A title search at the Land Title and Survey Authority of British Columbia revealed that Mr. Li is also the owner of a residential property located in Vancouver with the owner's address listed as 3941 West 24th Avenue (Attachment 3).

Mr. Li has confirmed that he owns both 9371 Beckwith Road in Richmond and 3941 West 24th Avenue in Vancouver. He indicated that he lives at 9371 Beckwith Road and the Vancouver property is an investment (Attachment 4).

Hi Lucas, We have been working on answering Council's questions following up from the business licence appeal hearing that you had on the 11th. Since that time, we have run a title search and a company search. We note that the company search lists you as a director at the Beckwith address but the title search still list an address on Claybrook as the address for the company. Do you plan to update the address of the company as listed on title?

We are also going to need for you to provide us with a copy of the up to date shareholder registry for 1074193 B.C. Ltd., showing any and all classes of shares in the company. How soon can you provide that?

We undertook a search of other properties you own and found your name listed as the owner of a property in Vancouver. Are there any other properties that you or the company own?

Please get back to me as soon as you can with this information so that we can inform Council.

Thank You.

- 1. APPEAL OF BUSINESS LICENCE REJECTION FOR LULU BED AND BREAKFAST – 9371 BECKWITH ROAD**
(File Ref. No.: 12-8275-09) (REDMS No. 6119487)

Special Council
Monday, March 11, 2019

RES NO. ITEM

Carli Williams, Manager, Chief Licence Inspector, provided background information regarding the bed and breakfast business licence application for 9371 Beckwith Road, noting that the Applicant's initial application was rejected due to building deficiencies, and the Applicant's subsequent application was denied as the property is owned by a corporation and not an individual person.

Councillor Wolfe entered the meeting (4:06 p.m.).

In reply to queries from Council, Ms. Williams advised that the property is now in compliance with the City's Building Regulation Bylaw No. 7320 and, in accordance with the City's Zoning Bylaw, a bed and breakfast use is permitted only where the operator is the individual registered owner of the dwelling.

Lucas Li, Applicant and owner of 9371 Beckwith Road, stated that when he first applied for a business licence for a bed and breakfast, he was advised that he had to submit a BC Company Summary as the property was registered under his company. Following an inspection by the City's Licence Inspector, he spent approximately two to three months addressing building deficiencies in an effort to comply with the City's Building Regulation Bylaw. Mr. Li then remarked that upon his second application, he was advised that a business licence cannot be issued for a bed and breakfast as the property is owned by a corporation.

Mr. Li then advised that he is now the sole shareholder of the company listed as the registered owner of 9371 Beckwith Road and provided an updated Notice of Articles for 1074193 B.C. Ltd. (copy on file, City Clerk's Office).

In reply to queries from Council, Mr. Li provided the following information:

- he resides at 9371 Beckwith Road;
- he is the sole owner and director for 1074193 B.C. Ltd.;
- he was not aware that a business licence cannot be issued for a bed and breakfast for a property that is owned by a corporation;
- it would be costly to transfer the property title to his personal name; and
- he has invested approximately \$20,000 in renovations in an effort to address building deficiencies.

Special Council
Monday, March 11, 2019

RES NO. ITEM

Ms. Williams then advised that a business licence is issued to an individual, and regular business licence renewal protocol often discover any changes in business ownership.

In reply to queries from Council, Anthony Capuccinello Iraci, City Solicitor, advised that, should Council wish to issue a business licence to the Applicant, a bylaw amendment would be required.

Discussion took place and Council commented on the need to have updated information with regard to the Notice of Articles for 1074193 B.C. Ltd prior to consideration of the business licence appeal. The Chair directed staff to provide an updated corporate search and to examine corporate records to determine the identity of the company's (1074193 B.C. Ltd.) shareholder(s). Also, it was noted that it would be valuable to know if other properties are owned by 1074193 B.C. Ltd. and if Council wished to consider amending the regulations with regard to property ownership for bed and breakfast businesses, what procedure would be required.

Discussion then took place on Council's intent with regard to the City's regulation that corporations may not be operators of bed and breakfast businesses. It was noted that there are beneficial financial protections with incorporating a business and Council discussed whether a company that owns a property as a sole proprietorship should be issued a business licence.

As a result of the discussion, the following **motion** was introduced:

SP19/2-1

It was moved and seconded

Staff Report

Origin

Lucas (Zhi Chao) Li (the “Applicant”) has applied for a business licence to operate Lulu Bed and Breakfast at 9371 Beckwith Road (the “Property”). The application for a licence was rejected because the Applicant is not the individual owner of the Property. *Zoning Bylaw No. 8500* section 5.5.3A. states that:

“A bed and breakfast use is permitted only in a single detached housing dwelling unit where the operator is the individual registered owner of the dwelling...”

Individual registered owner is further defined as:

means with respect to land, any individual person who is:

- a) the registered owner of an estate in fee simple; or*
- b) the tenant for life under a registered life estate.*

The Property is owned by 1074193 B.C. LTD, registered to 8171 Claybrook Road in Richmond (Land Title record shown Attachment 1). The Applicant is one of two directors (company search shown in Attachment 2), neither of which list the Property as their contact address according to the company search.

The Applicant has requested that Council reconsider the decision to refuse the business licence application (Attachment 3). Under the *Community Charter* Section 60 - Business licence authority:

60 (5) If a municipal officer or employee exercises authority to grant, refuse, suspend or cancel a business licence, the applicant or licence holder who is subject to the decision is entitled to have the council reconsider the matter.

Analysis

First Application for a Business Licence

The Applicant originally made an application for a business licence for a bed and breakfast business in October 2018 but was rejected at that time due to building deficiencies and work required to comply with the Building Regulation Bylaw No. 7320. The Applicant subsequently applied for a Plumbing permit and received approval for the work undertaken.

Second Application for a Business Licence

Having complied with some of the building regulations, the Applicant again applied for a business licence. It was at this time that staff reviewed all other requirements and rejected the licence because the Property is owned by a corporation and not an individual person. The corporation and both directors are registered at addresses other than the Property that is the subject of the proposed bed and breakfast operation.

Regulations for Bed and Breakfast Businesses

Regulations for bed and breakfast businesses were updated in 2017. As part of the updates, Council directed staff to draft regulations such that bed and breakfast businesses would be operated only by property owners who also reside at the property. The regulations also make clear that corporations may not be operators of bed and breakfast businesses. This is clarified in Zoning Bylaw No. 8500, section 5.5.3 and 5.5.3A:

*5.5.3 A **bed and breakfast use** is permitted only in a **single detached housing dwelling unit** that is the **principal residence** of the **operator**, where the **operator** is an individual and not a corporation.*

*5.5.3A. A **bed and breakfast use** is permitted only in a **single detached housing dwelling unit** where the **operator** is the **individual registered owner** of the dwelling or the **individual registered owner's family member**.*

In addition to the regulations specific to bed and breakfast businesses, there are other regulations that apply to all businesses. In this case, there was an inspection of the home proposed to host the business and staff identified several building deficiencies. Staff acknowledge that work is underway to resolve the deficiencies but not all deficiencies were resolved at the time of writing this report.

The Applicant has further indicated that his address as listed on the company summary is out of date and that he now resides at the Property (in compliance with 5.5.3). However, even with the address updated for the Applicant (who is also the operator), the application remains in non-compliance with section 5.5.3A as the Applicant is not the **individual registered owner** as defined in the Zoning Bylaw.

Financial Impact

None.

Conclusion

The application for a business licence for Lulu Bed and Breakfast was rejected because it does not comply with section 5.5.3A of Zoning Bylaw No. 8500. The Applicant has requested that this decision be reconsidered by Council under the authority granted in the *Community Charter*.

主题: 9371 Beckwith Rd. Bed and Breakfast License appeal

Hello City of Richmond,

I am writing to appeal the rejection of my application to apply for a bed and breakfast license for my home at 9371 Beckwith Rd. The original rejection reasoning was because the building contained "building and plumbing deficiencies". I have attached the letter the City sent me in this email. I fixed up the problem with all the necessary adjustments made to the home. I have attached the structural engineer's approval letter and the complete electrical inspection. The plumbing inspection has been passed as well. I have attached a copy of the email I've sent the municipal officer. The Richmond officer, Mr. Brodie Ketelsen, called me a few days later and told me that my application is rejected again, but this time for a different reason. Although I have fixed the building and plumbing deficiencies, the ownership name is in my company name and not my personal name. Even though this is my principal residence, the City would not grant a bed and breakfast under company name. I was completely surprised because before I had submit an application, I consulted the Richmond City Hall front desk lady to make sure having the property under company name would not be a problem for licensing. Also, on the first inspection, Mr. Brodie Ketelsen, listed all the problems and I made sure with him that once the building and plumbing deficiencies were fixed, the license would be granted. Unfortunately, he brought up a new problem when I got the initial problems fixed up. I can't possibly afford the property transfer tax to change the property ownership given that I've already spent over \$30,000 to fix up the building and plumbing deficiencies. I invested my savings to bring the residence up to code confidently because I thought the bed and breakfast license would be granted if I did this. My company, 1074193 BC LTD., is a small business company and I'm the sole director of this company. I hope the City would reconsider.

Thank you,

Lucas
