Staff Report

Origin

The Richmond Olympic Oval re-opened to the public after the 2010 Olympic Winter Games just over three years ago in the form of the envisioned Community Legacy mode. The ongoing Legacy mode conversion has included completion of the ice, court and track zones, an expanded fitness centre, the opening of Riverport Paddling Centre and Lifemark Sports Medicine Centre, installation of a climbing wall and batting cages, introduction of a wide array of community recreation fitness and sport programs, cafeteria, meeting rooms, and the establishment of high performance services.

Since reopening, the success of the Oval can be seen in the growth of its visitor numbers and in the performance of Canada's athletes. Total visitations have grown from 440,000 in 2011 to 600,000 in 2012, a 36% increase. The Oval has welcomed more than 2.8 million visitors since it opened in 2008. Public interest in memberships has consistently exceeded expectations, with membership numbers already passing goals set for 2015. Membership visits exceed 25,000 per month, up 25% over 2011. Thirty-six of Canada's 2012 Olympic and Paralympic athletes trained at the Oval, including the 2012 Olympic Games bronze medal winning Women's Soccer team.

The Richmond Olympic Oval is succeeding in its vision to be a world-class centre for sport, recreation, health and culture. It is home to dozens of community sport organizations, while also hosting top level training and competition for elite and emerging Canadian and international athletes. The Oval is also making major contributions to community wellness by providing a diverse range of opportunities for users from all sectors of the community to enjoy the benefits of sport for life and healthy lifestyles. The Oval is also home to numerous community, cultural, consumer and business events and programs annually.

Analysis

This Update to the Community has been prepared to accompany the Oval Corporation's Annual Report and to directly address both many frequently asked questions, as well as, incorrect perceptions that the Oval is a financial drain on City resources. In the interests of public accountability and transparency a version of this report is also being published as a newspaper wrap in the May 22nd edition of the Richmond Review (see attached).

Have taxes been raised to build the Oval?

No. The City met its original commitment that property taxes would not be impacted by the cost of building the Oval. The Oval was built on time and under budget. Funding contributions raised from external sources exceeded original budget projections.

Who owns the Oval and who operates it?

The City of Richmond is the sole owner of the Oval and exclusive shareholder of the municipal corporation that operates it.

Is the governance of the Oval different than other operational models?

Not significantly. The Oval business operates as a municipal corporation, owned by the City of Richmond and governed by a board of directors of selected individuals primarily from the business community. Many of the City's facilities are similarly governed by a board of directors whose respective community associations work in partnership with the City to operate their community and recreation facilities. The Richmond Public Library and Gateway Theatre are also similarly governed by boards of directors with management reporting to the respective boards.

Is the Oval losing money?

No - the Oval is not losing money. The Oval Corporation achieved a profit of just over \$3 million in 2012 and a profit of \$2.2 million in 2011. The Oval has achieved a profit every year since it opened, with the exception of 2010 when public operations were temporarily suspended due to hosting the 2010 Games.

What is the total cost to the City of Richmond in support of operating the Richmond Olympic Oval?

The cost to date to operations has been minimal and that trend is expected to continue. The City's annual contribution to the Oval is just over \$3 million per year. Similarly, the Oval Corporation has achieved a profit of over \$3 million in 2012. As the Oval's profit is allocated to reserves or invested in capital program enhancements, and as the City is the sole owner of the asset, these profits in essence are being reinvested. In the audited consolidated financial statements of the City, the net cost to the City in 2012 for the operation of the Oval was \$7,000. Even if the Oval's net profit is not taken into consideration, the City's contribution to the Oval was only \$8.36 per square foot, whereby in comparison, the average funding provided by the City to other civic facilities is over \$26 per square foot.

Transfer to capital reserve	0	0	0	0	1,700,000	2,400,000

Note 1: 2007 and 2008 operating expenses included start-up related expenses. The Corporation's operations were limited in 2010 due to the hosting of the 2010 Olympic Winter Games and subsequent legacy mode conversion resulting in an operating loss that year.

What other sources of revenue support the operation of the Oval?

The Provincial and Federal governments created a Legacy fund of \$110 million to support the Oval and the Whistler facilities. The Games Operating Trust manages the fund, protects the principal value of it and allocates the investment income to each party. The Oval Corporation receives approximately \$2.8 million per year of investment income earned on the principal of the fund to help offset operating costs and to ensure that space is provided for Canada's developing and high performance athletes.

Who uses the Oval?

The Oval has more than 5,000 members, 76% of whom are Richmond residents. The Oval also hosted 42 local community sport user groups in 2012, up from 35 in 2011. The Oval is primarily used by individual members and groups from the community with high performance sports representing a small minority use.

Why isn't the Oval a speed skating venue anymore?

For almost 30 years, Canadian long track speed skaters have trained at the Calgary Oval, which has the advantage of being at altitude, allowing for faster speeds. The City of Richmond never wished to duplicate or compete with Calgary Oval and always planned to convert the Oval into a multi-purpose facility that could accommodate many sport and cultural activities.

It is important to note, however, that a short track speed skating recruitment and development program, in partnership with Speed Skating Canada, has begun at the Oval that may someday develop an Olympic speed skater.

Why is the Richmond Olympic Experience being constructed at the Oval? Isn't this an expensive project?

The Richmond Olympic Experience will be an international tourist attraction and will permit visitors to Richmond and members of community to re-connect with their Olympic spirit. There is no ongoing City funding being provided for the construction or operations of this project. Only \$575,000 of City of Richmond funds will be used for the construction of the Richmond Olympic Experience. This funding source is not property tax based. These funds come from the Oval post-Games Legacy mode conversion project previously established by Council and primarily funded from proceeds from the sale of the adjoining lands.

Why are the prices so high at the Oval?

The Oval conducts regular analysis of the market place and while there are no facilities that offer the variety that the Oval does, monthly membership charges are competitive with other multisport facilities. The Oval pricing is also set with a conscientious effort to not have the Oval enter into direct competition with other City owned community and recreation facilities. The Oval also offers facilities and equipment that meet the highest standards. Membership charges help to maintain, repair and replace as necessary.

Financial Impact

None.

Conclusion

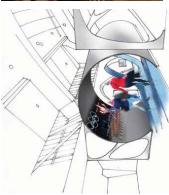

The Richmond Olympic Oval is succeeding in its vision to be a world-class centre for sport, recreation, health, wellness, and culture. It is home to dozens of community sport organizations, while also hosting top level training and competition for elite and emerging Canadian and international athletes. The Oval is also making major contributions to community wellness by providing a diverse range of opportunities for users from all sectors of the community to enjoy the benefits of sport for life and healthy lifestyles. The Oval is also home to numerous community, cultural, consumer and business events and programs annually.

INDEPENDENT AUDITORS' REPORT

To the Shareholder of Richmond Olympic Oval Corporation

We have audited the accompanying financial statements of Richmond Olympic Oval Corporation, which comprise the statement of financial position as at December 31, 2012, the statements of operations, changes in net financial assets (debt) and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform an audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained in our audit is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of Richmond Olympic Oval Corporation as at December 31, 2012 and its results of operations, its changes in net financial assets (debt) and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Notes to Financial Statements

For the year ended December 31, 2012

1. Incorporation and nature of business:

The Richmond Olympic Oval Corporation (the "Corporation") was incorporated on June 16, 2008 under the Business Corporations Act of British Columbia as a municipal corporation wholly-owned by the City of Richmond (the "City"). On August 10, 2010, the Corporation changed its name from 0827805 B.C. Ltd. to Richmond Olympic Oval Corporation. The business of the Corporation is to use the Richmond Olympic Oval facility (the "Oval") to provide a venue for a wide range of sports, business and community activities, including, but not limited to, being the long-track speed skating venue for the 2010 Olympic and Paralympic Winter Games (the "Games").

2. Significant accounting policies:

(a) Basis of presentation:

These financial statements have been prepared in accordance with Canadian generally accepted accounting principles (GAAP) as prescribed by the Public Sector Accounting Board (PSAB) of the Canadian Institute of Chartered Accountants.

(b) Revenue recognition:

Memberships, admissions and programs fees are recorded as revenue in the period that the services are rendered, with any unearned portion recorded as deferred revenue. Annual distributable amounts and trust income amounts are recognized as revenue when the amounts are approved by the 2010 Games Operating Trust (note 5) and when the related operating expenses and capital maintenance costs of the Oval are incurred.

Sponsorship revenues are deferred and amortized to revenue over the term of sponsorship agreements.

(c) Non-financial assets:

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.

Notes to Financial Statements (continued)

For the year ended December 31, 2012

2. Significant accounting policies (continued):

- (c) Non-financial assets (continued)
 - (i) Tangible capital assets:

Tangible capital assets are recorded at cost. Amortization is provided on a straight-line basis at rates that reflect estimates of the economic lives of the assets over the following periods:

Assets	Rate
Athletic equipment	5 years
Automobile	5 years
Building improvements	5 years
Computer software and equipment	3 years
Facility equipment	3 years
Signage	3 years
Uniforms, ice skates and helmets	3 years

Tenant improvements are amortized over the term of the lease.

(ii) Impairment of tangible capital assets:

Tangible capital assets are written down when conditions indicate that they no longer contribute to the Corporation's ability to provide goods and services, or when the value of future economic benefits associated with the tangible capital assets are less than their net book value. The net write-downs are accounted for as expenses in the statement of operations.

(iii) Assets held under capital lease:

Assets held under capital lease are stated at historical cost, being the lesser of the present value of the future minimum lease payments and fair value at the date of acquisition, and are amortized on a straight-line basis over their estimated useful lives.

(iv) Deferred lease costs:

The initial direct costs incurred in connection with leases of rental properties in the Oval are deferred and amortized over the initial term of the leases. Such costs include agent commissions, legal fees, and costs of negotiating the leases.

Notes to Financial Statements (continued)

For the year ended December 31, 2012

2. Significant accounting policies (continued):

(d) Pension plan:

The Corporation and its employees make contributions to the Municipal Pension Plan (the "Plan"). As the Plan is a multi-employer contributory defined benefit pension plan, these contributions are expensed as incurred.

(e) Income taxes:

The Corporation is not subject to income taxes as it is a municipal corporation wholly-owned by the City of Richmond.

(f) Functional and object reporting:

The operations of the Oval are comprised of a single function, operations related to sport, fitness and recreation. As a result, the expenses of the Oval are presented by object in the statement of operations.

(g) Budget data:

The unaudited budget data presented in these financial statements is based upon the 2012 budget approved by the Board of Directors on February 29, 2012.

(h) Use of estimates:

The preparation of financial statements requires management to make estimates and assumptions that could affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Significant areas requiring the use of management estimates relate to the determination of valuation of accounts receivable, useful lives of tangible capital assets for amortization, and deferred lease costs. Actual results could differ from those estimates. The estimates are reviewed periodically and as adjustments become necessary, they are recorded in earnings in the year in which they become known.

3. Investments:

Investments represent term deposits as follows:

Purchase date	Maturity date	2012	2011
March 28, 2012	March 28, 2013	\$ 2,000,000	\$ -
July 20, 2012	January 16, 2013	1,805,363	-

March 21, 2011	March 20, 2012	-	2,250,000
Total		\$ 4,805,363	\$ 2,250,000

Notes to Financial Statements (continued)

For the year ended December 31, 2012

4. Richmond Oval Agreement:

The Corporation is party to the Richmond Oval Agreement (the "Agreement") with the City, which had an effective date of July 1, 2008. The Agreement established the terms and conditions of the relationship between the City and the Corporation.

5. 2010 Games Operating Trust Fund:

On November 14, 2002, under the terms of the Multiparty Agreement for the Games, the Government of Canada and the Province of British Columbia agreed to establish the Legacy Endowment Fund (the "Fund") and to each contribute \$55 million. On March 31, 2004, under the terms of the 2010 Games Operating Trust Agreement, an irrevocable trust was created known as GOT and the 2010 Games Operating Trust Society (the "Society") became the trustee of the Fund. The purpose of the Fund is to fund operating expenses and capital maintenance costs of certain facilities created for the Games, specifically the Oval and the Whistler Sliding Centre and Nordic Centre, and to assist with the continued development of amateur sport in Canada. Subsequent to the formation of the Trust, the City, as owner of the Oval, became a beneficiary of the Trust and became responsible for complying with obligations set by the Trust and GOT in order to receive funding.

Effective December 31, 2007:

- (a) the Fund was divided into three funds: the Speed Skating Oval Fund; the Whistler Sliding Centre and Nordic Centre Fund, and the Contingency Fund; and
- (b) the capital and any accumulated but undistributed income of the Fund was divided as follows: Speed Skating Oval Fund (40%), Whistler Sliding Centre and Nordic Centre Fund (40%), and the Contingency Fund (20%).

Effective April 21, 2009, the City entered into an agreement with VANOC. The agreement details the terms and conditions to which the City is required to adhere in order to receive funding from GOT. Effective September 1, 2011 VANOC assigned the agreement to the Society.

Funds from GOT are paid to the City, the funds are then paid to the Corporation.

Revenue from GOT is comprised of:

	2012	2011
2011 annual distributable amount approved and received in 2012 2010 annual distributable amount approved and received in 2011	\$ 2,784,637 -	\$ - 2,739,398
	\$ 2,784,637	\$ 2,739,398

Notes to Financial Statements (continued)

For the year ended December 31, 2012

6. Obligations under capital leases:

The capital leases have an estimated cost of borrowing ranging from 0.21% to 0.35% per month. The principal and interest payments as at December 31, 2012 and December 31, 2011 are as follows:

	2012	2011
Total minimum lease payments	\$ 8,517	\$ 208,445
Imputed interest	(26)	(2,782)
Obligations under capital leases	\$ 8,491	\$ 205,663

As at December 31, 2012, the Corporation was committed to payments under capital leases of \$8,517 in 2013.

7. Deferred revenue:

The Oval land and building complex and its major equipment components are the property of the City and are not recorded in these financial statements.

Assets under capital lease include audio and visual equipment, printers, drivers, computer hardware and other information technology equipment. The lease agreements are between the City and the Municipal Finance Authority of the Province of British Columbia. The equipment is used solely by the Corporation and, accordingly, the leased assets are capitalized and the related obligation recorded in the accounts of the Corporation. The lease payments made by the City are charged at cost to the Corporation.

There was no write down of tangible capital assets during the year (2011 - nil).

12. Related party transactions:

The Corporation leases the Oval from the City for \$1 annually.

Included in general and administration expenses is a management fee of \$61,835 to the City for the provision of city staff time in fiscal year 2012 (2011 - \$60,000).

In 2012, \$93,979 (2011 - \$84,288) of salaries and benefits expenses were charged to the City relating to the costs of the Corporation's staff time for services performed for the City.

Included as a reduction to other revenue in 2011 is \$39,919 pertaining to management fees paid to the City for services performed pertaining to the parking revenue in 2011. At the end of 2011 the Oval began managing these parking operations internally and therefore did not have any management fees paid to the City in 2012 in respect of such services.

In accordance with the Agreement, the City will provide, for the first fifteen years of the term, financial support as agreed between the City and the Corporation from time to time; for the years 2010, 2011 and 2012 the annual financial support shall not be less than \$1.5 million per year indexed at the city of Vancouver's Consumer Price Index. After fifteen years, any financial assistance from the City will be determined by the City in its sole discretion. Commencing in 2011, the City approved an additional \$1.5 million in annual financial support to the Corporation. The Corporation received a contribution from the City of \$3,073,833 (2011 - \$3,022,500).

Effective July 1, 2011, the Sport Hosting function of the City was transferred to the Corporation. This function is fully funded by the hotel tax. In 2012, nil (2011 - \$1,091,565) was transferred from the City to the Corporation as funding for the operations of that department. As at December 31, 2012, receipts of hotel tax revenue of \$507,779 (2011 - \$933,876) was included in deferred revenue (note 7) and \$426,097 (2011 - \$157,689) was recognized in other revenue on the statement of operations.

The Corporation also received an additional \$500,000 from the hotel tax funding in 2012 to be used for the construction and operation of tourism destination enhancing attractions. This funding will be used for the Richmond Olympic Experience project. Of this amount, \$69,824 was spent in 2012 and is included in tangible capital assets (note 9) as part of work in progress. As such, \$430,176 remains in deferred revenue.

Notes to Financial Statements (continued)

For the year ended December 31, 2012

13. Pension plan:

The Corporation and its employees contribute to the Municipal Pension Plan (the "Plan"), a jointly trusteed pension plan. The Plan's Board of Trustees, representing plan members and employers, is responsible for overseeing the management of the Plan, including the investment of the assets and administration of benefits. The Plan is a multi-employer contributory pension plan. Basic pension benefits provided are based on a formula. The Plan has about 176,000 active members and approximately 67,000 retired members. Active members include approximately 35,000 contributors from local governments.

The most recent valuation of the Plan as a whole as at December 31, 2009 indicated a \$1,024 million funding deficit for basic pension benefits. The next valuation will be as at December 31, 2012 with results available in 2013. Defined contribution plan accounting is applied to the Plan as the Plan exposes the participating entities to actuarial risk associated with the current and former employees of other entities, with the result that there is no consistent and reliable basis for allocating the obligation, Plan assets and cost to individual entities participating in the Plan.

The funding deficit noted above represents a deficit for the Plan as a whole. Management considers the Corporation's future contributions to the Plan not to be significant. During the current fiscal year, the Corporation paid \$263,064 (2011 - \$192,337) as employer contributions to the Pension Plan.

14. Economic dependence:

The Corporation is economically dependent on receiving funding from GOT and the City.

15. Comparative figures:

Certain comparative figures have been reclassified to conform with the financial statement presentation adopted for the current year.

Letter from Board Chair

I am delighted to report that last year the Oval welcomed approximately 1,500 people every day, and we sought to make every visit an excellent experience – whether our visitors participated in sports, fitness, wellness, high performance sport, special events or rented meeting space. On any given weeknight every corner of the Oval is alive with energy.

It is also gratifying to report that the Oval outperformed budget substantially in 2012. We attribute this to better than expected memberships and admissions, a larger than expected uptake of court and track rentals and very diligent scrutiny of discretionary expenditures.

Oval members are primarily from Richmond with local community members representing 78% of our membership base. The remainder primarily travel from South Vancouver, Delta and Surrey to work out on the expansive fitness mezzanine, play pick-up basketball on one of the six hardwood courts, or partake in one of the many other activities offered in this spectacular venue.

The Oval has continued to expand sports, fitness and recreation services to the community by allowing programmable space to be developed provided it is aligned with the core services that the Oval provides. This mandate ensures the continued benefit to the community while contributing

to the overall vision and success of the Corporation. In 2012 the Oval added a discrete high performance training centre, a climbing wall, batting/golf cages and a new food and beverage service.

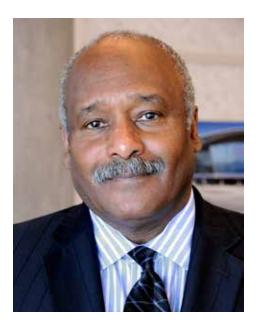

Management and the Oval Board continue to work collaboratively with our key stakeholders to deliver quality experiences for our members. We are grateful to the City of Richmond, the Board of the Games Operating Trust and our Legacy partners for their continued strong support of the Richmond Olympic Oval Corporation.

Looking ahead to 2013, the Oval will continue to expand its program offerings and its staff complement in response to the increased membership and demand. We greatly appreciate the support of our loyal members and sport partners and we are proud to be able to contribute to the overall health and fitness of the Richmond community.

On behalf of the Board of Directors, I wish to offer a sincere thank you to the extraordinary team of Oval employees, led with vision by George Duncan, for their enthusiastic dedication to providing a superlative experience for every visitor, and thus the success of this remarkable asset for our community.

Chair of the Board of Directors

Letter from CEO

The original vision for the Richmond Olympic Oval included community sports and recreation, high performance sport, health and wellness, and culture and entertainment – all co-existing in one award-winning Olympic legacy venue. I am pleased to report that this vision is being fully realized.

The Oval has served as a venue for over 120 different sports and physical activities in addition to comprehensive fitness and nutrition counselling and sport rehabilitation services. From basketball to rock-climbing and from hockey to rhythmic gymnastics—the Oval offers it all. No other facility in Canada offers such a variety of sports and activities in one location. In 2012, approval was given to embark on an ambitious, world-class vision for the cultural pillar of the Oval vision—the creation of the Richmond Olympic Experience. The Richmond Olympic Experience is designed to be a multifaceted, multidimensional, highly interactive exhibit experience that inspires excellence in sport, promotes community and motivates every visitor to the Richmond Olympic Oval to dream big. The Richmond Olympic Experience, which has the distinction of being the first member of the Olympic Museums Network from North America, has four key areas of focus: The History of Sport in Richmond, Richmond's Olympic Experience, the 2010 Olympic and Paralympic Winter Games, and the Olympic Movement and values. This cultural and entertainment component of the Richmond Olympic Oval is scheduled to open in the fall of 2014.

2012 was a tremendous year of growth and opportunity for the Richmond Olympic Oval. The Oval focused on expanding its sport and fitness programming to the community and on developing programs for those athletes specifically training for increased performance, whether it is at the local adult recreational level or for preparing for the Olympic podium. The Oval also significantly expanded its dedicated high performance training department in order to offer performance training to athletes with specialized training needs. This expanded program achieved early success with the many Oval-trained, national team member, Olympic athletes, including our national women's soccer and men's Paralympic rugby teams, returning from London with medals won for Canada!

In addition to realizing the original vision of the Oval for community sport and recreation, high performance sport, health and wellness and culture and entertainment, the financial performance of the Oval Corporation in 2012 was very positive with revenues outperforming budget for the second of the Oval's two full years of operation.

Also in 2012, three significant capital additions were added to the Oval:

The Oval celebrated the opening of the climbing wall – introducing this new sport to members and providing a first class venue for serious climbers. The climbing wall has also been designed to accommodate the mobility impaired with access to rappelling from the mezzanine level.

Batting cages were installed, allowing the Oval to expand its capability to offer programs for baseball, softball and golf and allowing athletes and community members to practise these sport specific skills year-round.

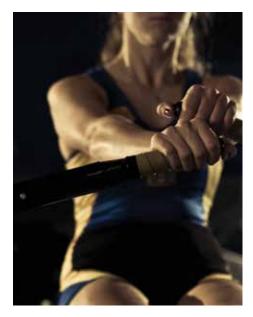

2012 also saw the opening of the new O Cafe, offering members and visitors a selection of quality, nutritious food and beverages.

With the new capital additions, the expanded program offerings and the increase in membership and participation, the Oval is proud to have achieved the vision for Richmond's Olympic legacy facility. Management and staff will continue to work to achieve excellence in all areas of this significant community amenity. Our ongoing commitment to the community is to continually strive to capitalize on the full value of this unique asset for the people of Richmond and for all Canadian athletes who train at Richmond's Olympic Oval.

I would like to thank our team of dedicated staff who deliver the vast suite of programs and services offered at the Oval and acknowledge the valuable assistance that we receive from the Oval Corporation's Board of Directors.

Spotlight on 2012

Richmond: More Active Than Ever Before

Before the first shovel of dirt was moved on the site, plans for the Richmond Olympic Oval's community legacy were already in place. The pre-planning done by the City of Richmond has been key to the Oval's success in membership, sport participation and high performance training, making it a strong example of what all Olympic venues can strive for in their legacy phase and the benefits they can deliver to their communities.

Case in point: Richmond has never been more active.

The Richmond Olympic Oval Community Legacy Program has tripled program registration from 2010 to 2012 and experienced a 50% increase in annual visitation during the same time period. Membership usage also remains very high, with over 25,000 member visits per month in 2012.

Additionally, the City of Richmond has indicated that participation in community centre registered and drop-in programs have remained at or near capacity since 2008.

The Richmond Olympic Oval's strong growth in participation, combined with continued strong participation across the City's network of community centres, ensures that Richmond will retain its reputation as the healthiest city in Canada for a long time to come.

Continuing to Build the Legacy

While legacy conversion of the venue is nearing completion, the Oval may never be "finished." The Corporation and City will continue to seek ways to enhance its product and service offering to achieve its legacy goals.

New additions that opened in 2012 include the Climbing Wall, Performance Training Centre and 2 Batting / Golfing Cages. The Climbing Wall at the Oval features 595m² (6,400 square feet) of climbing space over 31 different routes suited to all skill levels. The climbing surface features a mix of vertical, bulge, overhanging and simulated crack features. Set up for top rope, lead climbing and some bouldering, the wall also features a bridge connected to the Fitness Centre that allows physically challenged persons to experience rappelling from the wall.

The Performance Training Centre at the Oval provides the space, specialized coaching and equipment necessary for athletic training programs that target the entire athlete pathway: from aspiring local youth athletes to those seeking the Olympic podium.

Our two new batting and golfing cages deliver year-round programming and practice options for these two rapidly growing sports inside the Oval.

A Fully Accessible Facility

The Richmond Olympic Oval is proud to be a barrier-free, fully accessible facility, providing disabled athletes with another route to the Paralympic podium and the public another route to their own personal podiums.

Here is a list of many of the accessible features that can be found at the Oval:

The Richmond Olympic Oval offers the most accessible equipment of any gym in BC. For example, the Technogym Inclusive line of equipment is designed to be accessible to both disabled and able bodied exercisers, featuring swing away seats and single handed adjustments for easy use.

Additional pieces include an arm ergometer with wheelchair ramp, and a Concept II Rowing Machine with a Win Tech adaptive rowing seat CNCL - 45

↑ RIVERPORT COMMUNTIY PADDLING CENTRE

The Win Tech adaptive rowing seats are also used in the Riverport Community Paddling Centre. This, along with the Oval's custom adaptive rower transfer unit, makes the sports of rowing and paddling as inclusive as possible.

↑ WHEELCHAIR ACCESSIBLE CLIMBING WALL

Wheelchairs can access a rappel deck via a specially designed sky bridge that connects the Fitness Centre to the climbing wall.

(Special)

↑ TEAM ELEVATOR

Our all-glass elevator can lift a team of up to 12 wheelchair athletes from our 10 team rooms on the ground floor to the second floor Activity Level, making larger scale adaptive sport competitions possible at the Oval.

← EXTRA WIDE TEAM ROOM DOORS

All team room doors can accommodate the extra wide wheel base of sport wheelchairs.

Proud of our Role in the

2010 Olympic Winter Games

It's hard to believe that just over three years ago, Richmond hosted the 2010 Olympic Winter Games here in the Richmond Olympic Oval. The long track speed skating ice was still in place and the City hosted 12 days of thrilling Olympic competition, highlighted by two Gold Medals for Canada.

To commemorate this exciting time that continues to deliver benefits to the community, the City of Richmond announced its commitment to the Richmond Olympic Experience project in October of 2012. The Richmond Olympic Experience will be the first official member in North America of the IOC's Olympic Museums Network, and will celebrate the Olympic spirit, the 2010 Olympic and Paralympic Winter Games and Richmond's Olympic and sport history. Interactive Olympic sport simulations, multimedia displays and exhibits, Olympic memorabilia, artwork and more will be part of the project. Opening in the fall of 2014, the Richmond Olympic Experience will be located at the Richmond Olympic Oval, the premier venue of the 2010 Olympic Winter Games.

Proud of our Role in the

2012 Olympic Summer Games

We will always remember the 2010 Olympic Winter Games and the excitement we experienced during those exhilarating days in February.

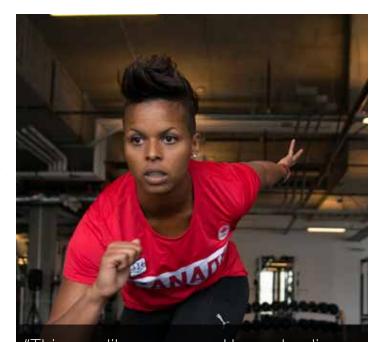

Now, thanks in part to training completed at the Richmond Olympic Oval, 36 Canadian Olympic and Paralympic athletes were able to gain valuable experience during London 2012, including medal winning performances by the national women's soccer and men's Paralympic rugby teams.

Silver Medalist, London 2012

"This was the one-stop shop where we got our daily training done." Trevor Hirschfield, Canadian Paralympic Men's Rugby Team,

"This was like our second home leading into the Olympics. The staff know what they're talking about. They can find your weaknesses and help them to become your strengths. I think that's what's here that's not necessarily anywhere else. They can help you become the greatest athlete that you want to be."

Canadian Olympic Women's Soccer Team, Bronze Medalist, London 2012

2012 Progress Report

The City of Richmond (the "City") has engaged the Richmond Olympic Oval Corporation (the "Corporation"), to embrace and deliver:

- The City's Vision to be "the most appealing, liveable, and well-managed community in Canada";
- The Project Vision for the Richmond Olympic Oval (the "Oval") to be "an outstanding centre of excellence for sports and wellness at the heart of an exciting urban waterfront"; and
- The Project Mission to "transform our City by blending the spirit of Olympism with inspired leadership, and seamlessly combining a world class site, a sport and wellness agenda and innovative community planning to create the premiere legacy of the 2010 Olympic and Paralympic Winter Games" (the "Games").

Operating Agreement Objectives

The City and the Corporation are parties to an operating agreement dated July 1, 2008 (the "Operating Agreement") wherein the following four objectives are noted:

- the Oval will provide facilities for non-sporting, community and entertainment events;
- the Oval will provide facilities, programs and services for quality sport, fitness, recreational uses and wellness services for the Richmond community, neighbouring communities and the general public;
- the Oval will be developed, used and promoted as a training and competition facility for high performance sport; and
- the Oval will provide ancillary commercial, retail, health and wellness services to enhance its use in respect of the activities set out above.

The Oval Corporation's Legacy Goals

The Corporation adopted a set of five objectives that addresses its obligations to the City under the Operating Agreement and the funding requirements of the 2010 Games Operating Trust ("GOT"). As the Oval has transitioned from Games phase to Legacy phase, the Corporation has focused on:

- 1. establishing positive brand awareness;
- 2. becoming valued by the community and its employees;
- 3. supporting high performance sport;
- 4. becoming the desired location for community sport, health and fitness; and
- 5. operating in a financially sustainable manner.

Establishing Positive Brand Awareness

■ In 2012, the City of Richmond was invited to present to the World Union of Olympic Cities in Lausanne, Switzerland, September 30 to October 2.

The Oval was a key part of the City's presentation on Social Legacies, which the IOC has defined as "using the hosting of the Olympic Games to contribute to the social wellbeing of a city's inhabitants by encouraging and facilitating participation in physical activity, developing education and engaging the community to coalesce around common social goals."

Representatives from all 27 Olympic Cities were in attendance, helping to raise the profile of Richmond on the international stage, including:

- * Amsterdam, Netherlands
- * Athens, Greece
- * Atlanta, USA
- * Baku, Azerbaijan
- * Barcelona, Spain
- * Beijing, China
- * Busan, South-Korea
- * Copenhagen, Denmark
- * Dubai, United Arab Emirates

* Richmond, Canada

- * Rotterdam, Netherlands
- * Sochi, Russia
- * St-Louis, USA
- * St-Moritz, Switzerland
- * Tokyo, Japan
- * Oslo, Norway
- * Vancouver, Canada
- The International Olympic Committee also included the Richmond Olympic Oval in a film exploring strong examples of Olympic legacies over the past 100 years.
- 534 media articles were published about the Richmond Olympic Oval in 2012 more than double the number published in 2011 with 100% positive to neutral in tone. Combined viewership reach of these articles is estimated at 134 million.

Becoming Valued by the Community and its Employees

- The Richmond Olympic Oval has surpassed 2.6 million visitors since opening day on December 12, 2008.
- A crucial component of achieving loyalty for any major project is to gather feedback from the major stakeholders and to provide a forum for their input. The Corporation has continued to make this a priority by conducting member focus groups, meeting regularly with its stakeholders and engaging members and visitors during their time at the Oval.
- The Corporation held its Annual Information Meeting on November 28, 2012, where members of the community met with the Corporation's Board of Directors, Senior Officers and Management, regarding the Corporation's activities, achievements and future plans for the Richmond Olympic Oval.
- The Corporation conducted three membership and admission surveys in 2012, revealing > 90% customer service satisfaction and confirming the Fitness Centre and Basketball courts as the most used facilities by members and drop-in visitors alike. Additionally, yoga classes were the most popular specialty classes and 'Functionally Fit' was the most popular drop-in class.
- The Corporation recognizes the value of creating a corporate culture built on employee commitment, trust and teamwork. In order to position itself as the employer of choice in the sport and fitness industry, the Corporation has focused its efforts on talent acquisition, program development, training, and employee engagement. The Corporation also strives for continuous improvement, and endeavours to be a conduit for its employees to realize their true potential and achieve excellence through collaboration and a shared passion for improving lives.

2012 READERSHIP AWARDS

Supporting High Performance

- Since opening the Performance Training Centre in March of 2012, 13,500 individual high performance athlete workout sessions have been completed at the Oval. Built to maximize space for movement, the new Performance Training Centre is equipped to support the training needs of all athletes and is strategically located next to LifeMark Sport Medical to facilitate strong integration of strength and conditioning with sport medical services.
- The Corporation now offers a wide variety of athlete performance services and is capable of forming an athlete's entire integrated support team or integrating into their existing support team. Services offered include: performance testing, functional screens, nutritional consulting, strength and conditioning, physiological consulting, and mental performance sessions for individuals and teams.
- The Corporation completed its Memorandum of Understanding with Speed Skating Canada in 2012. This agreement will see the Oval

- The Corporation also began activation of its Long Term Athlete Development partnership with the Richmond Soccer Association. Nine teams participated in high performance training and over 300 hours of indoor practice were held at the Oval in 2012.
- High performance programs at the Oval are delivered according to the Long Term Athlete Development models of Volleyball Canada, Table Tennis Canada, Canadian Soccer Association, Canada Field Hockey, Fencing Canada, Speed Skating Canada and Hockey Canada.

The Oval's in-house professional coaching staff help deliver a unique model in Canada for sport development. The Richmond Olympic Oval's Volleyball and Table Tennis Centres of Excellence have Ovalhired professional coaches with national team experience.

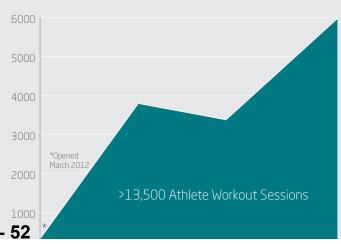

■ The Table Tennis Centre of Excellence has consistently grown in the number of lessons offered.

Beginning in 2012, through a collaborative effort, the Oval began providing support to Table Tennis Canada in the advancement of high performance athlete development training and standards. Currently, the Oval is training 2-4 athletes each month who have been recognized as top performers in their respective age categories in Canaca.

■ The Corporation is proud to be working with Baseball BC and delivering their Rally Cap Program. Baseball Canada launched this initiative nation-wide in 2006, which introduces better tools for players and coaches in order to enhance their first experience with the game of baseball. In 2012, the Corporation ran the program with 15 kids aged 6-9 participating.

■ Since opening in September of 2010, the Volleyball Centre of Excellence (VCOE) has shown continued solid performance, with over 900 registrations in VCOE's development programs and 415 in its high performance streams. Of the high performance athletes training at the VCOE, twenty-three were named to Team BC's 16U, 17U and 18U provincial programs in 2012, in addition to two being named to the Junior National Team. Twelve have progressed to play post-secondary volleyball.

- In June, the Canadian Sport Institute (CSI) IGNITETM program officially launched at the Oval. This joint effort between the Corporation and CSI is designed to help athletes between the ages of 14 and 17 improve their athleticism, physical literacy and fitness with the aim of producing future champions for Canada. Of all the IGNITETM programs nation-wide, the Oval had the largest number of carded athletes in the country.
- The Corporation continued its support of the Gymworks[™] Program, which allows provincially and nationally carded athletes registered with CSI access to training centres that have the equipment and services required to train for their sport. Participation by GymWorks[™] users at the Oval grew from 64 in 2011 to 220 in 2012, an increase of 344%.
- 2012 saw the Oval host Athletes' Performance Phase 1 and Phase 2 Mentorship workshops attracting 30 registrants, including two Oval Staff. The Richmond Olympic Oval was the only facility in Canada to offer Athletes' Performance training.

Becoming the Desired Location for Community Sport, Health and Fitness

- Total number of visits from all sources combined in 2012 was estimated at 600,000 visits, a 35% increase over 2011.
- Public interest in membership has exceeded expectations, with membership numbers already passing goals set for 2015. Membership usage is also very high with over 25,000 member visits per month, up 25% over 2011. Richmond residents account for 78% of Oval Memberships.
- The Oval's Activity Level was also highly used by Richmond organizations and residents, accounting for 76% of ice usage and 65% of court usage in 2012.
- The Oval is currently host to 4 sport leagues, including the Adult Safe Hockey League, Urban Rec, the Vancouver Futsal Association and Metro basketball. Participants of these four leagues accounted for over 50,000 visits in 2012.
- Facility usage agreements have been set up with 4 local sports organizations totaling 4,076 hours of use:

 CNCL 55

We have been exceptionally pleased with our working experience to date with the Richmond Oval and in particular, the High Performance staff. We have some specific needs for equipment, training support and facilities. The level of attention and professionalism expressed throughout working with the High Performance staff consistently demonstrates that they understand the objectives and requirements of high performance and the level of detail to ensure that all training and competition opportunities are within a high performance context. Last but not least is their attention to the detail- their style and manner in which they approach working with us truly makes it feel as they are part of our High Performance extended support team and focused on our success.

Financially Sustainable

- The Corporation realized an annual surplus of \$3,066,824 for the year ended December 31, 2012, which is an increase of \$852,354 from the 2011 annual surplus of \$2,214,470. Of this \$3,066,824 annual surplus, the Corporation transferred \$2,400,000 to the Capital Reserve in 2012 in accordance with the Richmond Oval Agreement.
- The Corporation's main sources of revenues in 2012 were 'memberships, admissions and programs', City of Richmond contributions, 2010 Games Operating Trust funding, followed by other revenue (mainly consisting of parking, leasing and Community Legacy Partner sponsorship revenue).
- The Corporation was proud to continue its close relationship with our Community Legacy Program Partners: Scotiabank, TELUS, and ASPAC Developments. Our partners have been critical in helping the Oval bring positive sport, health and wellness changes to as many people as possible and their continued support is much appreciated.
- The Corporation has no debt other than operational accounts payable and equipment lease obligations.

This is the best facility I've ever trained at. It has absolutely everything we need as a team. The gym itself is amazing, the trainers here are great. And it's absolutely huge so there's room for all of us.

APPENDIX B | Events

Futsal Provincial Championships January 7-8, 2012

Surrey United and Fusion FC came out at the top of the class at the BC Provincial Futsal Championships. Surrey SC dominated the female side of the competition, winning both the U14 and U16 finals, while Fusion FC came out on top in both finals of the men's draw. The provincial futsal championships, held at the Richmond Oval and run by BC Soccer, lasted the entire weekend, with four teams in each section playing a total of three round robin games against each other.

Harry Jerome Indoor Classic February 4, 2012

Eighteen new meet records were established at the 2012 Vancouver Sun Harry Jerome Indoor Classic at the Richmond Olympic Oval.

Asianna Covington of Kajaks moved to the number two mark in the world youth lists with her 13.88m throw in the 3kg shot put. Her meet record mark was matched by Ruky Abdulai of Valley Royals in the open division with her throw of 11.08m in the 4kg shot put.

60m sprint marks were set by Maggie Hanlon of Pacific Athletics in the open division with a time of 7.65 seconds and by Tia Isabelle Baker of the Vikes in the youth division with 8.19 seconds. Lexie Scott of Vikes set the new youth 60m hurdles mark with a time of 9.56 seconds

800m marks fell in both the open and youth categories to Devan Weibe of UBC and Alison Williams of Ocean Athletics with times of 2:20.09 and 2:28.40 respectively. UBC teammate Maria Bernard broke the 1500m meet open record with her win of 4:44.27.

The 4x400m relay marks fell in both the open and youth races with Pacific Athletics time of 3:56.44 and Ocean Athletics time of 4:15.35.

Keefer Joyce of Kelowna edged Nathan Vadeboncouer in the open 60m sprint by 0.12 seconds with his 6.95 seconds, which is the number two mark in the Canadian Junior lists behind Wesley Best of Ontario's time of

6.87 seconds. Jacob Powie of Trinity Western University's time of 9.00 seconds in the open 60m hurdles was a new meet record. Sebastian Adugalski set two youth meet records in the 60m sprint and hurdles with his times of 7.45 and 8.60 seconds.

Vikes youth middle distance runners, Liam Kennell and Thomas Getty set meet records in the 800m and 1500m marks of 2:03.38 and 4:15.93 respectively. They combined with the winner of the 400m, Brendon Restall to set a new record in the 4x400m relay with a time of 3:38.43. Brendon's 400m time of 50.73 ranks number two on the Canadian Junior list behind Stewart Ellenwood of SFU's 49.75.

Vancouver International Open Judo Tournament February 4, 2012

Judoka from all over British Columbia competed in the annual Vancouver International Open Judo Tournament at the Richmond Olympic Oval for Junior Boys and Girls, Juvenile Men & Women, Cadet Men and Women, Junior Men and Women, Senior Men and Women.

Richmond Celebrates Scotiabank Hockey Day in Canada February 11, 2012

Over 16,000 people attended Richmond Celebrates Scotiabank Hockey Day in Canada at the Richmond Olympic Oval, a free, family-focused, day-long celebration of Canada's greatest passion. Guests lined up for hours to meet former Vancouver Canucks Captain Trevor Linden and team mascot Fin. Other attractions included:

- The Hockey Hall of Fame's "Legends" exhibit featured memorabilia, interactive experiences and a number of NHL trophies, including the Hart Memorial Trophy awarded to the NHL's most valuable player.

2012 Canada Cup International Wheelchair Rugby Tournament June 21-23, 2012

Despite a last-minute comeback, Team Canada went down 53-56 against the Americans and finished with a silver medal at the first 2012 Canada Cup International Wheelchair Rugby Tournament. In front of a near sold-out crowd at the Richmond Olympic Oval, the Canadians traded goals and hits with the rival Americans for the first half of the game. At halftime, the score was tied 24-24. Halfway through the third quarter, Canada racked up several penalties that resulted in turnovers and quickly found themselves behind by as much as six. During the fourth quarter, however, a spark was lit by Fabien Lavoie, whose tough defense resulted in several steals, and 18-year-old rookie Zak Madell, whose energy provided a much-needed boost. Canada brought the game to within two, but ultimately they couldn't close the gap to secure the win.

LANcouver 2012 June 29-July 1, 2012

LANcouver is the region's biggest PC gaming event. Competitors and participants of all-ages gathered for 3 days for video game tournaments, special events, seminars, panels and much more. APPENDIX D | Management's Discussion & Analysis

Management's discussion and analysis provides an overview of the Corporation's business operations for the year ended December 31, 2012 relative to the year ended December 31, 2011.

This management's discussion and analysis should be read in conjunction with the Corporation's financial statements for the year ended December 31, 2012 and the accompanying notes. The Corporation's financial statements are prepared in accordance with Canadian generally accepted accounting principles (GAAP) as prescribed by the Public Sector Accounting Board (PSAB) of the Canadian Institute of Chartered Accountants. All figures presented in the following are expressed in Canadian dollars and are rounded to the nearest \$1,000.

This management's discussion and analysis has been prepared based on information available as at April 8, 2013, except where otherwise indicated.

About the Corporation

The Richmond Olympic Oval Corporation (the "Corporation") was incorporated on June 16, 2008 under the Business Corporations Act of British Columbia as a municipal corporation wholly-owned by the City of Richmond (the "City"). On August 10, 2010 the Corporation changed its name from 0827805 BC Ltd to Richmond Olympic Oval Corporation. The Corporation's objectives with respect to the long-term use and operation of the Richmond Olympic Oval facility (the "Oval") include but are not limited to the following: a) the Oval will be developed, used and promoted for a training and competition facility for high performance sport; b) the Oval will provide facilities, programs and services for quality sport, fitness, recreational uses and wellness services for the Richmond community, neighbouring communities and the general public; the Oval will provide facilities for non-sporting, community and entertainment events; and the Oval will provide ancillary commercial, retail, health and wellness services to enhance its use in respect of the activities set out above.

The Corporation operates in a highly competitive sport and fitness market which offers personal and group training classes, high performance training, personal training, wellness and fitness equipment, weight training and sport specific facilities and training. The Corporation also hosts many local and national events and also has various open spaces and rooms which are available for rent to the public.

Overview of Performance

Revenue

2012 revenue from memberships, admissions and programs totalled \$5,480,000 (2011 - \$4,067,000). In 2012 revenue from these sources of \$946,000 was deferred to fiscal 2013 (2011 - \$537,000 was deferred to 2012).

The City applies for and receives funding from the 2010 Games Operating Trust ("GOT") as explained in note 5 to the financial statements. The City received \$2,785,000 during the year which was recognized as revenue earned in the year (2011 - \$2,739,000).

The Oval received a contribution of \$3,074,000 from the City in 2012 (2011 - \$3,023,000).

Other revenue of \$1,554,000 was recognized in 2012 (2011 - \$1,031,000) and mainly consisted of parking, leasing and sponsorship revenue. In addition included in other revenue is \$426,000 (2011 - \$158,000) pertaining to Sport Hosting revenue. Effective July 1, 2011, the Sport Hosting department from the City of Richmond was transferred over to the Corporation along with separate funding that is attached to that function. The funding is recognized as deferred revenue until it is spent at which time the revenue and expense are both recognized.

Expenses

During 2012, expenses were incurred for the following:

- Salaries and benefits of \$6,262,000 (2011 \$5,321,000). There were 62 full-time and 145 part-time employees on the payroll as of December 31, 2012; (2011 43 full-time and 157 part-time employees);
- Other operating expenses incurred in 2012 totalled \$3,564,000 (2011 \$3,325,000) and mainly included the following:
 - Facility operations of the Oval including the heat, light and power, the ice-making equipment and building maintenance;
 - Amortization costs of tangible capital assets;
 - Property and liability insurance; and
 - Costs associated with running the Oval fitness programs;
 - Administration costs related to accounting, information technology, development of organizational infrastructure such as safety programs, internal controls, office supplies and equipment support, human resource policies, etc;
 - Costs related to marketing the Oval sport fitness programs and rentals of facilities;
 - Sport Hosting department related expenditures; and
 - Professional fees mainly related to leases for prospective tenants, other legal agreements and audit fees;

The annual surplus for the year was \$3,067,000 compared to a surplus of \$2,214,000 in 2011 before transfer to Capital Reserve. The total accumulated surplus as of December 31, 2012 is \$5,345,000, however, of this amount the Corporation has transferred a total of \$4,100,000 to the Capital Reserve in accordance with the Richmond Oval Agreement (\$2,400,000 in 2012 and \$1,700,000 in 2011).

INDEPENDENT AUDITORS' REPORT

To the Shareholder of Richmond Olympic Oval Corporation

We have audited the accompanying financial statements of Richmond Olympic Oval Corporation, which comprise the statement of financial position as at December 31, 2012, the statements of operations, changes in net financial assets (debt) and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform an audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained in our audit is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of Richmond Olympic Oval Corporation as at December 31, 2012 and its results of operations, its changes in net financial assets (debt) and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Notes to Financial Statements

For the year ended December 31, 2012

1. Incorporation and nature of business:

The Richmond Olympic Oval Corporation (the "Corporation") was incorporated on June 16, 2008 under the Business Corporations Act of British Columbia as a municipal corporation wholly-owned by the City of Richmond (the "City"). On August 10, 2010, the Corporation changed its name from 0827805 B.C. Ltd. to Richmond Olympic Oval Corporation. The business of the Corporation is to use the Richmond Olympic Oval facility (the "Oval") to provide a venue for a wide range of sports, business and community activities, including, but not limited to, being the long-track speed skating venue for the 2010 Olympic and Paralympic Winter Games (the "Games").

2. Significant accounting policies:

(a) Basis of presentation:

These financial statements have been prepared in accordance with Canadian generally accepted accounting principles (GAAP) as prescribed by the Public Sector Accounting Board (PSAB) of the Canadian Institute of Chartered Accountants.

(b) Revenue recognition:

Memberships, admissions and programs fees are recorded as revenue in the period that the services are rendered, with any unearned portion recorded as deferred revenue. Annual distributable amounts and trust income amounts are recognized as revenue when the amounts are approved by the 2010 Games Operating Trust (note 5) and when the related operating expenses and capital maintenance costs of the Oval are incurred.

Sponsorship revenues are deferred and amortized to revenue over the term of sponsorship agreements.

(c) Non-financial assets:

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.

Notes to Financial Statements (continued)

For the year ended December 31, 2012

2. Significant accounting policies (continued):

- (c) Non-financial assets (continued)
 - (i) Tangible capital assets:

Tangible capital assets are recorded at cost. Amortization is provided on a straight-line basis at rates that reflect estimates of the economic lives of the assets over the following periods:

Assets	Rate
Athletic equipment	5 years
Automobile	5 years
Building improvements	5 years
Computer software and equipment	3 years
Facility equipment	3 years
Signage	3 years
Uniforms, ice skates and helmets	3 years

Tenant improvements are amortized over the term of the lease.

(ii) Impairment of tangible capital assets:

Tangible capital assets are written down when conditions indicate that they no longer contribute to the Corporation's ability to provide goods and services, or when the value of future economic benefits associated with the tangible capital assets are less than their net book value. The net write-downs are accounted for as expenses in the statement of operations.

(iii) Assets held under capital lease:

Assets held under capital lease are stated at historical cost, being the lesser of the present value of the future minimum lease payments and fair value at the date of acquisition, and are amortized on a straight-line basis over their estimated useful lives.

(iv) Deferred lease costs:

The initial direct costs incurred in connection with leases of rental properties in the Oval are deferred and amortized over the initial term of the leases. Such costs include agent commissions, legal fees, and costs of negotiating the leases.

Notes to Financial Statements (continued)

For the year ended December 31, 2012

2. Significant accounting policies (continued):

(d) Pension plan:

The Corporation and its employees make contributions to the Municipal Pension Plan (the "Plan"). As the Plan is a multi-employer contributory defined benefit pension plan, these contributions are expensed as incurred.

(e) Income taxes:

The Corporation is not subject to income taxes as it is a municipal corporation wholly-owned by the City of Richmond.

(f) Functional and object reporting:

The operations of the Oval are comprised of a single function, operations related to sport, fitness and recreation. As a result, the expenses of the Oval are presented by object in the statement of operations.

(g) Budget data:

The unaudited budget data presented in these financial statements is based upon the 2012 budget approved by the Board of Directors on February 29, 2012.

(h) Use of estimates:

The preparation of financial statements requires management to make estimates and assumptions that could affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Significant areas requiring the use of management estimates relate to the determination of valuation of accounts receivable, useful lives of tangible capital assets for amortization, and deferred lease costs. Actual results could differ from those estimates. The estimates are reviewed periodically and as adjustments become necessary, they are recorded in earnings in the year in which they become known.

3. Investments:

Investments represent term deposits as follows:

Purchase date	Maturity date	2012	2011
March 28, 2012	March 28, 2013	\$ 2,000,000	\$ -
July 20, 2012 July 20, 2012	January 16, 2013 January 16, 2013	1,805,363 1,000,000	-

4. Richmond Oval Agreement:

The Corporation is party to the Richmond Oval Agreement (the "Agreement") with the City, which had an effective date of July 1, 2008. The Agreement established the terms and conditions of the relationship between the City and the Corporation.

5. 2010 Games Operating Trust Fund:

On November 14, 2002, under the terms of the Multiparty Agreement for the Games, the Government of Canada and the Province of British Columbia agreed to establish the Legacy Endowment Fund (the "Fund") and to each contribute \$55 million. On March 31, 2004, under the terms of the 2010 Games Operating Trust Agreement, an irrevocable trust was created known as GOT and the 2010 Games Operating Trust Society (the "Society") became the trustee of the Fund. The purpose of the Fund is to fund operating expenses and capital maintenance costs of certain facilities created for the Games, specifically the Oval and the Whistler Sliding Centre and Nordic Centre, and to assist with the continued development of amateur sport in Canada. Subsequent to the formation of the Trust, the City, as owner of the Oval, became a beneficiary of the Trust and became responsible for complying with obligations set by the Trust and GOT in order to receive funding.

Effective December 31, 2007:

- (a) the Fund was divided into three funds: the Speed Skating Oval Fund; the Whistler Sliding Centre and Nordic Centre Fund, and the Contingency Fund; and
- (b) the capital and any accumulated but undistributed income of the Fund was divided as follows: Speed Skating Oval Fund (40%), Whistler Sliding Centre and Nordic Centre Fund (40%), and the Contingency Fund (20%).

Effective April 21, 2009, the City entered into an agreement with VANOC. The agreement details the terms and conditions to which the City is required to adhere in order to receive funding from GOT. Effective September 1, 2011 VANOC assigned the agreement to the Society.

Funds from GOT are paid to the City, the funds are then paid to the Corporation.

Revenue from GOT is comprised of:

	2012	2011

6. Obligations under capital leases:

The capital leases have an estimated cost of borrowing ranging from 0.21% to 0.35% per month. The principal and interest payments as at December 31, 2012 and December 31, 2011 are as follows:

	2012	2011
Total minimum lease payments	\$ 8,517	\$ 208,445
Imputed interest	(26)	(2,782)
Obligations under capital leases	\$ 8,491	\$ 205,663

As at December 31, 2012, the Corporation was committed to payments under capital leases of \$8,517 in 2013.

The Oval land and building complex and its major equipment components are the property of the City and are not recorded in these financial statements.

Assets under capital lease include audio and visual equipment, printers, drivers, computer hardware and other information technology equipment. The lease agreements are between the City and the Municipal Finance Authority of the Province of British Columbia. The equipment is used solely by the Corporation and, accordingly, the leased assets are capitalized and the related obligation recorded in the accounts of the Corporation. The lease payments made by the City are charged at cost to the Corporation.

There was no write down of tangible capital assets during the year (2011 - nil).

11. Accumulated surplus:

Accumulated surplus is comprised of:

	2012	2011
Share capital Capital reserve Other reserves/provisions Operating surplus Invested in tangible capital assets	\$ 1 4,100,000 211,790 347,408 686,006	\$ 1 1,700,000 - 122,488 455,892
	\$ 5,345,205	\$ 2,278,381

12. Related party transactions:

The Corporation leases the Oval from the City for \$1 annually.

Included in general and administration expenses is a management fee of \$61,835 to the City for the provision of city staff time in fiscal year 2012 (2011 - \$60,000).

In 2012, \$93,979 (2011 - \$84,288) of salaries and benefits expenses were charged to the City relating to the costs of the Corporation's staff time for services performed for the City.

Included as a reduction to other revenue in 2011 is \$39,919 pertaining to management fees paid to the City for services performed pertaining to the parking revenue in 2011. At the end of 2011 the Oval began managing these parking operations internally and therefore did not have any management fees paid to the City in 2012 in respect of such services.

In accordance with the Agreement, the City will provide, for the first fifteen years of the term, financial support as agreed between the City and the Corporation from time to time; for the years 2010, 2011 and 2012 the annual financial support shall not be less than \$1.5 million per year indexed at the city of Vancouver's Consumer Price Index. After fifteen years, any financial assistance from the City will be determined by the City in its sole discretion. Commencing in 2011, the City approved an additional \$1.5 million in annual financial support to the Corporation. The Corporation received a contribution from the City of \$3,073,833 (2011 - \$3,022,500).

Effective July 1, 2011, the Sport Hosting function of the City was transferred to the Corporation. This function is fully funded by the hotel tax. In 2012, nil (2011 - \$1,091,565) was transferred from the City to the Corporation as funding for the operations of that department. As at December 31, 2012, receipts of hotel tax revenue of \$507,779 (2011 - \$933,876) was included in deferred revenue (note 7) and \$426,097 (2011 - \$157,689) was recognized in other revenue on the statement of operations.

The Corporation also received an additional \$500,000 from the hotel tax funding in 2012 to be used for the construction and operation of tourism destination enhancing attractions. This funding will be used for the Richmond Olympic Experience project. Of this amount, \$69,824 was spent in 2012 and is included in tangible capital assets (note 9) as part of work in progress. As such, \$430,176 remains in deferred revenue.

13. Pension plan:

The Corporation and its employees contribute to the Municipal Pension Plan (the "Plan"), a jointly trusteed pension plan. The Plan's Board of Trustees, representing plan members and employers, is responsible for overseeing the management of the Plan, including the investment of the assets and administration of benefits. The Plan is a multi-employer contributory pension plan. Basic pension benefits provided are based on a formula. The Plan has about 176,000 active members and approximately 67,000 retired members. Active members include approximately 35,000 contributors from local governments.

The most recent valuation of the Plan as a whole as at December 31, 2009 indicated a \$1,024 million funding deficit for basic pension benefits. The next valuation will be as at December 31, 2012 with results available in 2013. Defined contribution plan accounting is applied to the Plan as the Plan exposes the participating entities to actuarial risk associated with the current and former employees of other entities, with the result that there is no consistent and reliable basis for allocating the obligation, Plan assets and cost to individual entities participating in the Plan.

The funding deficit noted above represents a deficit for the Plan as a whole. Management considers the Corporation's future contributions to the Plan not to be significant. During the current fiscal year, the Corporation paid \$263,064 (2011 - \$192,337) as employer contributions to the Pension Plan.

14. Economic dependence:

The Corporation is economically dependent on receiving funding from GOT and the City.

15. Comparative figures:

Certain comparative figures have been reclassified to conform with the financial statement presentation adopted for the current year.
