Council was also informed that a third business, previously non-compliant, has completed all the required work and is now in compliance with City bylaws. Staff will report back to Council in January on the progress of the two non-compliant businesses.

### Sign Bylaw

A full-time Sign Inspector has now been hired into the Business Licences group. The Sign Inspector is providing enforcement for signs that are prohibited or installed without a permit and is also providing education that is consistent with the City’s new Language on Regulated Signs Policy.

### Taxis

Council has recently approved changes to the taxi approval process. There have not been any new applications since this change but staff are preparing a letter to the Passenger Transportation Board to express Council’s request that 50 per cent of all new licences be for accessible taxis.

### Liquor Licencing

Council received a one year update on the changes to the City’s Liquor Policy that were approved in 2016. Liquor applications continue at a steady rate with a range of applications including new liquor primary licences, location changes and changes to seating numbers.

**Financial Impact**

None.

**Conclusion**

This report provides an update on third quarter statistics to the Community Safety Committee from the Business Licences department. The statistics and commentary provided in this report will inform discussions related to policy, staffing and resources for licences and permits related to business, signs, taxis and liquor.

With students back in class, bylaw officers resumed school zone patrols starting with a two week educational initiative, which was followed by graduated enforcement. During the month, a total of 2,022 violations/warnings were issued for various safety, liability and pay parking offences.

Dog licencing continued at a steady pace with 80 new licences and or renewals processed in September. Year to date 7,121 dogs have been licenced and a total of 7,700 dogs are projected to be licenced by the end of the year.

### Education and Awareness

Bylaw officers continue to promote safety through public awareness, education and enforcement. In addition to educational patrols at all schools within the city, a “Twitter” campaign was employed to raise awareness about safe driving practices at or near schools.

### Adjudication

The last adjudication hearing was held on September 26, 2017. During this session a total of 17 cases were heard that resulted in the following decisions;

- 15 violations upheld;
- Two violations dismissed; Adjudicator ruled insufficient evidence in both cases.

The next adjudication hearing is scheduled for January 30, 2018.

### Revenue

The Community Bylaw Division derives most of its revenue from parking meters, parking permits and parking violations with the remainder of revenue generated by the following sources; Dog Licences, False Alarm Incidents, Animal Control Violations, Newspaper Box Distribution Permits (renewed annually), Tow Permit Applications and Film Crew Occupancy. ## **Staff Report**

### **Origin**

This report provides Council with an update on Richmond Fire-Rescue (RFR) activities. RFR is reporting on its activities in support of its mission:

*To protect and enhance the City's livability through service excellence in prevention, education and emergency response.*

This report supports Council's 2014-2018 Term Goal #1 A Safe Community:

*Maintain emphasis on community safety to ensure Richmond continues to be a safe community.*

### **Analysis**

#### **Community Involvement**

RFR advances public awareness, education and community bridge building by participating in training events and community activities. Fire safety presentations provided during September 2017 included the Fire Safety Block Watch, Richmond School Board safety presentation and a safety talk at Tait Elementary school.

Staff engaged with over 200 children and adults in the community during September, providing fire safety and harm reduction information.

#### **Emergency Response**

RFR's goal is to respond to events in a manner where loss of life, reduction of property damage and protection of the environment is mitigated. In September 2017 there were a total 923 incidents, representing a 2.6 per cent increase in calls from September 2016 (Attachment 1). The average time on scene for RFR crews was 27.10 minutes, a decrease of 0.04 per cent from 2016. This is due to the nature and severity of each call and the duration on scene.

In September 2017 there were 68 dispatched fire calls. Of those, 44 were actual reportable fires, 194 apparatus were used and 562 fire personnel attended.

Fire damage and property losses during September 2017 are estimated at \$21,260. This total includes \$14,235 for building/asset loss and \$7,025 for content loss. The total building/asset and content value at risk was estimated to be \$2,901,960 and the total value preserved from damage was \$2,880,700. These numbers translate to 99.3 per cent of value protected (Figure 1), this figure is a decrease from the 99.9 per cent protected value observed in 2016.

\*The dollar losses shown in this table are preliminary estimates. They are derived from RFR's record management system and are subject to change due to delays in reporting and confirmation of actual losses from private insurance agencies (as available).

Fire crews minimized loss and limited fires to the place of origin in these notable September 2017 incidents:

- Fire at a Commercial property on Horseshoe Way. Crews responded to reports of white smoke coming from a room within the warehouse complex. Fire crews arrived accessed the building to find sprinkler heads activated and suppressing the fire. Fire crews extinguished spot fires, ventilated the area and performed onsite salvage and overhaul. The City's works yard was called to board up the front entrance of the warehouse. The warehouse was placed under a Fire Watch and a Fire Investigator attended.
- Fire at a Commercial property on No. 5 Road. Arriving crews witnessed smoke coming from an outdoor structure. After further investigation crews found that a pile of vehicle batteries on fire. Crews extinguished the fire, secured the area and located a drainage pit to hold the water, foam and battery acid from the fire. The site was left in the care of the onsite security firm. A Fire Investigator attended the site.
- Fire at a multi-tenanted residential property on Alder Street. Arriving crews found a small fire burning in a planter box in front of the units. Crews quickly extinguished the fire. There were no injuries to the public or fire personnel. A Fire Investigator attended the scene.

### Analysis

#### Activities and Noteworthy Files

##### *Bike Registration*

On September 5, 2017, Project 529 bike registrations were offered at the Community Police Offices located at the City Center, Steveston and South Arm locations. Richmond registrations can be managed through a smart phone app, '529 Garage', that is downloadable.

##### *Organized Crime Initiative*

On September 5, 2017, Richmond RCMP officers from the Organized Crime Unit and General Duty patrol partnered to conduct proactive gang patrols throughout the City of Richmond. These patrols will be focused on areas being frequented by gang members. This initiative is aimed at deterring gangs from using Richmond as a place to do business, disrupting the day-to-day movements of gang members and associates, and increasing overall public safety.

##### *Homicide*

On September 18, 2017, the Richmond RCMP was called to the 7500 block of Bridge Street for a report of a shooting. Upon police attendance, an adult victim was located and despite all attempts to revive the individual he succumbed to his injuries. The incident does not appear to be a random attack and the matter is under investigation.

*Bait Bike*

On September 21, 2017, Richmond RCMP Property Crime Unit officers deployed a Bait Bike in the downtown corridor of Richmond and 10 minutes later the officers made an arrest. A male has been charged with one count of Theft Under \$5000. Bait Bikes are currently being deployed throughout Richmond and are closely monitored to combat bicycle theft.

*YVR Luggage Thief Arrested*

On September 26, 2017, Richmond RCMP YVR Detachment officers arrested a suspect in the International Terminal Building of YVR. Through investigation it was determined that the individual had stolen luggage from luggage carousels before the respective owners could retrieve their property. A suspect was identified and a male fitting the description was observed by YVR Security staff. RCMP officers initiated an arrest shortly thereafter.

Analysis of Crime Statistics*Arson*

In September 2017, there were two incidents of arson, which is a 33 per cent decrease from August 2017 and no change from September 2016. Arson at this time is below the five-year statistical average range.

A number of auto theft files are unsuccessful attempts.

*Drugs*

There were 57 drug incidents, which is no change from August 2017 and a 1.7 per cent decrease from September 2016<sup>1</sup>. September 2017 drug incidents within five year statistical average range.

---
