Staff Report

Origin

This monthly report for the Community Bylaws Department provides information on Property Use, Grease, Soils, Parking, Animal Control, Education and Awareness Initiatives.

This report supports Council's 2014-2018 Term Goal #1 A Safe Community:

Maintain emphasis on community safety to ensure Richmond continues to be a safe community.

Analysis

Property-Use

Property-Use Officers continue to respond to changing public demand through the investigation of public complaints. During the current month most activity was associated with unsightly premises, boulevard maintenance, building demolitions, signage, and zoning issues, which includes short-term rentals.

Short Term Rental Officers continue to investigate properties based on website listings and public complaints. During the current month 15 new files were opened while 57 files were concluded due to compliance. In addition, four violations were issued in accordance with recent amendments to Zoning Regulation Bylaw No. 8500.

Soils

The Soils Officer remains engaged in the investigation of numerous files that require continuous monitoring, inspection, as well as liaison with various City departments and external agencies. A total of 32 soil files remain under active investigation including eight "Non-Farm Use" matters (applications, permits, work-in-progress), nine stop-work-orders (pending & active) and 11 soil removal/remediation orders.

Grease

The Grease Officer remains diligent in inspecting food establishments while maintaining a focus on education and voluntary compliance. Inspection volume remains strong with the majority of food establishments adhering to the bylaw. During the current month 102 grease-trap inspections were conducted while 55 new files were opened. In addition, seven bylaw violations were issued and subsequently changed to warnings upon owner/operator compliance. A total of 353 files have been processed year to date of which 43 remain active.

This will be the final month that the Community Bylaws reports on grease activity because the position was transferred to the Engineering Department effective June 1st, 2017.

Parking and Animal Control

Parking and Animal Control Officers remain proactive in patrolling for non-moving traffic violations and continue to place priority on safety and liability matters such as fire hydrants, crosswalks and school zones.

Dog re-licencing continues at a uniformed pace while canvassing patrols have been successful in promoting new licence registrations. During the current month 90 dogs were licenced with 6,703 dog's licenced year to date. A total of 7700 dogs are projected to be licenced by the end of the year.

Education and Awareness

Staff continue to be active within the community promoting safety through public presence and education. During the current month bylaw representatives participated in "Police Week" at Az-Zahraa Islamic Centre and Branscombe House and also attended RAPS Annual General Meeting at Richmond Nature Park. Training and development is equally important consequently all staff recently attended courses presented through the "British Columbia Municipal Safety Association", while the City's Grease Inspector attended a local "Grease Summit".

Adjudication

The last adjudication hearing was held on May 23, 2017, where a total of 17 cases were presented which resulted in the following decisions;

- 14 violations upheld
- 3 violations dismissed

The next adjudication hearing is scheduled for September 26, 2017.

Financial Impact

Pay-Parking represents the majority of revenue generated by the department and consists of parking meters, parking permits and parking violations.

The remainder of department revenue is generated through the following sources;

- Dog Licences
- False Alarm Incidents
- Animal Control Violations;
- Newspaper Box Distribution Permits (renewed annually);
- Tow Permit Applications (renewed every two years);

- Film Crews (occupancy of meter & permit zones);

Community Bylaws remains on target to meet or exceed all budgetary obligations.

The table below lists all department revenue for the month and year to date:

Staff Report

Origin

This report provides Council with an update on Richmond Fire-Rescue (RFR) activities. RFR is reporting on its activities in support of its mission:

To protect and enhance the City's livability through service excellence in prevention, education and emergency response.

This report supports Council's 2014-2018 Term Goal #1 A Safe Community:

Maintain emphasis on community safety to ensure Richmond continues to be a safe community.

Analysis

Community Involvement

RFR advances public awareness, education and community bridge building by participating in training events and community activities. During May 2017 the following events took place:

- Public Education and Fire Safety Trailer visits to: Safety and Security Fair at the Aberdeen Centre. Education staff engage with 900 students providing fire safety education;
- Information sessions for fire prevention were provided to: Pacific Gateway Hotel staff, Developmental Disabilities and Richmond School Board, the Annual Spring Fair/Canada 150 Celebration Whiteside Elementary School; and
- RFR supported or hosted charitable/community events including: Public Works Open House, Public Safety Engagement Richmond RCMP, Joint Emergency Preparedness Presentation Emergency Social Services Programs and Richmond RCMP and a Boating Safety Day at the Shelter Island Marina.

Staff engaged with over 2,198 children and adults in the community during May, providing fire safety and harm reduction information.

RFR staff were also on-site for the Tall Ship event at Garry Point Park during May. A truck and equipment were on scene during the weekend to provide onsite operational support.

Emergency Response

RFR's goal is to respond to events in a manner where loss of life, reduction of property damage and protection of the environment is mitigated. In May 2017 there were a total 926 incidents, representing a 3.2 per cent decrease in calls from May 2016 (Attachment 1). The average time on scene for RFR crews was 44.2 minutes, an increase of 64 per cent from 2016. This is due to the nature and severity of each call and the duration on scene.

In May 2017 there were 46 dispatched fire calls. Of those, 37 were actual reportable fires, 131 apparatus were used and 404 fire personnel attended.

Fire damage and property losses during May 2017 are estimated at \$73,486. This total includes \$61,886 for building/asset loss and \$11,600 for content loss. The total building/asset and content value at risk was estimated to be \$17,744,636 and the total value preserved from damage was \$18,671,150. These numbers translate to 99 per cent of value protected (Figure 1), this figure is an increase from the 97 per cent protected value observed in 2016.

*The dollar losses shown in this table are preliminary estimates. They are derived from RFR's record management system and are subject to change due to delays in reporting and confirmation of actual losses from private insurance agencies (as available).

Fire crews minimized loss and limited fires to the place of origin in these notable May 2017 incidents:

- Structure fire at a seniors housing complex located on Garry Street. Arriving crews noted that smoke was visible from a first floor suite. Crews were informed that most of the residents were already evacuated except a few units where special mobility assistance was required. Once all residents were safely evacuated or secured in place, crews proceeded to attack and quickly extinguish the fire. There were no injuries to occupants and ventilation was used to reduce smoke in other areas of the complex. Emergency Social Services provided care for displaced individuals and a Fire Investigator was requested to the scene.
- Large structure fire at commercial property on Gifford Street, New Westminster. This incident was a mutual aid request by the New Westminster Fire Department to assist with a fire at a recycling facility. On arrival crews reported to the onsite Incident Command and remained on site to provide support services. There were no injuries reported.
- Structure fire located on Blundell Road. RFR crews were dispatched and found a garage door on fire on the exterior of a building. Crews attacked and extinguished the fire. Due to the suspicious nature of the fire the RCMP and a Fire Inspector were called to attend the scene.

- A boat fire located at River Road. Crews responded to reports of an explosion on a 25ft vessel at a fuel dock. Arriving crews quickly extinguished the fire. There were no injuries or any environmental issues to report. The boat was later towed and removed from the dock area by the boat owner.
- A technical rescue incident located at No 9 Road. The incident involved a worker who had fallen approximately 10ft in a stairwell located three floors above ground level. RFR's Technical High Angle Rope Rescue (THARR) team were dispatched to attend the scene. Crews located the patient and lowered them to the grounds using high angle equipment and a stretcher. RFR and BC Ambulance Services (BCAS) crews stabilized the patient who was then taken to hospital for treatment.
- A motor vehicle incident on Granville Avenue. RFR crews were dispatched to attend a motor vehicle incident involving a car which had crashed into a pole at Granville Avenue. RFR crews responded and found BCAS were already on scene. RCMP arrived on scene and it was determined that the incident was a crime scene. RFR crews assisted RCMP with securing the scene and vehicle.

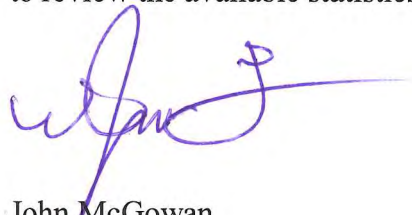

Financial Impact

None.

Conclusion

During May 2017, calls for service decreased by 3.2 per cent from May 2016. RFR will continue to monitor these activities to identify trends and ensure potential solutions.

The continued increase in RFR's emergency response has a direct impact on unit availability, response times, availability for non-emergency operations and in-service training. RFR continues to review the available statistics and amend resource allocation, as necessary.

Origin

At the request of the Community Safety Committee, the Officer in Charge will keep Council informed on matters pertaining to policing in the Richmond community. This monthly activity report for the RCMP provides information on each of the following areas:

1. Activities and Noteworthy Files
2. Analysis of Crime Statistics
3. Auxiliary Constables
4. Block Watch
5. Community Police Stations and Programs
6. Crime Prevention Unit
7. Road Safety Unit
8. Victim Services
9. Youth Section

This report supports Council's 2014-2018 Term Goal #1 A Safe Community:

Maintain emphasis on community safety to ensure Richmond continues to be a safe community.

Analysis

Activities and Noteworthy Files

Car Theft

On May 11, 2017, the Richmond RCMP released a forensic sketch and video to identify a male who attempted to steal vehicles in Richmond. On March 24, 2017, RCMP officers responded to the area of 8300 block of Granville Avenue. A woman parked her vehicle in front of a convenience store when the suspect grabbed her car keys and attempted to drive away in her vehicle. The suspect was confronted by a bystander and fled. A short time later, the same suspect successfully stole another vehicle and struck the owner as he fled the scene. The owner was not seriously injured and the matter remains under investigation.

Arrest

On May 11, 2017, Richmond RCMP officers arrested a suspect connected to a series of thefts and property related offences. Investigators followed clues from several intertwined cases starting with an incident that occurred on April 21, 2017 when a suspect of a stolen vehicle was identified by Richmond Bike unit officers. On May 11, 2017, the suspect, who had initially fled, resurfaced driving another stolen vehicle. This time the suspect was arrested without incident. The accused appeared in court and faces several related charges.

Found Body

On May 14, 2017, Richmond RCMP officers responded to the area of No. 2 Road and Granville Road for reports of gunfire. A damaged vehicle was discovered nearby with a lone deceased occupant. The incident is a homicide and is being investigated.

Robbery

On May 24, 2017, two male suspects assaulted and robbed a male victim in an abandoned house in Richmond. The victim reported that he was lured into the residence by the suspects under the pretense of requiring assistance. The victim suffered minor injuries and the incident remains under investigation.

Threats to School

On May 30, 2017, Richmond RCMP investigated a series of threats directed at Robert Alexander McMath Secondary School. Richmond RCMP School Liaison officers investigated a series of WIFI SSID spoofing incidents which progressed into a series of threats directed towards the school. A comprehensive safety assessment was conducted along with the Richmond School District and a decision was made to secure the school. The investigation continues.

Analysis of Crime Statistics*Arson*

In May 2017, there were five incidents of arson, which indicates no change from April 2017 and a 64 per cent decrease from May 2016. Arson at this time is within the five-year statistical average range.

Assault Serious (Assault with a Weapon)

There were 17 assault serious events, which is a 112 per cent increase from April 2017 and no change from May 2016. Assault serious is within the five-year statistical average range.

Auto Theft

There were 23 auto theft incidents, which is no change from April 2017 and a 20 per cent decrease from May 2016. Auto theft is within the five-year statistical average range.

Drugs

There were 94 drug incidents, which is an increase of 84 per cent from April 2017 and a 32 per cent increase from May 2016. Increased passenger levels at the airport is a contributing factor to this increase. Drug incidents are above the five-year statistical average range.

Residential Break and Enter

There were 47 break and enters, which is a 17 per cent decrease from April 2017 and a 23 per cent increase from May 2016. Residential break and enters are within the five-year statistical average range.

Sexual Assault

There were seven sexual assault offences, which resulted in a 40 per cent increase from April 2017 and a 22 percent decrease from May 2016. Sexual offences are within the five-year statistical average range.

Shoplifting

There were 59 shoplifting thefts, which is an 11 per cent increase from April 2017 and a 26 per cent decrease from May 2016. Shoplifting is within the five-year statistical average range.

Theft from Auto

There were 170 thefts from auto incidents, which is an eight per cent increase from April 2017 and a 19 per cent decrease from May 2016. Theft from auto is within the five-year statistical average range.

Violent Crime

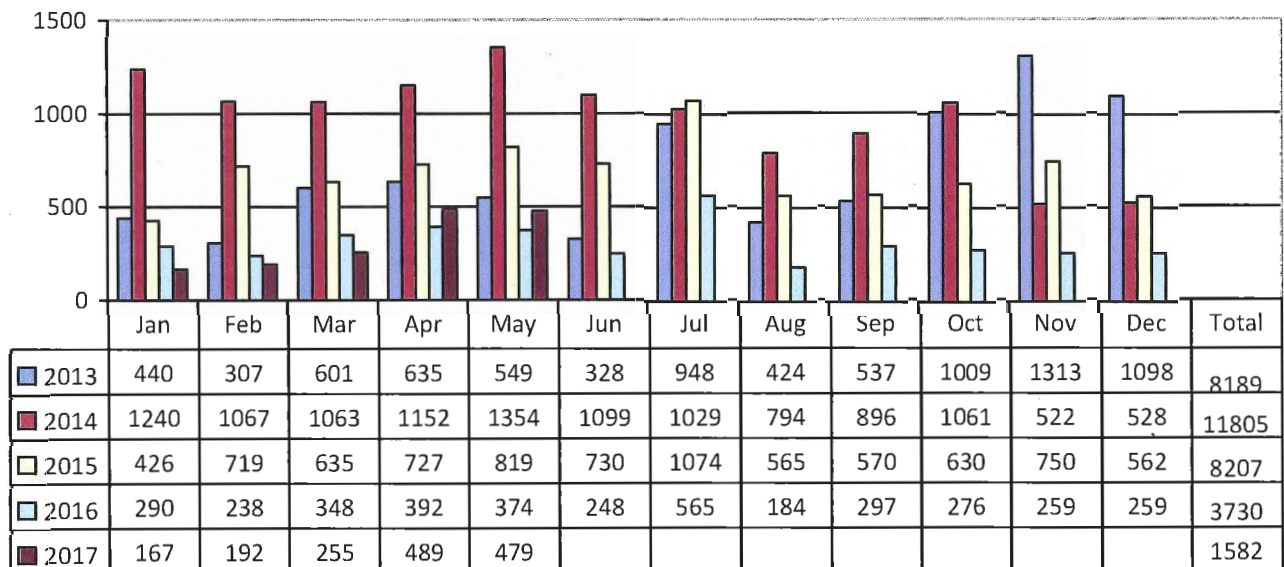

There were 123 violent crime incidents, which is a 13 per cent increase from April 2017 and a 19 per cent decrease from May 2016. Violent crime is within the five-year statistical average range.

Auxiliary Constables

In May 2017, the Richmond RCMP Detachment (the Detachment) had a total complement of 37 auxiliary constables, who provided 479 volunteer hours. There was a two per cent decrease of hours from April 2017 and a 28 per cent increase from May 2016.

Figure 1 compares the monthly hours of service provided by month from 2013 to 2017.

Figure 1: Auxiliary Constables Volunteer Hours

Auxiliary Constable Activities

Auxiliary Constables attend events in the community to promote a positive police presence, support regular RCMP members and provide traffic and crowd control. During the month of March auxiliary constables participated in:

- Crime Watch
- Heart and Stroke Big Bike
- Pathways Initiative
- Police Week
- Project SWOOP
- School Sports
- Spring Fairs
- Tall Ship Festival
- Works Yard Open House

Block Watch

At the end of May 2017, the Block Watch program had 439 groups totaling 10,038 participants. Currently, the program includes 580 captains, which is an increase of five captains, three groups, and 49 participants.

Community Police Station Programs

Community police stations continue to enhance the Detachment's policing service by providing an array of crime prevention resources and community safety initiatives. City staff and volunteers pursued safety initiatives to enhance crime prevention program awareness, community engagement, police accessibility and to reduce anxiety and fear levels related to

crime. The demographics of the programs vary from month to month reflective of weather conditions, seasonal initiatives, events and the availability of the volunteers.

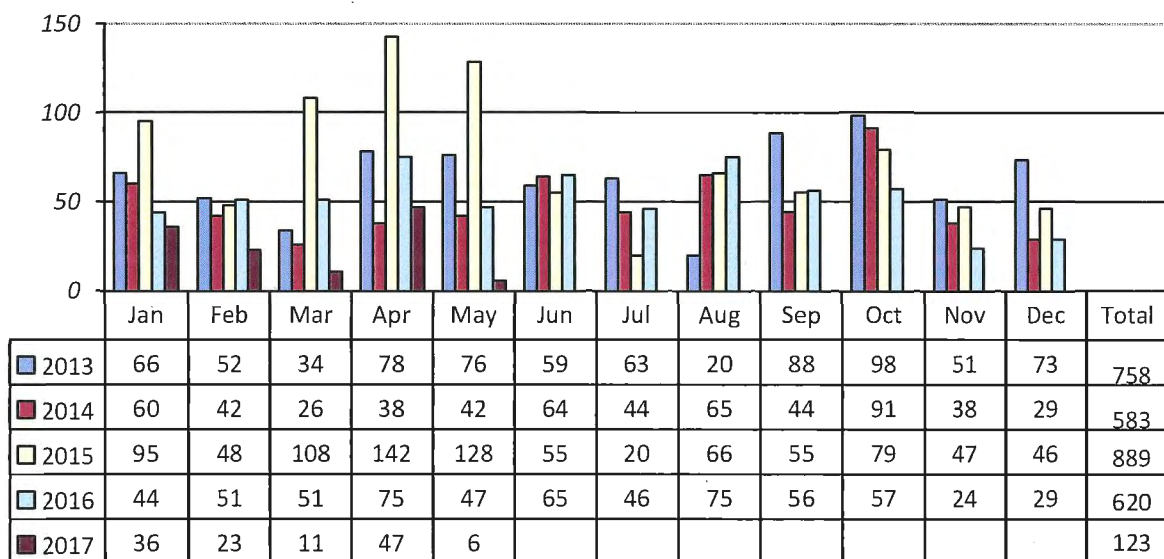

During the month of May volunteer highlights included:

- Deployment of eight foot/van patrols totalling 53 hours and six bike patrols totalling 140 hours;
- Conducted 22 Fail to Stop deployments which resulted in 814 warning letters;
- Conducted Speed Watch on 16,507 vehicles at various locations in Richmond;
- Conducted Lock Out Auto Crime on 3,853 vehicles at various locations in Richmond;
- Volunteers participated in assisting at the Tall Ships Festival, Works Yard Open House, school sports and Police Week activities from May 5 to May 18, 2017.
- Speed Watch was deployed on May 6-9, 2017, in the Barnes Drive area to address a road safety complaint;
- Volunteers participated in spring fairs held at Gilmore, Whiteside and Homma Elementary Schools on May 25 and May 26, 2017.
- Speed Watch/Project SWOOP deployment on May 24, 2017, where 3,957 vehicles were checked. Twenty nine volunteers issued 166 warning letters; and
- On May 27, 2017 while on patrol, volunteers located an occupied stolen vehicle in the City Centre resulting in the arrest of a female for possession of stolen property.

Crime Prevention Unit

Crime Prevention reduces crime and enhances community engagement through public awareness and dialogue initiatives. During the month of May, the Crime Prevention unit participated in the following events/activities:

- BC Muslim Association Spring Fair
- Canada 150 Festival at Gilmore Elementary
- Emergency Preparedness Presentation
- Heart and Stroke Big Bike
- McDonald's McHappy Day Charity Fundraiser
- Police Week
- Project Swoop
- School Sports
- Seniors Safety Presentation in Hamilton
- Tall Ships Festival
- Tim Horton's Camp Day
- Works Yard Open House
- Youth Week at Cambie Secondary School
- Volunteer Road Safety Programs Training

Road Safety Unit

The Road Safety Unit makes Richmond's roads safer through evidence-based traffic enforcement, investigation of serious vehicle collisions and public education programs. The statistics below compare April 2017 data to both February 2017 and March 2017.

The Moving Violations category refers to violations such as unsafe lane change and unsafe passing. The Vehicle category refers to motor vehicle regulation defects such as no insurance and no lights. The Other category refers to other motor vehicle infractions such as miscellaneous charges including fail to remain at the scene of accident and failing to stop for police.

Victim Services

In May 2017 Richmond RCMP Victim Services provided on-going support to 73 clients and attended seven crime/trauma scenes. The unit currently maintains an active caseload of 150 on-going files.

In addition, Victim Services responded to a number of cases involving robbery, suicide, family conflict and threatening behaviour. Victim Services provides on-going emotional support and in some cases refers clients for long term assistance.

Youth Section

The Detachment's Youth Section focuses on strategies that contribute to safe and healthy behaviours essential to the development of productive and civic-minded adults. During the month of May Youth Section members highlights included:

- DARE
- Enhanced Patrols
- Police Week
- Richmond School District Youth Summit
- School Sports
- Youth Week

Auxiliary Constables

- The primary mandate of Richmond's Auxiliary Constables is to support community policing activities related to public safety and crime prevention.
- For more information, visit www.richmond.ca/safety/police/prevention/auxiliary.htm

Block Watch

- Community-based crime prevention program aimed at helping neighbors organize themselves to prevent crime.
- Residents can receive email alerts of neighbourhood residential break and enters by registering their email addresses at: blockwatch@richmond.ca
- For more information, visit www.richmond.ca/safety/police/prevention/blockwatch.htm

Difference Maker Project

- The Difference Maker Project is an off-shoot of the School Sports Programs. Elementary school students are mentored by teachers, police officers and community ambassadors. This activity aims to encourage social and civic responsibility amongst elementary and secondary school aged youth through community projects.

Distracted Driving Program

- Trained volunteers monitor intersections and observe distracted drivers.
- A letter is sent to the registered owner of the offending vehicle with information on the safety risks associated to the observed behaviour and applicable fine amounts.
- For more information, visit www.richmond.ca/safety/police/prevention/programs.htm

Fail to Stop

- Trained volunteers monitor areas that have been referred to the program by local businesses or residents where drivers are not making a full stop at the stop sign, or running a red light.
- An information letter is sent to the registered owner of the vehicle advising them the date, time and location and applicable fine amounts if the driver received a violation ticket.

Lock Out Auto Crime

- Co-sponsored by the Insurance Corporation of BC (ICBC), volunteers patrol city streets and parking lots looking for automobile security vulnerabilities.
- Notices supplied by ICBC are issued to every vehicle inspected indicating to the owner what issues need to be addressed in order to keep the vehicle and contents secure.
- For more information, visit
- www.richmond.ca/safety/police/personal/vehicle.htm

Project 529

- This program allows riders to easily and securely register their bikes. This up-to-date database of bikes alerts its registrants if a fellow 529 bike is stolen.
- Project 529 is a unique, multi-national registry that holds a database of all registered and stolen bikes.

Speed Watch

- Co-sponsored by ICBC, promotes safe driving habits by alerting drivers of their speed.
- Trained volunteers are equipped with radar and a speed watch reader board that gives drivers instant feedback regarding their speed.
- Volunteers record the license plate number and the speed, and a letter is sent to the registered owner of the offending vehicle. The letter includes the date, time and location and applicable fine amounts if the driver received a violation ticket.

Stolen Auto Recovery

- Co-sponsored by ICBC, trained volunteers equipped with portable computers identify stolen vehicles.
- These volunteers recover hundreds of stolen vehicles each year throughout the Lower Mainland.

Volunteer Bike and Foot Patrol Program

- Trained volunteers patrol Richmond neighbourhoods reporting suspicious activities and providing a visible deterrent to crime and public order issues.

May 2017 STATISTICS

RICHMOND RCMP

This chart identifies the monthly totals for founded Criminal Code incidents, excluding traffic-related Criminal Code incidents. Based on Uniform Crime Reporting (UCR) scoring, there are three categories: (1) Violent Crime, (2) Property Crime, and (3) Other Criminal Code. Within each category, particular offence types are highlighted in this chart. In addition, monthly totals for Controlled Drugs and Substances Act (CDSA) incidents and MHA-related calls for service are included. Individual UCR codes are indicated below the specific crime type. For 2017, some inclusion criteria have been modified to improve accuracy and accommodate RCMP scoring regulations. For more information, contact Richmond Crime Analysts.

The Average Range data is based on activity in a single month over the past 5 years. If the current monthly total for an offence is above the expected average range (using a standard deviation), it will be noted in **red**, while below expected numbers will be noted in **blue**.

Year-to-Date percentage increases of more than 10% are marked in **red**, while decreases of more than 10% are **blue**.
